Re: Sole Source Justification.

Hello Mr. Haley,

PROTEC Instrument Corporation, the U.S. subsidiary of French firm Laboratories PROTEC S.A has acquired the assets of X-Ray Florescence (XRF) Lead Paint Detector product line Dynasil Products and thus is the sole manufacturer, seller and source replacement supplier for the LPA-1 XRF Lead Paint Spectrum Analyzer as well as all LPA-1 accessories including the optional Portable Data Recorder (PDR) system.

If you have any questions or require additional information, please contact us at 617-668-6908.

Have a good day,

Paul A. Delmonico
