-
2. Describe efforts to determine that the company was a sole source:

The Mid-Ohio Regional Planning Commission is uniquely qualified to perform these studies. The credibility of the consultant must be beyond reproach as the policies recommended within these studies may have widespread effects within a broad constituency. This constituency must believe that the studies are being performed by a legitimate and objective party that will not favor any single group or groups involved. The Planning Commission offers a unique perspective on inter-jurisdictional affairs within central Ohio. The Planning commission has also recently completed a Pedestrian Thoroughfare Plan, Walkable Streets and Pedestrian Level of Service studies that will provide a critical base for formulating Operation SAFEWALKS policy.
