5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

Project is located in the Far Northwest community planning area.
CIP # 670863-100000. This is for construction inspection and administrative services for construction of Street Lighting Improvements for Smoky Row Rd. New street lighting will be installed on Smoky Row Rd from north of Hard Rd to the Columbus corporate boundary, near Wimberly Court.

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Contract work is required to be completed in a manner acceptable to the City within 365 days from the date that a Notice to Proceed (NTP) is given by the City. Estimating 3 months for the legislation and execution process, estimated construction would begin in February of 2023, and be completed by February of 2024.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The installation of LED lighting within the project area would provide both an additional sense of safety and security to the residents. This may also deter criminal activity, which would lessen the financial impact on city resources such as the Police and Fire departments.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$136,005.59, including a 10% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:
