Good Afternoon,

Infrastructure is seeking approval to purchase (1) Bobcat UW56 with attachments to aid in the clearing of bike lanes and paths, quote is attached. We have approval from the Director of Public Service to waive bid on this due to needing it in the current winter season. This will replace BT 23943, a Massey Ferguson tractor that was turned in previously.

Thanks,

All,

Just spoke to Bobcat, Tim Cannon is revising the quote and will send ASAP.

I asked him to do 90 days on the revised quote.

I will forward the quote as soon as I see it.

Okay, I will be ready to submit once this quote is updated. Not sure if the amount will stay the same, but the date at least needs changed to show it is valid for 45 days at least or the resulting PO will not be approved.

Thanks,
