Union business, which is specifically permitted by this Article 6 to be conducted on City time by the Union's representatives as defined in this Article 6, shall be scheduled to minimize interference with the work assignment of the Steward, Chief Steward and/or employee being assisted. This will be accomplished by requiring a Union representative to complete a Request for Leave for Union Business Form (see Appendix D) before attending to Union business on City time (regardless of whether attending to the Union business requires the Union representative to leave his/her work location). Responding to short telephone inquiries or in-person conversations initiated by others shall be the only exception to the prior approval requirement (although such time shall be reported in the aggregate at the end of the day on a Request for Leave for Union Business Form). This form shall specify the Union activities, which are within the particular Union representative's jurisdiction with which to deal (as specifically provided in this Article 6). The form shall be submitted as far in advance as possible to the Union representative's designated management representative for approval before attending to Union business. In addition, the Union representative shall contact the designated management representative of the employee seeking assistance to schedule an appropriate time to discuss Union business, with due regard to the demands of the workplace if such assistance is provided during the duty hours of the employee involved. In the event of a bona fide emergency where it is impracticable for the Union representative to submit the Request for Leave for Union Business Form in advance, such form shall be completed and submitted immediately after attending to such emergency situation, with an explanation of the emergency circumstances involved and the time spent attending to them.

Union business leave shall be submitted to payroll as is the case with any other leave form, and shall be tracked in the payroll accounting system like any other leave of absence. The Union President and the Director of Human Resources or designee shall both be provided with periodic reports by the City Auditor's Office through the payroll system of the time spent on union business leave by individual stewards and chief stewards.

Any alleged abuse of this Section 6.3 or of Article 6 by the City or the Union shall result in an immediate meeting between the Director of Human Resources or designee and the Union President.

Section 6.4. Access to Work.

The Chief Steward, a representative of Ohio Council 8, and the President or Vice-President of the Union may consult employees in the assembly area before the start of and at the completion of the day's work. With the approval of the Director of Human Resources or designee and notification to the Division Administrator, these same individuals shall be permitted access to work areas solely for the purpose of adjusting grievances, assisting in the settlement of disputes or carrying into effect the provisions and aims of this Contract. This privilege is extended subject to the understanding that such access will not in fact interfere with work time or work assignments. Any suspected abuse of these privileges shall be resolved through a meeting of the City and the Union.

Section 6.5. Privileges of the Representative of Ohio Council 8 and Union President and Vice-President.

The representative of Ohio Council 8, and the President and Vice-President of the Union shall have the privileges accorded to a Chief Steward by this Contract. Any suspected abuse of these privileges shall be resolved through a meeting of the City and the Union.

Section 6.6. Transfer of Union Representatives.

Stewards, Chief Stewards and Union officers shall not be assigned or transferred to a new location unless suitable and satisfactory reasons exist to warrant such an assignment or transfer. Such reasons will be discussed with the Union President in advance by the Appointing Authority or designee.

Section 6.7. Release Time for Union Conventions, Seminars.

Union business leave with pay shall be granted for up to eight (8) persons from Local 1632 to attend Union seminars, Union conventions or educational seminars. Such leave shall not exceed four hundred (400) hours collectively per calendar year and shall be permitted with the prior approval of the Director of Human Resources or designee. Request for such leave shall be submitted well in advance using the Request for Leave for Union Business Form (see Appendix D). Further, joint trainings and the number of Union representatives attending said joint training must be agreed upon by the City and the Union and shall not be charged to Union leave.

Section 6.8. Release Time for Union President and Vice-President.

The President and Vice-President of Local 1632, upon election to their post and as long as they continue in that post, will be permitted to devote their full time during the workweek to Union matters while continuing in their City job classification(s). The Union President's and Vice-President's entitlement to their hourly wage, fringe benefits and seniority accrual will continue as though they were performing their normal job-related duties. The President and Vice-President of Local 1632 will not, however, be eligible to receive overtime or holiday-worked pay.

Section 6.9. Release Time for Union Bargaining Team.

Prior to the first session of negotiations, the City's Chief Negotiator will meet with the Presidents and Vice-Presidents of Locals 1632 and 2191 to determine the size and composition of the Union's negotiation team. Union bargaining committee members who participate in negotiations with the City shall be paid for time lost during regular working hours to attend such meetings.

Section 6.10. Special Union Leave Without Pay.

Upon request of the Union, the City will place up to two (2) full-time Union representatives on administrative leave without pay for periods not to exceed one (1) year.

Section 6.11. Proper Authorization for Release Time Required.

The privileges listed above do not authorize any Union representative to be absent from his/her job or work without proper notification to and authorization from a designated management representative and any other authorization required under this Article, which authorization will not be unreasonably withheld to delay the Union's compliance with time deadlines.

<p style="text-align: center;">ARTICLE 7 - JOINT LABOR-MANAGEMENT COMMITTEES</p>

Section 7.1. Quality of Working Life Program.

- (A) Purpose. The Quality of Working Life Program is a way to provide an opportunity for discussion, experimentation, and improvement of all areas of the City. It is designed to help employees better understand the function of municipal services and the relationship between these services and the employee's role in maintaining, delivering and developing those services. Effective and efficient public service is a responsibility shared by employees and management; and increased sharing of these responsibilities will engender better public service. The City and Union incorporate by reference the Memorandum of Mutual Trust dated July 1984.
- (B) QWL City-Wide Committee. A City-Wide Quality of Working Life Committee (the "Committee") is responsible for defining and interpreting the procedures used within the Quality of Working Life Program. Membership on this Committee is restricted to the following: the Mayor or designee, the City's Chief Negotiator or designee, the Director or designee of each department participating in the QWL Program, the Regional Director of AFSCME, Ohio Council 8 or designee, the President of Local 1632 or designee, the President of Local 2191 or designee, and one Union representative from each department participating in the QWL program.
- (C) QWL Subcommittees. The Committee may establish Quality of Working Life subcommittees in reporting locations with bargaining unit employees. Membership on these subcommittees will conform to rules of membership established by the City-Wide QWL Committee. These subcommittees may propose improvements or modifications specifically confined to their reporting

location. All such proposed modifications are subject to approval by the City-Wide QWL Committee.

- (D) Scope of QWL Program. Neither the Committee or any subcommittee shall have authority to change or abridge the intent or spirit of contractual provisions which prevail through this Contract. Further, disputes which have been submitted through the grievance procedure shall be beyond the scope of the QWL Program.

Section 7.2. Health and Safety Committee.

(A) General.

- (1) There shall be a Joint Labor-Management Health and Safety Committee. The Union representatives shall be selected by the Local Union President.
- (2) The Joint committee shall request the Occupational Safety and Health Programs Administrator or the City's Occupational Health and Safety Program to perform the following functions, as needed:
 - (a) Make or cause to be made periodic inspections of the various work locations when necessary.
 - (b) Make recommendations for the correction of unsafe or harmful work conditions and the elimination of unsafe or harmful practices.
 - (c) Upon specific request, review and analyze reports of work-related injury or illness, investigate causes of same, and recommend rules and procedures for the prevention of accidents and disease and for the promotion of health and safety of employees.
 - (d) Promote health and safety education.
 - (e) Request that the Safety Office investigate any worker exposure to potentially dangerous substances, fumes, noise, dust, etc.
 - (f) Receive in writing the identification of any potentially toxic substance to which the workers are exposed together with material data sheets, if any, upon specific request.
- (3) The City shall keep minutes of all meetings and provide Union representatives with copies.
- (4) The City shall pay Union members of the Committee at their regular rate for all time spent on Committee business, including time spent in meetings and training.

- (5) The Committee may ask the advice, opinion and suggestions of experts and authorities on safety matters. The Committee shall have the right to call to the work location such experts and authorities, as well as International Representatives of the Union, and they shall be permitted to make such examinations, investigations and recommendations as shall be reasonably connected with the purposes of the Committee.
 - (6) The City and Union committee co-chairs are responsible for creating the meeting agenda. Provided there is a specific agenda, the Committee shall meet bi-monthly, unless the parties agree to meet at different times. The agenda shall be distributed to committee members at least seven (7) days prior to committee meetings. The City and Union commit to having the human resources, health and safety personnel and Union officers present at committee meetings who have the information and authority to resolve agenda items.
 - (7) Any safety emergency shall be immediately reported to Department or Citywide safety personnel.
- (B) Health and Safety. The safety of employees is a mutual concern of the City and the Union. The Union will cooperate with the City in encouraging employees to observe applicable safety rules and regulations.
- (1) It shall be the exclusive responsibility of the City to provide for the safety of its employees by providing safe work conditions, safe work areas, safe work methods and appropriate safety equipment when such equipment is required in connection with the employee's job duties.
 - (2) The City retains the exclusive responsibility to provide a safe and healthful work place and conditions of employment.
 - (3) To the extent the Union has acquired certain participatory rights in the preceding subparagraphs of Section 7.2; it is not the intent of the parties to diminish the City's exclusive responsibility or to make the Union and/or its officers, agents, or representatives liable for any employee's job-related injury, illness or death.
 - (4) During the term of this Contract, the City may form a city-wide labor-management committee. If such a committee is formed, Union membership shall be proportionate to the membership of each respective participating bargaining unit. City members of the committee shall not exceed the total number of union members. Once such a committee is operational it shall replace the current committee.
 - (5) Employees shall have the right and responsibility to report unsafe equipment and/or working conditions first to their designated person at each work location and then to a representative of the city-wide safety office.

Section 7.3. General Labor-Management Meetings.

The parties agree to continue the Joint Labor Management Committee. The City agrees to meet with the Union upon request to discuss matters of mutual interest relating to the employees covered by this Contract. The Union shall be entitled to not more than five (5) representatives with no loss of pay to attend the meeting.

Section 7.4. Insurance Committee.

The parties agree to continue the joint labor-management insurance committee to provide a forum to discuss concerns regarding insurance. The committee will meet when the Union or the City requests such a meeting. During the term of this Contract, the City may establish another joint labor-management insurance committee and invite members of other bargaining units to participate. If other bargaining unit representatives agree to participate then union membership shall be in proportion to the size of the bargaining units participating. Upon the operation of the new committee, the current committee shall cease to exist. The number of City representatives on the committee shall never exceed the total number of Union representatives.

Section 7.5. Civil Service Committee.

The Union will continue to meet with representatives of the Civil Service Commission and the Director of Human Resources or designee on a periodic basis to discuss matters of mutual concern.

ARTICLE 8 - CENTRAL WORK RULES AND PERSONNEL POLICIES

Section 8.1. Establishing.

The City will establish and, from time to time, revise Central Work Rules and personnel policies; such rules shall not be in conflict with this Contract. Such rules and policies shall be uniformly applied and any work rules made by individual departments or divisions shall not be in conflict with the Central Work Rules and personnel policies.

Section 8.2. Posting.

When existing Central Work Rules and personnel policies are changed or new Central Work Rules and personnel policies are established, the appropriate parties will be notified. The City shall furnish the Union with a copy of the changed or new rule or personnel policy at least fifteen (15) days prior to the effective date. In an emergency situation, the Union will be given immediate notice of the affected changes. The changed or new Central Work Rule or personnel policies shall be posted prominently on all bulletin boards for a period of seven (7) consecutive days before becoming effective unless an emergency situation requires Central Work Rules or personnel policies to become effective immediately.

Section 8.3. Notification.

The City will furnish each affected employee of the bargaining unit with a copy of all Central Work Rules and personnel policies within thirty (30) days after they become effective. Upon request, all Central Work Rules and personnel policies will be available for employees to view. New employees shall be provided with a copy of the Central Work Rules and personnel policies at the time of hire.

Section 8.4. Enforcement.

Employees shall comply with all Central Work Rules and personnel policies. Such rules and policies shall be uniformly applied and uniformly enforced.

Section 8.5. Grievance.

- (A) Any unresolved complaint as to the reasonableness of any new or revised Central Work Rule or personnel policy or any complaint involving discrimination in the application of any Central Work Rules or personnel policies shall be resolved through the grievance procedure as outlined in Article 11.
- (B) If a grievance concerning the unreasonableness of a new or revised Central Work Rule or personnel policy results in a modification or elimination of that Central Work Rule or personnel policy, the employee shall be made whole for any and all actions taken as a result of an infraction of that Central Work Rule or personnel policy, to the extent specified in the settlement or arbitration award disposing of such grievance.

Section 8.6. Distribution.

The City shall maintain a mechanism for global availability of Central Work Rules and personnel policies.

ARTICLE 9 - NO DISCRIMINATION OR COERCION

Section 9.1. No Discrimination (EEO).

- (A) In accordance with applicable law, the provisions of this Contract shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, marital status, race, color, creed, national origin, disability, sexual orientation, veteran status or political affiliation. The Union shall share equally with the City the responsibility for applying this provision of the Contract.
- (B) Sexual harassment shall be considered discrimination under this Article. Sexual harassment as prohibited by this Article shall be defined and governed in accordance with applicable state and federal laws, and includes any unwanted sexual attention.

Section 9.2. No Discrimination (Union Membership, Activity and Representation).

- (A) The City recognizes the right of all eligible employees to be free to join the Union and to participate in lawful concerted Union activities. Therefore, the City agrees there shall be no discrimination, interference, restraint, coercion or reprisal by the City against any employee as a result of Union membership or the lawful activity of any member acting in an official capacity on behalf of the Union.

- (B) The Union recognizes its responsibility as bargaining agent and agrees to represent all employees in the bargaining unit without discrimination, interference, restraint, or coercion. The Union agrees not to intimidate or coerce any employee in an effort to recruit membership in the Union.
- (C) In filling job vacancies, the City agrees that any Union members appearing on a properly certified Civil Service Commission eligible list shall not be discriminated against as a result of such Union affiliation.

Section 9.3. No Discrimination (Application of Contract and Work Rules).

The City will not discriminate among employees in the bargaining unit in the application of the terms of this Contract or in the application of City work rules.

ARTICLE 10 - DISCIPLINARY PROCEDURE
--

Section 10.1. Investigation.

- (A) When an Appointing Authority or designee acquires knowledge which may lead to disciplinary action against an employee or employees, the Appointing Authority or designee shall begin an investigation as soon as possible. The Appointing Authority or designee shall investigate all complaints against employees, whether complainant is identified or anonymous.
- (B) The investigation shall be thorough and complete, and may include, but is not limited to, interviewing possible witnesses, including other bargaining unit members, and locating and researching any relevant documents. Any employee who may be a focus of the investigation may be interviewed as part of the investigatory process, in which event he/she may, upon request, have a Union representative present during that interview. If a Union representative is not available, and the employee desires a Union representative be present, the interview will be rescheduled within a reasonable period of time to permit the Union to be present. Interviews will be conducted in private.
- (C) The investigation must be concluded within a reasonable length of time, not to exceed thirty (30) days, except for those situations set forth in Section 10.8.
- (D) Investigatory interviews or meetings conducted by the Internal Affairs Bureau and the Division of Police will be subject to tape recording.

Section 10.2. Notice to Union After Completion of Investigation.

After the investigation has been completed, the Appointing Authority or designee will notify the Union of the results of the investigation. This notice shall be provided on a form agreed upon by the parties, notifying the Union of one of the following results:

- (A) Counseling, which may be oral or written, is not considered disciplinary action; or

- (B) Issuance of an oral reprimand; or
- (C) Issuance of a written reprimand; or
- (D) Notice that the Appointing Authority intends to bring disciplinary charges against the affected employee(s); or
- (E) Notice that the Appointing Authority intends to end the investigation with no further action.

Said notice shall be provided to the Union as soon as practicable, but no later than thirty (30) days after the Appointing Authority or designee gained knowledge of alleged misconduct by any employee, or at the conclusion of a criminal investigation or investigation of other allegations that local, state, or federal laws or executive orders of the Mayor, have been violated, or at the conclusion of criminal proceedings if criminal charges are filed against the employee.

The Notice of Results of Investigation (i.e., Summary of Investigation) shall contain the facts surrounding the incident that was investigated.

Section 10.3. Service of Disciplinary Actions.

- (A) If, disciplinary charges are brought against any employee after the investigation has been completed, they shall be furnished to the employee in writing on a form agreed upon by the City and the Union and signed by the Appointing Authority or designee within ten (10) days after notice to the Union that the investigation has been completed. A copy of such form shall be given to the Union President ten (10) days prior to the hearing. Failure to provide a timely notice to the President shall not result in the charges being dismissed. The Union shall be notified of the time and location of the hearing on the disciplinary charges and shall have the right to attend said hearing for the purpose of representing the employee and/or to protect the integrity of this Contract.
- (B) Oral and written reprimands, signed by the Appointing Authority or designee, shall be furnished to the employee in writing on a form agreed upon by the City and the Union within ten (10) days after notice to the Union that the investigation has been completed. (See Appendix D.)
- (C) When reasonable, the Appointing Authority or designee will serve disciplinary charges to the employee by personal service. If the employee cannot reasonably be served in person, the Appointing Authority or designee may serve disciplinary charges by regular U.S. mail and certified mail to the last home address furnished by the employee(s) to the Appointing Authority or designee.
- (D) Mail service shall be deemed complete three (3) days after mailing the disciplinary charges or reprimand to the employee's home address.

Section 10.4. Hearing on Disciplinary Charges.

- (A) A hearing on the merits of the disciplinary charges shall be conducted by the Director of the Department of Human Resources or designee within thirty (30)

days from the delivery of the charges to the employee. All hearings will be conducted in a fair manner, and the designated hearing officer will not assume the role of prosecutor in disciplinary hearings.

- (B) If an Appointing Authority or designee brings disciplinary charges against an employee as a result of an investigation prompted by a complaint, the complainant will be called to testify at the hearing if reasonably possible, unless there is sufficient independent evidence to prove the charges by a preponderance.
- (C) The results of said hearing shall be in writing and given to the employee, with a copy sent to the Union President, within twenty (20) days of the hearing.
- (D) For purposes of Article 10, disciplinary action which may be taken as a result of a disciplinary hearing may be an oral reprimand, a written reprimand, suspension and/or demotion or termination. Discipline shall be commensurate and progressive. Discipline shall be only for just cause.
- (E) The City and the Union shall each be granted one (1) continuance of the scheduled disciplinary hearing, if requested not less than one (1) work day prior to the hearing. Additional continuances may be granted by mutual consent between the Director of Human Resources or designee and the Union President or his designee in writing. Continuances shall not be unreasonably withheld. Thereafter, the City may order an employee to attend a disciplinary hearing, and if the employee refuses, the City may hold the hearing in the employee's absence.

Section 10.5. Disciplinary Grievances.

If the Union is not satisfied with the results of the hearing, the Union may appeal this determination to Step 2 of the grievance procedure, together with any alleged violations of administrative procedures and time limits set forth in this Article. The Step 2 grievance meeting shall be a meeting not a hearing; it is not the purpose of the Step 2 grievance meeting in discipline cases to conduct a new review of the evidence and testimony, but rather to review the case based on information and evidence developed through the disciplinary hearing conducted pursuant to Section 10.4. Only evidence and/or information that was not available at the time of disciplinary hearing will be independently reviewed.

Section 10.6. Leave Forfeiture or Fine in Lieu of Suspension.

The designated hearing officer, after having found an employee guilty of one or more of the disciplinary charges, may make a recommendation as to the appropriate level of discipline. Should this recommendation be a suspension, the Hearing Officer may make a written offer to the employee that the employee forfeit up to one hundred twenty (120) hours of accrued vacation or compensatory time, provided the employee has sufficient vacation and/or compensatory time balances at the time the offer is made. Fines in an amount of one (1) to three (3) days only for violations of Central Work Rule number 5 (Attendance) or any future Central Work Rule addressing attendance may be offered by the Hearing Officer. If the employee agrees to the fine or forfeiture, such accrued leave shall be one (1) hour of accrued leave or fine for each one (1) hour of the proposed suspension. Accepting a fine or the type of leave (vacation or compensatory time) shall be the employee's choice. The fine or forfeiture of

the leave shall constitute corrective/disciplinary action of record, shall be accordingly noted in the employee's personnel file, and shall constitute the final resolution of the departmental charges, which resolution shall not later be subject to challenge by the employee or the Union under the grievance procedure or in any other forum. If the employee chooses to accept the Hearing Officer's written offer, the Hearing Officer shall acknowledge the employee's acceptance of the offer in writing. Should the Hearing Officer choose not to offer this option or should the employee reject the offer, appropriate disciplinary action shall be imposed.

Section 10.7. Length of Time Prior Discipline may be Considered.

Oral reprimands may be considered in connection with subsequent disciplinary action for a period of one (1) year. Written reprimands may be considered in connection with subsequent disciplinary action for two (2) years. Any other form of disciplinary action may be considered in connection with subsequent disciplinary action for a period of three (3) years. If the conduct leading to disciplinary action occurs prior to the expiration of the periods specified above, such disciplinary action shall be used as a basis for further disciplinary action, regardless of date of hearing or issuance of disciplinary decision.

Section 10.8. Exceptions/Extensions to Time Deadlines.

- (A) If an investigation requires more time to complete, the parties may agree to extend the time period. Such extensions shall not be unreasonably withheld by the Union.
- (B) The time constraint provisions of this Article shall not be applicable when actions of a criminal or conspiracy nature or when alleged violations of other local, state or federal laws, or Mayor's executive orders, warrants extensive investigation, or upon mutual consent of the parties.
- (C) If an employee is off duty on approved or unapproved leave, the time limits for investigation, delivery of charges, hearing and results of hearing shall automatically be tolled. The parties may agree to extend any of the time lines in Article 10.
- (D) The time limits in this Article shall be tolled for any employee who is laid off and subsequently recalled.

ARTICLE 11 - GRIEVANCE AND ARBITRATION PROCEDURES

Section 11.1. Definition and Purpose.

- (A) The prompt presentation, adjustment and/or answering of grievances is in the interest of sound relations between employees and the City. The prompt and fair disposition of grievances involves important and equal obligations and responsibilities on the part of representatives of each party to protect and preserve the grievance procedure as an orderly means of resolving grievances.

- (B) A "grievance" is defined as a complaint arising under and during the term of this Contract raised by an employee or the Union against the City alleging that there has been a violation, misinterpretation or misapplication of an express written provision of this Contract.
- (C) A grievance classified as a "class action grievance" must contain the following, in addition to the requirements of Section 11.4:
 - (1) A community of interest shared by two or more employees; and
 - (2) The classification of grieving employees; and
 - (3) The identity of who will represent the grievants at hearings,
- (D) Counseling and performance appraisals are not grievable. Oral reprimands shall be grievable through Step 1. Written reprimands issued by an appointing authority or designee shall be grievable beginning at Step 1 through Step 2.

Section 11.2. Who may File a Grievance, Exclusivity of Remedy.

Grievances can be initiated by the Union or an aggrieved employee, except as otherwise provided in this Contract (see Section 11.8(A) for special rules on disciplinary grievances). Except as may be specifically provided elsewhere in this Contract, the grievance procedure shall be the exclusive remedy available to the Union and to employees to redress alleged violations of this Contract. Nothing in this Grievance and Arbitration Procedure shall deny members any rights available at law to achieve redress of their legal rights, including the right of redress in another forum. However, once a member elects to seek redress in another forum, the member is thereafter denied the right to file or proceed further through the steps of the Grievance and Arbitration Procedure. Further, any relief obtained by the member under this Contract shall be rescinded and shall not continue to be performed or provided to the extent that the results achieved by the member in another forum is either inconsistent with the result achieved under this Contract or is cumulative and redundant of the result achieved under this Contract.

Section 11.3. Time Limits.

- (A) A grievance must be filed in writing within fourteen (14) days after the occurrence of the first event giving rise to the grievance, or within fourteen (14) days after the Union or the affected employee(s), through the use of reasonable diligence, could have known of the first event giving rise to the grievance. If a grievance is not presented within this fourteen (14) day filing deadline, it will be considered "waived" and may not be pursued further by the aggrieved employee(s) or the Union.
- (B) If a grievance is not appealed to the next step within the specified time limit or an agreed extension thereof, it shall be considered settled on the basis of the Step 1 answer. Failure at any step of this procedure to hold a hearing or meeting or communicate a decision on a grievance within the specified time limits shall permit the aggrieved party to treat the grievance as denied and to proceed immediately to the next step.

- (C) The time limits prescribed in the following steps in this Article may be extended at any time by mutual consent of the parties involved. Similarly, any step in the grievance procedure may be eliminated by mutual consent. Mutual consent must be indicated in writing and signed by both parties involved. Unless otherwise stated, days as specified herein shall be calendar days.

Section 11.4. Specificity Required in Written Grievances and Limitations on Expanding the Scope of a Grievance.

The written grievance shall specify the section or sections of this Contract that are allegedly violated, misinterpreted or misapplied; a detailed statement of the full facts on which the grievance is based; the specific relief requested; the name(s) of the aggrieved employee(s) and their position(s); the name of the lowest-level non-AFSCME supervisor(s) of the aggrieved employee(s); the date the grievance was filed; and the signatures of the aggrieved employee(s) and any union official assisting in the preparation of the grievance. After a grievance is filed, the employee or the Union may amend the grievance to clarify the relevant facts and circumstances or to correct clerical errors no later than with the Step 2 filing, but may not amend the grievance to assert new claims, contract violations or to expand the scope of the relief sought without the express written consent of the Director of the Department of Human Resources or designee.

Section 11.5. Grievance and Arbitration.

The following are steps that shall be followed in the processing of a grievance, and the parties will act in good faith to limit the number of people present at each hearing.

- (A) Step 1. A grievance shall be filed in writing (within the time limits and in the form specified in Sections 11.3 and 11.4) with the aggrieved employee's Appointing Authority or designee. The Appointing Authority or designee shall hold a hearing with the employee and the Chief Steward (or Local Union Vice-President in his/her absence) within seven (7) days after receipt of the grievance. The Appointing Authority or designee shall give a written answer, after review by the Appointing Authority's office, to the employee and the Chief Steward (or Local Union Vice-President in his/her absence) within fifteen (15) days after the hearing. If the Union does not refer the grievance to Step 2 of the procedure within seven (7) days after receipt of the decision rendered in this Step, the grievance shall be considered to be satisfactorily resolved.
- (B) Step 2. (1) Step 2 Hearings for Non-Disciplinary Grievances. If the grievance is not satisfactorily settled at Step 1, the Union may, within seven (7) days after receipt of the Step 1 answer or within seven (7) days of when the Step 1 answer was due, appeal the grievance to the Director of the Department of Human Resources or designee. The Director of the Department of Human Resources or designee shall hold a hearing with appropriate representatives of the grievant's department and the employee, the Chief Steward, the Local Union President or the Vice-President, and/or a representative of Ohio Council 8 within ten (10) days after receipt of the grievance. The Director of the Department of Human Resources or designee, after consultation with the Appointing Authority or designee, shall give a written answer to the employee and the Local Union President within ten (10) days after the Step 2 hearing.

Step 2. (2) Step 2 Meetings for Disciplinary Grievances. In disciplinary cases (except for oral and written reprimands issued by a department), a grievance must be filed at Step 2 by the Union within fourteen (14) days of the Hearing Officer's decision issued pursuant to Section 10.4 of this Contract. The Director of the Department of Human Resources or designee and appropriate representatives of the grievant's department shall hold a meeting with the employee, the Chief Steward, the Local Union President or the Vice-President, and/or a representative of Ohio Council 8 within ten (10) days after receipt of the grievance. The hearing officer conducting the Step 2 disciplinary grievance meeting shall not be the same hearing officer who conducted the disciplinary hearing pursuant to Section 10.4. The review of disciplinary cases at Step 2 shall be a meeting to review the case, not a hearing. The Director of the Department of Human Resources or designee, after consultation with the Appointing Authority or designee, shall give a written answer to the employee and the Local Union President within ten (10) days after the Step 2 meeting.

(C) Step 3.

- (1) If the grievance is not satisfactorily settled at Step 2, the Union may, within thirty (30) days after receipt of the Step 2 answer or within thirty (30) days of when the Step 2 answer was due, submit the issue to arbitration. The Union shall notify the Director of the Department of Human Resources or designee of its intent to submit the grievance to arbitration.
- (2) A permanent panel of five (5) arbitrators will be selected by the parties. An arbitrator shall be selected from the panel to hear grievances through random drawing. For all grievances filed after the effective date of this Contract, an arbitrator shall be selected within 365 days of the Union's notice of intent to submit the matter to arbitration or the grievance will be waived. The parties may extend the Union's deadline to select an arbitrator by mutual consent in writing. Continuances shall not be unreasonably withheld. Once selected, the arbitrator's name will no longer be available for selection until all remaining arbitrators on the panel have been selected.
- (3) The arbitrator shall be notified of his/her selection by a joint letter from the Director of the Department of Human Resources or designee and the Union requesting that he/she set a date and time for the hearing subject to the availability of the City and Union representatives, provided that the hearing must be held within thirty (30) calendar days following the selection of the arbitrator. If the selected arbitrator is unable to schedule the hearing within the thirty (30) day period, the parties may select another arbitrator.
- (4) After all arbitrators on the panel have been selected once, the above process regarding random drawing will be repeated.

- (5) The parties may mutually agree to remove an arbitrator from the panel after he/she has issued at least one decision.
 - (6) All arbitrations shall be held in the City of Columbus, Ohio. The fees and expenses of the arbitrator shall be borne equally by the City and the Union. The arbitrator's decision shall be rendered within thirty (30) days after the close of the hearing or the submission of post-hearing briefs by the parties, whichever occurs later.
- (D) The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the question of whether there has been a violation, misinterpretation or misapplication of the specific provisions of this Contract based on the specific issue submitted to the arbitrator by the parties in writing. If no joint written stipulation of the issue is agreed to by the Union and the City, the arbitrator shall be empowered to determine and decide the issue raised by the grievance as submitted in writing at Step 1. The arbitrator shall be without power to make recommendations contrary to or inconsistent with any applicable laws or rules and regulations of administrative bodies that have the force and effect of law. The arbitrator shall not in any way limit or interfere with the powers, duties and responsibilities of the City under law and applicable court decisions. The decision of the arbitrator, if made in accordance with the jurisdiction and authority granted to the arbitrator pursuant to this Contract, will be accepted as final by the City, the Union and the employee(s), and all parties will abide by it.
- (E) Grievance settlements reached at Step 1, shall be in writing, shall have a limited application to the area of responsibility of the Appointing Authority and not precedent setting for the City. Grievance settlements reached at Steps 2 and 3 by the Union and the City shall be in writing, and shall be final, conclusive, and binding on the City, the Union, and the employees.
- (F) A grievance may be withdrawn by the Union at any time from the grievance procedure, and the withdrawal of any grievance shall not be prejudicial to the positions taken by the parties as they related to that grievance or any other grievances.

Section 11.6. Persons with Responsibilities under the Grievance Procedure and Scope of Authority.

The Union shall maintain a current list of Union officers, Chief Stewards and Stewards listed by departments and divisions. This list shall be furnished to the Director of the Department of Human Resources or designee together with revisions as changes occur. Persons whose names are not on this list shall not be recognized as officials of the Union for the purpose of this Article. Furthermore, the City emphasizes that all non-AFSCME supervisors have the responsibility for adjudicating grievances pursuant to the provisions of this Article. If requested to do so by the Union, the City shall provide a list of first-line non-AFSCME supervisors. Such responsibility shall prevail only over those employees assigned to that non-AFSCME supervisor. No employee in the bargaining unit shall have any authority to settle or respond to a grievance on behalf of the City.

Section 11.7. Time Off for Presenting Grievances.

- (A) An employee and his/her Chief Steward or other Union representative authorized to act in the place of the Chief Steward as provided in Article 6 (Floating Chief Steward, Union President or Vice President) shall be allowed time off from regular duties with pay for attendance at scheduled hearings and meetings under the grievance procedure with proper notification to their respective supervisors. Employees must provide their own transportation unless otherwise approved by their supervisor. The appropriate Union representative as provided in Article 6 shall have adequate time with pay for a proper investigation of each grievance as provided in Article 6.
- (B) The aggrieved employee and any necessary witnesses shall not lose any regular straight-time pay for time off the job while attending a grievance hearing, meeting or an arbitration hearing.

Section 11.8. Specific Types of Grievances.

- (A) Disciplinary Grievances. The right of any employee to file an appeal pursuant to Section 149-1 of the City Charter is specifically waived. If an employee or the Union elects to challenge disciplinary action under the grievance procedure, the grievance must be filed at Step 2.
- (B) Grievances with City-Wide Application. A grievance with city-wide application (i.e., involving a matter or issue of repetitive or general application) that may affect bargaining unit employees in different divisions and departments shall be brought directly to Step 2. Once a grievance on a matter or issue of repetitive or general application has been resolved by the parties on the merits (i.e., by a mutually agreed upon written settlement or an arbitration award on the merits), the Union will not advance to arbitration any further grievances on that particular matter or issue, unless the prior settlement or award is being violated.

No grievance settlement requiring the payment of money outside the routine payroll operations shall be considered to be authorized by or binding upon the City unless the settlement is authorized by the City Attorney's office.
- (C) Grievances Involving Withholding of Terminal Pay. A grievance involving a claim that the City has improperly withheld money allegedly owed to the City by the employee from the employee's final pay (whether it be a final paycheck, vacation pay, pay for sick leave bank or other terminal pay) shall be filed directly at Step 2 of the grievance procedure.
- (D) A grievance classified, as a "class action grievance" must contain the following in addition to the requirements of Section 11.4:
 - (1) A community of interest shared by two or more employees; and
 - (2) The classification of grieving employees; and
 - (3) The identity of who will represent the grievants at hearings.

- (E) Advance Step Filing - Summary. The following is a summary of grievances to be filed initially at Step 2 of the grievance procedure:
- (1) A grievance with city-wide application as provided in Section 11.8(B) above.
 - (2) A grievance involving the withholding of money from terminal pay as provided in Section 11.8(C) above.
 - (3) A grievance involving allegedly dangerous or unhealthful working conditions as provided in Section 12.1(D).
 - (4) A grievance involving a disciplinary appeal as provided in Section 10.4 and Section 11.8(A) above.
 - (5) A grievance involving alleged failure of the City to follow the procedural provisions set forth in the Injury Leave Article as provided in Section 22.6.
 - (6) A grievance alleging that a permanent or temporary change to work schedules or shifts is not reasonably related to operational needs as provided in Section 16.2(A) and (D), respectively.
- (F) Filing of Other Grievances. All other grievances must follow the entire grievance procedure as set forth in this Article 11, unless the parties mutually agree otherwise in writing for a specific case.

Section 11.9. Use of Mediation.

The parties acknowledge that they have used mediation processes in the past to expeditiously resolve backlogs of grievances pending Step 3 (arbitration) proceedings. The parties agree that they may utilize the services of a mediator in the future to resolve pending grievances and written reprimands that have been grieved through Step 2. The use of a mediator for such purposes shall be by mutual agreement of the parties as to an identified grievance or grievances and according to procedures mutually agreed to in writing in advance of the mediation process. The Union and City shall meet periodically to attempt to resolve matters prior to mediation or arbitration.

ARTICLE 12 - NO STRIKE OR LOCKOUT

Section 12.1. No Strike.

- (A) The services performed by the City employees included in this Contract are essential to the public's health, safety and welfare. The Union, therefore, agrees that it will not authorize, instigate, aid, condone or engage in any strike, work stoppage or other action at any time, which will interrupt or interfere with the operation of the City. No employee represented by the Union shall cause or take part in any strike, work stoppage, slowdown or other action, which will interrupt or interfere with the operation of the City.
- (B) In the event of a violation of this Article, the Union agrees to take affirmative steps with the employees concerned such as letters, bulletins, telegrams, and employees' meetings to bring about an immediate resumption of normal work.
- (C) A "strike" means concerted action in failing to report to duty; willful absence from one's position; stoppage of work; slowdown or abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment for the purpose of inducing, influencing or coercing a change in wages, hours or other terms and conditions of employment.
- (D) Stoppage of work by employees in good faith because of dangerous or unhealthful working conditions at the place of employment which are abnormal to the place of employment shall not be deemed a strike. The Union or an employee may file a grievance at Step 2 for immediate review in the event of a dispute over dangerous or unhealthful working conditions.

Section 12.2. Discipline of Strikers.

Subject to the protections provided to employees under Section 12.1(D), any or all employees who violate any of the provisions of this Article may be discharged or otherwise disciplined by the City. The failure to confer a penalty in any instance is not a waiver of such right in any other instance nor is it a precedent.

Section 12.3. No Lockout.

The City agrees that it will neither lockout employees nor will it do anything to provoke interruptions or prevent such continuity of performance by said employees insofar as such performance is required in the normal and usual operation of City services.

Section 12.4. Judicial Relief.

Nothing contained herein shall preclude the City from obtaining a temporary restraining order, damages or other judicial relief in the event the Union or any employees covered by this Contract violate any provision of this Article 12.

ARTICLE 13 - SENIORITY

Section 13.1. Seniority of Probationary Employees.

New hires shall have no seniority during their probationary period of employment, but after completion of their probationary period their seniority date shall be the date of hire used to compute their probationary period.

Section 13.2. Accumulation of Seniority while Disabled.

An employee who remains in paid status but is unable to work because of a job- or non-job-related injury or illness shall accumulate seniority. After ninety (90) days, the City shall conduct a hearing to determine the employee's ability to perform the essential functions of his/her classification.

Section 13.3. Role of Seniority in Filling Vacancies in Position Assignments within a Division.

When a vacancy in a job classification occurs within a division, the vacancy shall be filled from among employees in that job classification in that division as set forth below:

- (A) Position Assignments without Specialized Qualifications. Where the vacancy is a position without specialized qualifications and employees want to switch shifts, reporting locations or work schedules (i.e., different days off or different regular hours), classification seniority shall determine the filling of vacancies within the division.
- (B) Position Assignments with Specialized Qualifications. Vacancies within a division, where the particular job assignment requires specialized qualifications that are not shared by all employees in the job classification, shall be filled on the basis of management's evaluation of the specialized qualifications that correspond to the requirements, responsibilities and duties of the position as described by the division and associated specialized knowledge, skills, and abilities. Provided all of the above factors are equal, classification seniority shall determine which applicant is given the position in question. The Union may grieve the City's determination that a particular job assignment or position requires specialized qualifications. When a position is posted that has specialized qualifications, the special qualification will appear on the posting.

The term "vacancy" is defined as a position to be filled, as determined by management, that results from one of the following circumstances:

- (1) An employee has separated from a position and the Appointing Authority has decided to fill the position;
- (2) An increase in the total number of positions in the class;
- (3) A reallocation of a position as approved by the Civil Service Commission;
or

- (4) An increase in the total number of positions in a class on a specific shift or reporting location.

The term "Division" is defined as the Appropriation Unit for budgetary purposes.

An employee may exercise his/her classification seniority rights no more than once within a ninety (90) day period under this Section 13.3. This only applies to the employee granted the position.

Section 13.4. Seniority List.

The City will provide the Union with a seniority list of all employees of the bargaining unit upon request. Seniority lists shall contain the name, job classification, division, and date of classification entry of all employees of the bargaining unit. The City shall meet with the Union to review the seniority list whenever necessary to correct any errors.

Section 13.5. Seniority in Merged Job Classifications.

The classification seniority of employees in classifications which are merged by the Civil Service Commission shall be determined as provided herein. Where an employee has prior seniority in any of the merged classifications, the employee's new classification seniority date shall be a combination of the total time spent in each of the merged classifications.

ARTICLE 14 - TEMPORARY ASSIGNMENTS

Section 14.1. Transitional Return to Work.

The City agrees to make reasonable efforts to provide transitional return to work assignments for all employees who have sustained an occupational injury or illness or a reoccurrence/exacerbation of a preexisting condition or, in some cases, are returning from short-term disability leave. This Section 14.1 is not to be construed as requiring the assignment of transitional return to work in any case, but only that reasonable efforts to do so will be made. This will be done in accordance with the following:

- (A) During the time an employee is in a transitional return to work program, the employee will be assigned duties which the employee is capable of performing based upon the recommendation of the employee's attending physician. Such assignment shall not exceed ninety (90) days. Duties will be reviewed not less than every thirty (30) days and may be discontinued at any time.
- (B) Upon request of the City employees must participate in the transitional return to work program unless precluded from participation by their attending physician.
- (C) A transitional return to work assignment may be to a classification in a lower pay range and the employee's regular hourly rate of pay will not be reduced.
- (D) The terms of the transitional return to work arrangements shall be reduced to writing including the instructions of the employee's attending physician.

Section 14.2. Assignments to Work Out of Classification.

- (A) A temporary change of duty assignment is defined as any given situation wherein an employee is required to perform work outside his/her regular job duties above or below his/her normal duties.
- (B) Employees shall be selected for both regular and overtime temporary duty assignments based upon their dependability and ability to perform the work of the job to which they will be temporarily assigned. Where ability and dependability are relatively equal, then seniority within the job classification shall control.
- (C) Employees who are temporarily assigned duties of a classification assigned a lower wage rate shall retain their classification and current rate of pay. The provision regarding compensation for temporary change of duty assignments is found in Section 26.7.
- (D) Employees who receive a temporary assignment of this nature shall continue to accrue seniority within their current classification.
- (E) A temporary assignment to fill a permanent vacancy shall not exceed one hundred twenty (120) days.

ARTICLE 15 - LAYOFFS

Section 15.1. Responsibility.

The Civil Service Commission is responsible for the establishment and enforcement of the rules governing layoffs, except as amended in this Article. Both the City and the Union agree to strictly adhere to the rules in effect since April 1, 2002, as follows or as may be amended by the provisions set forth in this Contract.

Section 15.2. Notice to the Commission.

Whenever it becomes necessary because of a material change in duties, a reorganization or a shortage of work or funds, to reduce the number of full-time employees in any department of the City, the Appointing Authority shall file a notice with the Civil Service Commission at least thirty (30) days prior to the expected day of the layoff specifying the class(es) in which the layoff is to occur and the number of employees to be laid off in each class.

Section 15.3. Certification of Layoff.

The Civil Service Commission shall certify to the Appointing Authority the names of those full-time employees to be laid off as determined by Civil Service Commission Rules, and the procedures approved by the Commission Executive Secretary except as amended by the procedures set forth in this Article. Layoffs shall be by class and based on seniority, but in accordance with status and appointment type using the following categories:

- (A) Temporary or Seasonal employees
- (B) Provisional full-time probationary employees
- (C) Provisional full-time non-probationary employees

- (D) Permanent full-time probationary employees
- (E) Permanent full-time non-probationary employees

Employees in the category at the top of the list are to be laid-off first. No employees from a higher category can be laid-off until all employees in the lower categories have been laid-off. The Appointing Authority shall notify any laid-off employee(s) at least thirty (30) days prior to the effective date of the lay off.

Section 15.4. Bumping.

A laid-off employee may have bumping rights within the same class to another division within the same department, to a lower class within the same class series or to a class in the same job family in which he/she previously served and for which he/she is qualified. No laid-off employee may bump another employee in accordance with the provisions of this section, unless he/she has more seniority and is in the same or a higher category as listed in Section 15.3 above. A bumped employee has the same bumping rights as a laid-off employee.

Non-bargaining unit employees shall have no bumping rights into an AFSCME bargaining unit classification(s).

- (A) Same class. A laid-off full-time employee in a division shall have bumping rights within the same class against the least senior full-time employee in the department in the order set forth in Section 15.3 above.
- (B) Class series. If an employee has no opportunity to bump within the same class, then such employee shall have bumping rights within his/her division (if none, then within the department) against the least senior full-time employee holding a position in the next lower class within the series. If no bumping opportunity is afforded, the same right shall extend to the next and each lower class until the class series is exhausted.
- (C) Job family. If an employee has no bumping opportunity within the class series, then such employee shall have bumping rights within his/her division (if none, then within the department) against the least senior full-time employee holding a position in a lower class in the same job family if the laid-off employee previously served in the class and if he/she is presently qualified; however, no such bump may occur in the presence of an appropriate competitive eligible list unless, in accordance with Civil Service Commission Rules, the laid-off employee will have permanent status in the previous class. A "lower class" for purposes of this Subsection means any class which has a maximum rate of pay lower than the minimum rate of pay for the class of the laid-off employee.
- (D) Part-time. In the event the laid-off employee has no bumping rights to a full-time position under (A), (B) or (C) above, then such employee shall have bumping rights within the same class against the least senior part-time employee within the division, or if none, within the department.

Section 15.5. Eligible List Reinstatement.

The names of any laid-off permanent employees shall be placed at the top of the appropriate competitive eligible list, as provided in Civil Service Commission Rule VIII(C)(3), in order of

seniority, and shall be certified for appointment in any department in accordance with Civil Service Commission Rules when an Appointing Authority has a vacancy to fill. If the eligible employee at the top of the list was laid-off from that department, that person shall be appointed.

Section 15.6. Recall.

The names of any laid-off provisional employees or employees in noncompetitive classifications shall be placed on the appropriate recall list, in order of seniority, for a period of twenty-four (24) months. In the event that a vacancy in a department is to be filled in a class for which a recall list exists, then the appointment shall be made of the individual highest on the list who was laid-off from that department. Otherwise, appointment may be made as provided elsewhere by Civil Service Commission Rules. No recall list shall remain in effect after an eligible list for the class has been established.

Section 15.7. Limited Positions.

Notwithstanding the other provisions of this Article, if a limited position is to be eliminated and the employee in the position was appointed subject to the availability of work or funding, then that employee shall be terminated in accordance with Civil Service Commission Rule X(F)(1). A limited employee who is bumped shall have the same bumping rights as other employees.

ARTICLE 16 - HOURS OF WORK AND OVERTIME
--

Section 16.1. Normal Workweek and Workday.

- (A) Non-24 Hour Operations. The normal workweek for full-time employees shall be forty (40) hours of work in five (5) consecutive eight (8) hour shifts, exclusive of the time allotted for lunch periods.
- (B) 24-Hour Operations. In twenty-four (24) hour operations or where there is a continuous seven (7) day-a-week operation, made necessary because of the nature of the work, the normal workweek for full-time employees shall be forty (40) hours of work in five (5) consecutive days of eight (8) consecutive hours each day.
- (C) Refuse Collection Division. For the classifications of Refuse Collector, Refuse Collection Vehicle Operator (Automated), Refuse Collector and Vehicle Operator (Manual), Refuse Collector and Packer Operator and Refuse Collection Supervisor only in the Division of Refuse Collection, the normal workweek for full-time employees shall consist of five (5) consecutive days of eight (8) hours per day with no lunch break.

Section 16.2. Changes in Normal Workweek and Workday.

- (A) Permanent Changes to Normal Workweek and Workday.
 - (1) In situations where the City believes that alternate or flexible work schedules, different from those set forth in Section 16.1 above, are

needed for operational efficiency and effectiveness, the City will give the Union President and Chief Steward for the Department (where applicable) written notice of the proposed work schedule and a list of those job classification(s)/position assignment(s) affected at least fourteen (14) days in advance of any proposed change(s). If the Union wants to bargain about the proposed change(s), one representative from the City's Labor Relations Section and two representatives from the Department involved shall meet with the Union President, Regional Director or designee and Chief Steward in the affected Department (where applicable), to negotiate the proposed schedule changes as well as the impact of such change(s) on matters such as holidays, sick leave, vacation leave, etc. In the absence of an agreement being reached within the fourteen (14)-day period, the City may, at the end of the fourteen (14)-day period, implement its proposed work schedule.

- (2) The Union may file a grievance at Step 2 of the grievance procedure if it believes the schedule change is not reasonably related to operational needs. If an arbitrator finds in favor of the Union in such a grievance, the remedy shall be limited to directing the City to prospectively restore the pre-existing work schedule pending further negotiations and/or agreement on a different schedule.
 - (3) The process set forth in this Section 16.2(A) applies only to changes in work schedules or shifts that are of a permanent nature. "Permanent nature" is defined for purposes of this Section 16.2 to be periods of ninety (90) days or longer. No changes shall be made to work schedules or shifts unless they are of a permanent nature, except as provided elsewhere in this Article 16.
 - (4) Employees affected by any changes in work schedules or shifts as a result of the process set forth in this Section 16.2(A) shall be given fourteen (14) days prior notice of a permanent work schedule or shift change. Reassignment of employees to new or revised work schedules or shifts established as a result of the process set forth in this Section 16.2(A) shall be done in accordance with Article 13 (Seniority).
- (B) Establishing an Alternate Work Schedule for a Vacancy. When a vacancy occurs, the City may, before filling the vacancy, decide to establish an alternate work schedule for the vacant position without following the procedures set forth in Section 16.2(A). When this occurs, the City may hire a new employee or transfer a current employee, pursuant to Article 13, on the condition they accept the alternate work schedule as a condition of employment or as a condition of accepting transfer into the vacancy.
- (C) Temporary Change In Shift Assignment. When any full-time employee is scheduled for a shift other than that to which he/she is regularly assigned in multiple-shift operations, he/she shall be paid a minimum of four (4) hours of pay at time and one-half his/her regular rate unless he/she has been given at least

forty-eight (48) hours notice of a change in his/her regular shift assignment, in which case payment shall be at his/her regular hourly rate.

- (D) Temporary Change in Work Schedule. Temporary work schedule changes of less than ninety (90) days may be made in response to specific short-term operational requirements. Absent any unforeseen circumstances, the employee will be given seven (7) days prior notice of a temporary work schedule change. Such changes may be made without following the procedures set forth in Section 16.2(A). The Union may file a grievance at Step 2 of the grievance procedure if it believes the change is not reasonably related to operational needs.

Section 16.3. Overtime Eligibility and Pay.

- (A) Calculation of Daily Overtime. Overtime will be calculated from shift to shift. Overtime will be paid if an employee works more hours than the hours of his/her regular shift. Time and one-half will be paid for time worked beyond the employee's regular shift provided the employee has completed eight (or more, if applicable) hours of straight-time work that workday (for example, an employee working a normal workday of ten (10) hours, shall be eligible for daily overtime after actually working ten (10) hours in the workday). For purposes of this Subsection (A), the term "time worked" shall mean only actual work time, and shall not include any paid or unpaid time that is not actually worked, except for paid lunch periods in continuous operations as referenced in Section 16.7. Time and one-half will also be paid for call-backs as referenced in Section 26.5, regardless of whether the employee has actually worked eight (8) hours in the day.
- (B) Calculation of Weekly Overtime - On First Regular Day Off. Time and one-half will be paid for time worked on an employee's first regular day off provided the employee has accumulated forty (40) straight-time rate hours in paid status during the workweek. For purposes of this Subsection (B), paid status will include periods of Union leave without pay, but shall not include sick leave, injury leave or disability leave.
- (C) Calculation of Weekly Overtime - On Second Regular Day Off. Double time will be paid for time worked on an employee's second regular day off provided the employee has accumulated forty (40) straight-time rate hours in paid status during the preceding six (6) days. A fourth shift employee's second regular day off will start twenty-four (24) hours immediately preceding the start of the first regular shift of the next workweek. Alternative work schedules can establish when an employee's second regular day off occurs and therefore when double time pay will apply to overtime. For purposes of this Subsection (C), paid status will include periods of Union leave without pay, but shall not include sick leave, injury leave or disability leave.
- (D) Inapplicability of Overtime When Changing/Trading of Work Days by Mutual Consent. Time worked due to work schedules being changed at the request of the employee or trading days off by mutual consent of employees and the prior

consent of the Appointing Authority is not subject to overtime compensation, to the extent permitted by the Fair Labor Standards Act.

- (E) Inapplicability of Overtime for Scheduled Shift Changes. Time worked by employees who are subject to a regularly scheduled three (3) month shift change at the time a shift change is scheduled, or time worked by employees at the time a shift change is scheduled in a twenty-four (24) hour-a-day operation and/or a continuous seven (7) day-per-week operation, is not subject to the compensation set forth in this Section 16.3, unless subject to the overtime payment requirements established in the Fair Labor Standards Act.

Section 16.4. Distribution of Overtime.

- (A) Overtime Eligibility. Employees within the same classification and with the same work capabilities within the same reporting location who are participating in the overtime provisions shall have an equal opportunity to earn voluntary overtime pay. Classifications which include different work capabilities shall be identified to the Union prior to the formation of a separate overtime list. It is the Appointing Authority's burden to prove that work capabilities needed are different.

Employees desiring to work voluntary overtime shall so indicate in writing to their immediate supervisor. All employees who choose to participate in overtime will be given an equal opportunity to earn overtime on a continuing basis. The opportunity for overtime work shall be computed by totaling overtime earned plus overtime offered but declined. If overtime is cancelled by management the hours will not be charged. Post-training new hires, transferees, and those employees returning to the reporting location from an extended leave who desire to work voluntary overtime shall be initially assigned the highest number of overtime hours in the assignment unit in order to place them on the overtime equalization list. All overtime, whether in class or out of class, shall be recorded on the same overtime equalization list.

- (B) Overtime Distribution Procedures.
 - (1) On each occasion the opportunity to work scheduled overtime shall be offered to the employees desiring to work overtime who have the least number of overtime hours to their credit at that time. If an employee does not accept the assignment, the employee with the next fewest number of overtime hours to his/her credit shall be offered the assignment. This procedure shall be followed until the required number of employees has been selected for the overtime work.
 - (2) If an employee turns down overtime or is unable to respond when contacted for overtime, the number of hours offered to him/her shall be credited to his/her overtime hours. Employees who have declined to participate in the voluntary overtime shall be automatically charged for overtime hours worked in the classification at the reporting location.

- (3) Employees on military leave not exceeding twenty-two (22) eight (8) hour work days (176 hours) shall not be contacted or charged for overtime work during that period.
 - (4) An employee on leave shall not be contacted for voluntary overtime, but shall be charged for overtime work during such leave as long as the employee comes up for overtime work during that period. However, an employee on holiday; jury duty; vacation leave or compensatory time of three (3) workdays or less; or his/her regularly scheduled days off shall be contacted for voluntary overtime subject to the provisions of this Section 16.4.
 - (5) If an employee is not offered the opportunity to work overtime when qualified and entitled, he/she shall be offered the next opportunity to work overtime consistent with the terms of this Article. Those hours not offered when initially entitled shall not be included in hours credited when worked.
- (C) Posting of Overtime Equalization List. A record of the overtime hours worked and of overtime hours offered but not worked, by each employee, shall be posted on a bulletin board within the employee's general work area daily. Each time overtime is offered and charged the list will be updated.

Section 16.5. Overtime Scheduling.

- (A) Where practical, overtime shall be administered on a voluntary basis; otherwise, it shall be mandatory that each employee scheduled to work overtime must perform the job assignment within his/her given classification.
- (B) Mandatory Overtime. Mandatory overtime may be required when volunteer(s) cannot be found to work the overtime. An exception to the application of mandatory overtime scheduling shall be permissible when a valid reasonable request is made by an employee. Mandatory overtime shall be distributed in an equitable manner starting with the least senior employee on the first mandatory occasion. Thereafter, the next least senior employee shall be assigned to the next mandatory occasion, until all employees have worked a mandatory overtime assignment.
- (C) In cases of overtime scheduled as a result of holidays or extreme emergencies involving a departmental operation, it shall be the established procedure for the department or division head to confer with the employee's Union representative when available regarding a mutually acceptable work schedule.
- (D) Working overtime out of class in a lower classification shall be scheduled by using the lowest number of hours worked among persons with the ability and dependability to do the work.
- (E) Pre-scheduled overtime shall be offered no later than the end of the employee's workday prior to the overtime.

Section 16.6. Rest Periods.

- (A) All employees' work schedules shall provide for a fifteen (15) minute rest period during each half shift. The rest period shall be scheduled at the middle of each half shift whenever feasible. When practicable, rest periods shall be taken within the work area or in close proximity to the work area that shall afford no more than the allotted fifteen (15) minutes. Rest periods shall not be taken at the beginning or end of each half shift, and shall not be used to extend a lunch break.
- (B) Employees who for any reason work beyond their regular quitting time shall receive a fifteen (15) minute rest period before they start to work on the extended shift. In addition, they shall be granted the regular rest periods that occur during the extended shift.

Section 16.7. Lunch Period.

All employees shall be granted a lunch period during each full shift. Whenever possible the lunch period shall be scheduled at the middle of each full shift. Employees who work in a twenty-four (24) hour operation shall receive a paid lunch period; all other employees shall receive an unpaid lunch period. When there is an extension of the regular shift as a result of an emergency or scheduled overtime, a lunch period shall be granted when the extension exceeds four (4) hours.

Section 16.8. Tardiness.

Employees are required to be punctual at all times. A grace period of six (6) minutes from the shift starting time will be allowed without disciplinary action unless frequent abuse occurs.

Section 16.9. Reporting Off Work Procedure.

The failure of any employee to report off duty in any twenty-four (24) hour City operation at least one (1) hour before his/her scheduled starting time shall constitute away without leave for all scheduled hours which were not worked. All other employees shall report themselves off duty at least thirty-(30) minutes prior to their regularly scheduled starting time. Failure to so report shall constitute away without leave for all scheduled hours not worked. The provisions of this Section 16.9 shall not apply when it is impossible for the employee to so report due to circumstances beyond his/her control, provided that the employee will then report at the earliest opportunity followed by a written explanation of the circumstances which made it impossible for him/her to report as directed.

Section 16.10. Compensatory Time.

- (A) The amount of compensatory time earned may be calculated at the straight time rate, or in lieu of payment of overtime, by one and one-half (1-1/2) when time and one-half is applicable or by two (2) when double time is applicable by the number of hours actually worked on an authorized overtime basis. The compensatory time account balances shall be maintained in units of one-tenth of an hour.
- (B) Eligibility. A compensatory time account may be established for full-time employees. Compensatory time may only be earned in lieu of cash payment for authorized time worked on a premium basis. The employee may, at his/her

option, receive either cash payment or compensatory time for time worked on a premium basis.

- (C) The following conditions shall govern the use of compensatory time:
- (1) Compensatory time upon request by the employee may be taken by the employee at such time or times as may be approved by the Appointing Authority.
 - (2) An employee who is about to be separated from city service for any reason and who has an unused compensatory time account balance to his/her credit shall be paid such account balance upon separation. Such payment shall be calculated by multiplying the employee's regular hourly straight time wage rate by the number of hours in his/her compensatory time account upon separation.
 - (3) Any compensatory time account balance above eighty-(80) hours shall be paid off at the employee's hourly rate. Pay out of compensatory time over the approved balance will be paid once per year unless the Union and the Appointing Authority agree to a different pay-out schedule. The cut-off time established pursuant to this section shall be set no less than six (6) months in advance of the pay period selected. Notice of the date of the end of the selected pay period shall be posted within the Division and the Chief Steward shall be notified of the date.
 - (4) Notwithstanding the provisions of Subsection (C)(3) above, all compensatory time account balances for grant-funded positions shall be paid out by the end of the grant award period.
 - (5) No interest is to be paid by the City on any compensatory time account.

Section 16.11. No Pyramiding.

Compensation shall not be paid (nor compensatory time taken) more than once for the same hours under any provision of this Article or Contract.

The Appointing Authority shall allow the employee to take his/her birthday holiday on his/her birthday, or any other day within one (1) year of the employee's birthday, upon appropriate request by the employee, at least forty-eight (48) hours in advance of the leave, with approval of the Appointing Authority or designee. If an employee requests his/her birthday holiday less than forty-eight (48) hours in advance of the leave, the Appointing Authority or designee may approve the leave within his/her discretion. If the employee's birthday falls on February 29, the holiday, for the purpose of this Section 17.1, shall be considered as February 28 unless otherwise authorized by the Appointing Authority.

Section 17.2. When Holidays are Observed.

When a holiday falls on the first day of an employee's regularly scheduled days off, it shall be celebrated on the previous day; when a holiday falls on the second day of an employee's regularly scheduled days off, it shall be celebrated on the following day, except that at the time of a shift change which necessitates more than a two (2) day weekend, a holiday which falls on either of the first two (2) days shall be celebrated on the last previous workday, and a holiday which falls on any other day of such weekend shall be celebrated on the next subsequent workday.

Section 17.3. Holiday Pay and Holidays during Vacation Periods.

For each holiday observed (including the employee's birthday), a full-time employee will be excused from work with pay on such day at the discretion of the Appointing Authority. If one (1) of the holidays mentioned in Section 17.1 above occurs while an employee is on vacation leave, such day shall not be charged against vacation leave. Non-full-time employees will only be compensated for time actually worked on holidays.

Section 17.4. Extra Pay for Work on a Holiday.

When a full-time employee working a forty (40) hour workweek works on a day celebrated as an eight (8) hour holiday, in addition to his/her regular eight (8) hour holiday pay, he/she shall be paid at the rate of time and one-half for the first eight (8) hours worked. For time worked in excess of eight (8) hours on such holiday, he/she shall be compensated at the rate of time and one-half, unless the holiday worked falls on the second day of the employee's regularly scheduled days off, in which case he/she shall be compensated at the double-time rate.

Section 17.5. Eligibility Requirements for Holiday Pay.

Except as set forth below, to be eligible for holiday pay, an employee must have worked, been on vacation, military leave, compensatory time or sick leave on the full workday before and the full workday after the holiday, in addition to the full holiday if the employee is scheduled to work on the holiday as his/her regularly scheduled day or for overtime. The day before refers to the employee's last regularly scheduled workday. The day after refers to the regularly scheduled

workday following the day on which the holiday is celebrated. Employees returning from an extended illness the day after a holiday shall receive holiday pay.

Section 17.6. Shifts Eligible for Holiday Pay.

For the purpose of administering the provisions of this Article, holiday time shall apply to the shift beginning on the day which is celebrated as a holiday.

Section 17.7. Shift Worker Holidays in Continuous Operations.

Shift workers shall be guaranteed a minimum of five (5) holidays off during each calendar year. During November of each year such employees shall bid on the holidays which they desire to take off during the following calendar year. Such requests shall be granted in order of classification seniority within an operational unit based upon the operational needs of that unit and the City. If an employee does not bid all five (5) holidays, then the guarantee only applies to the number of holidays bid and awarded.

Section 17.8. Religious Holy Days.

An employee may charge religious holy days with the approval of the Appointing Authority to either (1) vacation, (2) earned compensatory time, (3) personal leave without pay, or (4) a regular day off which he/she is allowed to work.

Section 17.9. Holiday Pay for Alternative Work Schedules.

- (A) If an Appointing Authority maintains the alternative work schedule on a holiday week, the employee will be paid holiday pay for the hours of his/her regular scheduled shift. However, the Appointing Authority may adjust the work schedule for the holiday week. If so, then the employee will only receive eight (8) hours of holiday pay.
- (B) Current employees working under an alternative work schedule at the time this Contract is signed will continue to be paid holiday pay for the employee's regular scheduled shift.

ARTICLE 18 - PERSONAL BUSINESS DAY

Each bargaining unit member shall receive one (1) eight (8) hour Personal Business Day per vacation year as defined in Section 19.1 to conduct personal business that cannot be conducted outside of the regular workday. Part-time regular employees shall receive four (4) hours of leave annually. Days shall not accumulate. If notice is given at least forty-eight (48) hours in advance, no reason needs to be stated, and no documentation will be required. If notice of less than forty-eight (48) hours is given, the leave may be approved at the discretion of the Appointing Authority or designee. The day shall have no cash-out value. The Personal Business Day cannot be used the workday before or the workday after a holiday. The use of this Personal Business Day is subject to the usual operational need requirement.

ARTICLE 19 - VACATION LEAVE

Section 19.1. Vacation Year.

The vacation year shall end at the close of business on the last day of the first full pay period that begins in the month of January.

Section 19.2. Vacation Schedule and Accrual.

- (A) Each full-time employee working a forty-(40) hour workweek shall earn vacation in accordance with the schedule below. The vacation accrual schedule shall be as follows:

<u>Years of Total City Service</u>	<u>Hours Per Pay Period</u>	<u>Days Per Year</u>
Less than 3 years	3.077 hours	10 days
3 years but less than 6 years	4.924 hours	16 days
6 years but less than 13 years	7.077 hours	23 days
13 years but less than 20 years	8.000 hours	26 days
20 years but less than 25 years	8.616 hours	28 days
25 or more years	9.231 hours	30 days

- (B) Vacation accrual rates are based on total full-time City service for all employees, including prior full-time service with the City of Columbus. In addition, for employees hired prior to July 5, 1987, vacation accrual rates shall be based on the total of all periods of full-time employment with the City, the State of Ohio and any political subdivision of the State. However, any employee who has retired from the State of Ohio or any of its political subdivisions, including the City of Columbus, and is or was re-employed or hired by the City of Columbus before, on or after July 5, 1987, shall not have prior full-time service with the State of Ohio or any of its political subdivisions, including the City of Columbus, recognized for purposes of determining the vacation accrual rate.
- (C) If applicable, requests for recognition of periods of full-time service with the State of Ohio and its political subdivisions for accrual rate purposes shall be made in writing and forwarded to the City Auditor through the Appointing Authority before adjustments can be made to the vacation accrual rate. Adjustments to vacation accrual rates, based on previous full-time employment with the State of Ohio or political subdivisions of the State, as specified herein, shall be applied prospectively to be effective the first full pay period following the verification by the Appointing Authority to the City Auditor.
- (D) Any periods of time in unpaid status of more than eight (8) hours, as outlined in Section 19.4, will not be included in the computation of City service for the purpose of this Section 19.2.

- (E) This computation will be used only for the purpose of determining the rate at which vacation is earned.
- (F) The provisions of this paragraph shall be prospective only and shall be in lieu of any prospective or retrospective application of Section 9.44 of the Ohio Revised Code.

Section 19.3. Maximum Vacation Carryover/Payout.

Any vacation balance in excess of the amounts listed below shall become void as of the close of business on the last day of the first full pay period that begins in the month of January of each year:

<u>Years of Total City Service</u>	<u>Maximum Vacation Balances</u>
Less than 3 years	160 hours (20 days)
3 years but less than 6 years	256 hours (32 days)
6 years but less than 13 years	368 hours (46 days)
13 years but less than 20 years	416 hours (52 days)
20 years but less than 25 years	448 hours (56 days)
25 or more years	480 hours (60 days)

At the end of the last pay period in the vacation year, employees may be paid for any vacation balances in excess of the maximums fixed by the above schedule upon certification by the Appointing Authority to the City Auditor and the approval of the City Council, that due to emergency work requirements, it is not in the best interests of the City to permit the employee to take vacation leave which would otherwise be forfeited as provided in this Section 19.3.

Section 19.4. Eligibility Requirements for Vacation Accrual.

No vacation credit shall be allowed for any employee working a forty (40) hour workweek for any pay period in which such employee is off duty and not in paid status for more than eight (8) hours of regularly scheduled work; except that when an employee is required to report for work and does so report but is denied work because of circumstances beyond his/her control, his/her absence from work for the balance of that workday shall not be construed as unpaid work status for the purpose of this Article.

Section 19.5. Scheduling Vacations.

- (A) All vacation leaves shall be taken at such times as may be approved by the Appointing Authority. Vacation leave may be taken in increments as small as one-tenth (1/10) of an hour with the approval of the Appointing Authority. Previously approved vacations may be canceled due to unforeseeable and exigent operational needs.
- (B) For new hires or rehires, no vacation leave may be granted until the employee has accrued thirteen pay periods of vacation hours in continuous active City service at the rate of vacation accrual appropriate for that employee.

- (C) The determination of preferences for the purpose of scheduling vacations shall be based upon classification seniority within the operating unit.

Section 19.6. Vacation Payoff at Time of Separation.

A full-time employee with more than thirteen (13) pay periods of vacation accrual in paid status who is about to be separated from City service through discharge, resignation, retirement or layoff and who has unused vacation leave to his/her credit, shall be paid in a lump sum for each hour of unused vacation leave (less any amounts owed to the City by the employee) in lieu of granting such employee a vacation leave after his/her last day of active service with the City, provided, however, that such payment shall not exceed the maximum number of vacation hours outlined in Section 19.3.

Section 19.7. Vacation Payoff at Death.

Notwithstanding the provisions of this Article, when an employee dies while in paid status, any unused vacation leave to his/her credit shall be paid to the surviving spouse, less applicable withholding and any amounts owed by the employee to the City. In the event that the employee has no surviving spouse, said unused vacation leave shall be paid to the employee's estate.

ARTICLE 20 - SICK LEAVE

Section 20.1. Sick Leave Entitlement.

Each full-time non-seasonal employee employed at the beginning of the first day of the first pay period of the year shall receive ninety-six (96) hours of sick leave with pay (hereinafter referred to as Sick Leave Entitlement).

Each full-time, non-seasonal employee hired on or after the first pay period of each year shall, on the date of hire receive his/her current sick leave with pay for the remainder of that payroll year computed as follows: 3.692 hours for each pay period in the year of hire, commencing with the first full pay period which occurs on or after the date of hire. However, for each pay period in which an employee is in unpaid status for more than eight (8) hours, 3.692 hours shall be deducted from his/her paid sick leave entitlement.

When an employee is required to report to work and does so report but is denied work because of circumstances beyond his/her control, absence from work under these circumstances shall not be considered as unpaid work status for purposes of this Section.

If an employee's sick leave entitlement is exhausted and the employee is in unpaid status, and therefore no deduction from sick leave entitlement can be made, the employee shall be considered absent without leave unless the employee applies for unpaid personal leave and such leave is granted by the City.

Should an employee voluntarily move from full-time non-seasonal status to part-time or seasonal status during a calendar year in which he/she is eligible for sick leave, the employee shall retain his/her sick leave balance for the number of pay periods months he/she was in full-time status, but 3.692 hours shall be deducted from his/her paid sick leave account for each full pay period in which the employee is in part-time or seasonal status. No such deduction will

apply to employees who are laid off and are compelled to bump into a part-time or seasonal position to retain continued employment.

Section 20.2. Eligible Uses and Procedures.

- (A) Sick leave with pay shall be allowed for full-time employees only in the following situations:
 - (1) Illness of, or injury to, the employee, whether work or non-work related.
 - (2) Physical, dental or mental consultation or treatment of the employee by professional medical or dental personnel, whether work or non-work related.

 - (5) Maternity, paternity, and adoption leave for employees.
 - (6) Death of immediate family member for up to five (5) days per instance. For the purposes of this Subsection, immediate family shall be defined as including the employee's spouse, domestic partner provided the terms of Ordinance No. 1077-2010, as amended, are met, child, step-child, foster child, brother, sister, parent, grandparent, grandchild, father or mother-in-law, son or daughter-in-law, brother or sister-in-law, stepfather or mother, step-sibling, a legal guardian or other person who stands in the place of a parent. Employees may also elect to use compensatory time or vacation leave instead of sick leave because of a death in the immediate family, or may use a day of compensatory time or vacation leave to attend the funeral of an Aunt or Uncle.
- (B) Any leave which is granted under this Article 20 for reasons permissible under an FMLA leave as provided in Section 24.7 shall be charged as an FMLA leave and shall be subject to the twelve (12) week per year limitation for the length of an FMLA leave.
- (C) Any employee scheduled to work on a holiday, designated in Article 17 of this Contract, who reports sick shall be charged the number of sick leave hours appropriate for his/her workday for the holiday, and further shall be ineligible for holiday pay under the provisions of Section 17.5 of this Contract. When an employee is absent due to illness on the workday before or the workday after a

holiday, and the holiday is celebrated on a regularly scheduled workday, he/she shall be charged the number of sick leave hours appropriate for his/her workday for the holiday. The day before refers to the employee's last regularly scheduled workday occurring before the holiday. The day after refers to the regularly scheduled workday following the day on which the holiday is celebrated. However, no charge will be made under this Section 20.2 for sick leave on the holiday when the employee has been on sick leave the day before and the day after the holiday.

- (D) Sick leave, when used, shall be paid at an hourly rate equal to the employee's regular straight time wage in effect at the time of the usage. No sick leave with pay will be allowed for increments of less than one tenth (1/10) of an hour.

Section 20.3 Sick Leave Documentation and Suspected Sick Leave Abuse.

If an employee has sufficient sick leave accruals, and there is no evidence of sick leave abuse, the Appointing Authority shall grant sick leave upon the written request of the employee. In cases of extended illness, that is, illness which lasts three (3) or more consecutive workdays, or suspected abuse, as determined by the Appointing Authority or designee, the Appointing Authority or designee may require evidence as to the adequacy of the reason(s) for an employee's absence during the time for which sick leave is requested. Any sick leave use protected by the Family and Medical Leave Act (FMLA) shall not be considered as sick leave abuse.

- (A) Sick leave abuse may be indicated by any or all of the following:
 - (1) Excessive use of sick leave within a twelve (12) month period which has not been substantiated by a physician's or other licensed health care provider's statement;
 - (2) Use of sick leave as soon as it has been credited to an employee's sick leave balance;
 - (3) Consistent use of sick leave on the same day of the week;
 - (4) Consistent use of sick leave on the day(s) before and/or after regularly scheduled days off or holidays.
 - (5) Falsification or misrepresentation of the reason(s) for an employee's absence;
 - (6) Low sick leave balances in relation to an employee's length of service; and
 - (7) Being in unpaid status for whole or part of a day, which absence is not covered by the FMLA.
- (B) If there are one or more indicators of sick leave abuse, the Appointing Authority or designee shall notify the employee, in writing, that he/she will be required to provide documentation from a physician or other licensed health care provider for

each use of sick leave until further notice, and the reasons for that requirement. The Appointing Authority or designee shall review the situation not longer than every one hundred twenty (120) days to determine if the problem has been abated. Upon receipt of the written notice, the employee may request a meeting with the Appointing Authority or designee to discuss the requirement to provide such documentation. The employee may, upon request, be accompanied by a Union representative at such meeting.

- (C) Failure to correct sick leave abuse or provide medical documentation when required to do so may result in disciplinary action consistent with the provisions of Article 10 of this Contract.
- (D) Falsification of a physician's or other licensed health care provider's statement may also be grounds for disciplinary action, up to and including dismissal.
- (E) If the Appointing Authority or designee questions the reason(s) offered by the employee for his/her sick leave, the Appointing Authority or designee may require the employee to be examined by a licensed physician identified by the Appointing Authority or designee. Failure to submit to the examination shall constitute grounds for disciplinary action.
- (F) Each Appointing Authority or designee shall develop a procedure for his/her department to implement the provisions of this section.

Section 20.4. Sick Leave Reciprocity.

- (A) Entitlement. During January of each year, each full-time employee has the option of receiving payment in cash for unused sick leave hours at the end of the preceding fiscal year, provided such employee was entitled to sick leave benefits during all of the twenty-six pay periods of the previous year and is in paid status or on authorized leave without pay, based on the following calculation table:

CASH BENEFIT CALCULATION TABLE

Hours of Sick Leave Taken (New Sick Accrual or Old Bank)	Cash Benefit Hours Allowed
0-8	48
9-16	40
17-24	32
25-32	24
33-40	16
Greater than 41	0

Any disallowance of sick leave credit by the Appointing Authority as provided for in Section 20.1, and any hours paid on disability leave will be considered as hours of sick leave taken during the year for the purpose of computing paid sick

leave hours available to an employee under the reciprocity plan. If an employee uses five (5) days or less of injury leave (regardless of the number of claims) during the year, this leave shall not be considered sick leave taken for computing sick leave reciprocity. If an employee uses more than five (5) days of injury leave, all injury leave used during the year will be considered hours of sick leave taken in computing sick leave reciprocity.

- (B) Procedures. Each full-time employee who qualifies for sick leave benefits as of the first pay period of each year shall notify the Appointing Authority by February 1 of that fiscal year, on a form to be provided by the City, if the employee wishes to participate in the reciprocity plan. The payment will be made in January following the fiscal year. The payment will be calculated at the employee's hourly rate in effect as of the final pay period of the fiscal year preceding payment. The period to be utilized in calculating sick leave reciprocity benefits shall be the fiscal year for which payment is to be made. Any employee may withdraw from the plan prior to the end of the twenty-fourth (24th) pay period of each fiscal year upon the written notification to the Appointing Authority.
- (C) Effect on Unused Sick Leave. The number of reciprocity hours paid each employee will be subtracted from his/her total accrued unused sick leave. The remainder of his/her unused sick leave will be carried forward each year as his/her current sick leave account.
- (D) An employee who is eligible to participate in the provisions of this Section 20.4 is limited to and must elect only one of the following options:
 - (1) Not to participate in any of the provisions.
 - (2) To participate solely in the provisions of Paragraphs (A), (B), and (C) of this Section.
- (E) An election to convert unused sick leave to cash occurs during the payroll year and payment for those unused hours will be made in January following the payroll year.

Section 20.5. Carryover Sick Leave Balances from Certain Prior Public Employment.

Employees who have been employed in the classified or unclassified Civil Service or as teachers, school employees, firefighters, peace officers or state highway patrol officers of the State of Ohio or any of its political subdivisions shall be credited with any certified, unused and unpaid balance of accumulated sick leave earned in such service when such persons are employed in the classified or unclassified Civil Service of the City on or after April 1, 1987, provided employment with the City occurs within ten (10) years after leaving his/her prior position when such action occurs after January 1, 1972. Such unused balance shall then be subject to all other provisions of this Article, with the exception of Section 20.7.

Section 20.6. Old Sick Leave Bank.

The old sick leave bank shall represent the employee's balance of unused sick leave as of the effective date of the Contract that went into effect in April 1987.

- (A) Any sick leave hours in this bank, when used, shall be paid on the basis of the employee's straight-time hourly rate in effect on March 31, 1987.
- (B) Sick leave may be withdrawn from the old sick leave bank, at the value provided in this Section 20.6 for the sick leave purposes outlined in Section 20.2(A), provided the employee has exhausted his/her current sick leave accrual to date. An employee may withdraw from the old sick leave bank the number of hours or tenths of an hour necessary to compensate the employee at not greater than his/her current regular straight time hourly rate for approved sick leave time.
- (C) An employee who experiences a break in continuous City service through retirement, discharge, resignation or layoff shall receive pay for unused sick leave or, in lieu thereof, may elect to transfer such sick leave to another governmental unit. Beginning with the effective date of this Contract and for the duration of the Contract, if the employee elects payment, his/her account balance shall be valued as of the time of the break in continuous service at one hundred percent (100%) of the amount obtained by multiplying the number of unused sick leave hours by the employee's straight-time hourly rate in effect on March 31, 1987. At such time, the employee who is not transferring such sick leave to another governmental unit must elect one (1) of the following options: (a) immediate payment in a single lump-sum; or (b) two (2) equal installment payments, the first to be paid at the time of retirement or separation and the second to be paid one (1) year thereafter; or (c) three (3) equal installment payments, the first to be paid at the time of retirement or separation, the second to be paid one (1) year thereafter, and the third to be paid one (1) year after the second payment. However, the City must approve those employee elections which provide for payment in other than a single lump-sum.
- (D) For the purposes of this Section 20.6, all sick leave in an employee's old sick leave bank that represents sick leave transferred from another governmental unit shall be valued using the unit's sick leave separation payment plan existing on March 31, 1987 and the employee's regular straight-time hourly wage as of March 31, 1987.

Section 20.7. Payment of Sick Leave Balances at Time of Separation.

- (A) An employee who experiences a break in continuous City service through discharge, resignation, retirement or layoff may elect to receive pay for accumulated current sick leave or to transfer said sick leave to another governmental unit, provided such election is made within a period of not more than one (1) year. If an employee elects to receive a lump-sum payment, said payment shall be computed as follows:
 - (1) One (1) hour pay for each four (4) hours of unused sick leave in the new bank for all accruals up to and including nine hundred and fifty (950) hours.

- (2) One (1) hour of pay for each three (3) hours of unused sick leave in the new bank for all accruals from nine hundred and fifty-one (951) hours up to and including seventeen hundred and fifty (1,750) hours.
 - (3) One (1) hour pay for each two (2) hours of unused sick leave in the new bank for all accruals from seventeen hundred and fifty-one (1,751) hours up to and including twenty five hundred and fifty (2,550) hours.
 - (4) One (1) hour pay for each hour of unused sick leave in the new bank for all accruals in excess of twenty five hundred and fifty (2,550) hours.
 - (5) Notwithstanding the provisions of Paragraph (1) above, no payment of any unused sick leave upon separation shall be made to any employee with less than four hundred (400) hours accrued sick leave credit. However, an employee who is temporarily laid-off for thirty-five (35) calendar days or less and who has less than four hundred (400) hours of accrued sick leave at the time of layoff, shall be credited at the time of rehire with the actual number of sick leave hours accrued prior to the temporary layoff of thirty-five (35) calendar days or less.
- (B) The City reserves the right to deduct from any final sick leave payment to the employee any amounts which the employee owes to the City.

Section 20.8. Payment of Sick Leave Balances at Death.

If an employee dies while in paid status, his/her unused sick leave account balance (less applicable withholding and any amounts owed by the employee to the City) shall be paid to his/her surviving spouse. In the event that the employee has no surviving spouse, said balance shall be paid to the employee's estate. The employee's account balance shall be valued as of the time of death in the manner as set forth in this Article for new and old sick leave, as applicable, less any amounts owed by the employee to the City.

ARTICLE 21 - DISABILITY LEAVE

Section 21.1. Eligibility and Waiting Period.

- (A) The City will provide, at no cost to employees, a disability program covering full-time employees for non-work related illnesses and injuries. Employees will be eligible for this benefit on the first of the month following one (1) year of continuous City service.
- (B) This program shall provide for payment to the employee from the twelfth (12) day of accident or illness for a maximum of twenty-six (26) weeks of disability benefits within a 365-day period.

Section 21.2. Application Procedure and Deadlines.

The proper forms must be submitted to the City, through the Division Personnel Officer or designee, no later than forty-five (45) days from the commencement of the disability. In the event Injury Leave and/or Workers' Compensation benefits were denied and the employee chooses to apply for short-term disability benefits for the same disabling condition, the employee must submit the proper forms for short-term disability benefits within thirty (30) days of the occupational injury denial.

Section 21.3. Disability Benefits.

Through December 31, 2014, disability benefits shall be based on eighty-one percent (81%) of the employee's standard gross wages. Effective January 1, 2015 and for any new period of disability leave that begins thereafter, the disability benefits shall be based on eighty-one percent (81%) of the employee's standard gross wages for the initial thirteen (13) weeks of disability benefits within a 365-day period. The remaining thirteen (13) weeks of disability benefits within a 365-day period shall be based on seventy percent (70%) of the employee's standard gross wages. The applicable tax rates will be deducted. The employee may, if he/she so desires, elect to use all, or part of, his/her accumulated but unused sick leave in order to make up any difference between one hundred percent (100%) of his/her gross wages and the amount which he/she receives under the disability program, provided that all new sick leave accruals are exhausted before an employee may use the available balance in his/her old sick leave bank. If an employee exhausts all sick leave benefits, other approved leave may be granted by the Appointing Authority. If, while receiving disability payments, the employee performs work for the City, the amount of payment under the disability program shall be reduced by the compensation which he/she receives during that time period. If the employee is capable of performing his/her regular duties or transitional duties, such duties are available and the employee refuses to return to work, disability benefits shall not be paid. Any insurance premium not paid during disability leave must be brought current upon return from leave.

Section 21.4. Limitations and Fraudulent Claims.

No disability payments shall be made to any employee who is working for another employer, working in self-employment and/or also receiving temporary total benefits. Fraudulent actions automatically preclude employees from receiving any disability benefits. If a payment is made pursuant to a fraudulent claim, the employee shall repay the City immediately.

Section 21.5. Continued Contact with Division and Return to Work Notification.

An employee on disability leave shall maintain biweekly contact with the division personnel officer or designee during the period of time they are disabled. This requirement may be modified in writing by the personnel officer for extended leaves. An employee shall notify the personnel officer or designee at least seven (7) days before his/her expected return to work date to reconfirm that date.

Section 21.6. Ninety (90)-Day Fitness Hearing.

After ninety (90) days, the City may conduct a hearing to determine the employee's ability to perform the essential functions of his/her classification.

Section 21.7. Coordination with FMLA Leave.

Any disability leave which is granted for reasons permissible under an FMLA leave shall be subject to the twelve (12) week per year limitation for the length of an FMLA leave.

Section 21.8. Continuation of Certain Benefits while on Disability.

While an employee is paid disability benefits pursuant to this Article, vacation accruals shall cease. During the period in which an employee receives disability payments, he/she shall suffer no reduction in his/her paid sick leave accrual set forth in Article 20 of this Contract, as applicable. Holidays shall be paid at the disability benefit rate as set forth in Section 21.3. Medical, dental, drug, vision, and life insurance shall continue uninterrupted until the employee is no longer on the disability program.

ARTICLE 22 - INJURY LEAVE

Section 22.1. General Scope of Benefits and Eligibility for Injury Leave.

The injury leave program is a benefit intended to cover employees injured on the job, which is separate and distinct from any Workers' Compensation benefits. Injury leave will be approved according to the provisions of this Contract, and the rules and policies of the Human Resources Director or designee and the Board of Industrial Relations. Workers' Compensation laws, rules, and court decisions do not apply to the injury leave program. All full-time and part-time employees shall be allowed injury leave with pay up to a maximum of sixty (60) workdays per calendar year for on-the-job injuries, not to exceed a total of one hundred twenty (120) workdays per injury, for on-the-job injuries that meet the requirements set forth in this Article. The one hundred twenty (120) day total shall apply to injury leave taken on or after April 1, 1990, and any injuries (and any recurrences of the same injuries) occurring prior to January 1, 2009.

For all injuries that occur on or after January 1, 2009, all full-time and part-time employees shall be allowed injury leave with pay up to a maximum of fifty (50) workdays per calendar year for on-the-job injuries, not to exceed a total of one hundred (100) workdays per injury, for on-the-job injuries that meet the requirements set forth in this Article. The one hundred (100) day total shall apply to injuries (and any recurrences of the same injuries) occurring on or after January 1, 2009.

For all injuries that occur on or after January 1, 2010, all full-time and part-time employees shall be allowed injury leave with pay up to a maximum of forty (40) workdays per calendar year for on-the-job injuries, not to exceed a total of eighty (80) workdays per injury, for on-the-job injuries that meet the requirements set forth in this Article. The eighty (80) day total shall apply to injuries (and any recurrences of the same injuries) occurring on or after January 1, 2010.

Section 22.2. Deadline for Reporting Injury.

Injuries, both original and recurrent, must be reported to the employee's immediate supervisor no more than two (2) working days after such injury occurs.

Section 22.3. Payment for Absence on Day of Injury.

Whenever an employee is required to stop working because of an injury or other service connected disability, he/she shall be paid for the remaining hours of that day or shift at his/her regular rate, and such time shall not be charged to leave of any kind.

Section 22.4. Deadline for Submitting Medical Documentation for Original and Recurrent Injuries.

All medical documentation, supporting documentation, and a report of the cause of all injuries, whether original or recurrent, must be submitted by the employee to the employee's immediate supervisor within fourteen (14) days from the date the injury occurs. Signatures of the employee's immediate supervisor, the Division Administrator, and the Appointing Authority are required thereafter. Claims are to be submitted to the Human Resources Department within a total of twenty-eight (28) days from the date the injury occurs (provided, however, that an employee's eligibility for injury leave shall not be prejudiced by a delay in filing caused by supervisors if the employee has complied with his/her fourteen (14) day filing deadline). If the employee is physically unable to comply with the fourteen (14) day filing deadline or the medical documentation submitted by the employee is inadequate, the employee will be given an additional fourteen (14) days to submit adequate documentation.

Section 22.5. Determination by Director of Human Resources and Related Limitations and Procedures.

- (A) Director of Human Resources Approval Required. Injury leave with pay shall be granted to an employee only for injuries determined by the Director of the Human Resources Department or designee as caused by the performance of the actual duties of the position. No employee shall be granted injury leave with pay unless the Appointing Authority has in his/her possession written authorization signed by the Director of the Human Resources Department or designee indicating the approximate length of the leave. If, in the judgment of the Director of the Human Resources Department or designee, the injury is such that the employee is capable of performing his/her regular duties or transitional duties during the period of convalescence, he/she shall so notify the Appointing Authority in writing and deny injury leave with pay.
- (B) Medical Examination/Documentation. The City may require an independent medical examination for any employee requesting injury leave, at the City's expense. No employee on injury leave shall be returned to work without the written approval of an attending physician. The employee is required to provide continuing medical documentation prior to the estimated return to work date, to ensure uninterrupted injury leave coverage. All such documentation must be submitted to the appropriate Department or Division Human Resources representative.
- (C) Duty to Reapply for Recurrence or Relapse. If there is a recurrent injury during working hours or a relapse during recovery or ongoing treatment, the employee must request approval for each instance of injury leave.
- (D) Continued Contact with Division and Return to Work Notification. An employee on injury leave shall maintain biweekly contact with the division personnel officer or designee during the period of time he/she is injured. This requirement may be modified in writing by the personnel officer for extended leaves. An employee shall notify the personnel officer or designee at least seven (7) days before his/her expected return to work date to reconfirm that date.

- (E) Forty (40) Day Fitness Hearing. After forty (40) workdays, the City may conduct a hearing to determine the employee's ability to perform the essential functions of his/her classification.
- (F) Fraudulent Claims. Fraudulent actions automatically preclude employees from receiving injury leave benefits and, if any benefits are paid pursuant to a fraudulent claim, they shall be repaid immediately and/or may be withheld from an employee's final pay upon termination.
- (G) No Outside Employment. No injury leave payments shall be made to any employee who is working for another employer, working in self-employment, and/or receiving temporary total benefits.
- (H) Limitation on Recreational Activities. In addition, no injury leave payment shall be made to any employee engaged in recreational activities when the physical demands of engaging in the recreation conflict with the approved injury/medical condition.
- (I) Coordination With FMLA Leave. Any injury leave which is granted for reasons permissible under an FMLA leave shall be subject to the twelve (12) week per year limitation for the length of an FMLA leave.
- (J) Vocational Rehabilitation. If the Physician of Record indicates an employee is medically eligible to participate in vocational rehabilitation, the employee shall agree to participate in the Bureau of Workers' Compensation voluntary vocational rehabilitation program. In the event the employee chooses not to participate, the Appointing Authority will be notified in writing and injury leave with pay will be denied.

Section 22.6. Board of Industrial Relations Proceedings.

Any injured employee may appeal the decision of the Director of the Human Resources Department or designee by written notice to the Board of Industrial Relations within ten (10) days of notification that injury leave has been denied. The Board of Industrial Relations shall render a written decision within thirty (30) days after the close of the employee's hearing. The Board of Industrial Relations, at the City's expense, may require an employee to be examined by a physician of the Board's choice. The Board of Industrial Relations decision shall be final. The employee may appeal the Board's decision to the Franklin County Court of Common Pleas. Appeals of injury leave denials cannot be grieved through the grievance procedure, with the sole exception of allegations that the City has not adhered to procedural provisions expressly set forth in the written provisions of this Article 22. Such a grievance shall be filed at Step 2 of the grievance procedure.

Section 22.7. Use of Other Leaves Pending Decision on Injury Leave.

Pending a decision by the Director of the Human Resources Department or designee, an employee applying for injury leave may be carried on sick leave, vacation leave or compensatory time with pay, in that order, which shall be restored to his/her credit upon certification by the Director of the Human Resources Department or designee that injury leave has been approved. If injury leave is not certified by the Director of the Human Resources Department or designee, the employee will be charged sick leave, vacation leave or

compensatory time, in that order, for the time used or charged leave without pay after the employee's sick leave, vacation leave, and compensatory time are exhausted.

Section 22.8. Use of Injury Leave for Medical Examinations/Treatment and Certain Related Hearings.

Pursuant to rules established by the Director of the Human Resources Department or designee, time off for the purpose of medical examination, including examinations by the Bureau of Workers' Compensation, and/or treatments resulting from an injury approved under the injury leave program, shall be charged to injury leave. A maximum of four (4) hours of injury leave shall be allowed per scheduled physician's appointment and/or treatment resulting from an on-the-job injury. An employee will be retained in his/her current pay status during duty hours at the time of Bureau of Workers' Compensation hearings or Industrial Relations Board hearings if the employee provides his/her immediate supervisor with proof of hearing notice prior to the date of hearing. The Director of the Human Resources Department or designee may approve an employee's request for injury leave of greater than four (4) hours for a scheduled physician's appointment or for treatment resulting from an on-the-job injury if the Director of Human Resources or designee determines that such request is supported by medical documentation. However, such medical documentation must be submitted to the Director of Human Resources or designee by the employee prior to such appointment and/or treatment in order to be considered.

Section 22.9. Continuation of Benefits while on Injury Leave.

While an employee is on approved injury leave with pay, sick leave entitlement and vacation accruals, PERS contributions and all employee benefits shall continue uninterrupted and the City shall maintain applicable insurance benefits for the employee until such time as the employee returns to duty or is terminated from employment. Upon proof that an employee is receiving payments in lieu of wages from the Ohio Bureau of Workers' Compensation, sick leave entitlement and vacation accruals and all applicable insurance benefits shall continue uninterrupted until the employee returns to duty or is terminated from employment. Any insurance premium not paid during injury leave must be brought current upon return from leave.

Section 22.10. Extension of Injury Leave in Certain Circumstances and Repayment from Workers' Compensation.

If an employee who has been granted injury leave does not begin receiving payments in lieu of wages from the Ohio Bureau of Workers' Compensation by the time the injury leave has been exhausted (i.e., after forty (40) workdays), and the employee has filed a timely claim under the Ohio Workers' Compensation laws for such payment, then the City shall pay the employee seventy-two percent (72%) or sixty-six and 2/3 percent (66-2/3%), whichever is applicable, of his/her wages until such time as payments from the Bureau are received or the claim is denied by a Staff Hearing Officer of the Industrial Commission of Ohio. In any instance of payment by both the City and the Ohio Bureau of Workers' Compensation for the same day or days, the employee shall promptly provide full reimbursement to the City as determined by the City unless the City has received payment directly from the Bureau of Workers' Compensation. The employee will be required to execute any necessary forms with the Ohio Bureau of Workers' Compensation to effectuate payment to the City.

Section 22.11. Deadline for Application for Disability Following Exhaustion of Injury Leave.

In the event the employee has been denied all remedies through injury leave and Workers' Compensation, the employee has thirty (30) days to file for short-term disability benefits.

Section 22.12. Reopener.

The parties agree that this Article 22 will be reopened if either of the following two actions occur:

- (A) The City opts to self insure.
- (B) The Bureau of Workers' Compensation (BWC) changes its rating methodology in such a way as to negatively impact the injury leave program.

Upon notice to the other party, the parties shall meet within fifteen (15) days to begin negotiations for successor language. Impasse reached in this section shall be governed by applicable State Employment Relations Board (SERB) law.

Active duty does not include inactive duty training (e.g. unit training assemblies). Section 23.3. Examination Leave.

Provisional employees shall be permitted time off with pay to participate in City Civil Service tests for their current position. All employees shall be permitted time off with pay to participate in City Civil Service tests for promotions (i.e., testing for a higher rated job classification than the employee currently holds). Any employee taking a required examination pertinent to his/her current City position before a state or federal licensing board shall be permitted time off with pay

ARTICLE 24 - LEAVE WITHOUT PAY

Section 24.1. Away Without Leave.

An employee who is absent from work with the approval of the Appointing Authority or designee, whether in paid or unpaid status, is excused and shall not be subject to disciplinary action. An

employee who is away without leave, or AWOL, may be subject to disciplinary action. AWOL includes, but is not limited to, the following situations:

- (A) The employee does not call off by following the proper procedure and does not report for work;
- (B) The employee does not have enough accrued leave time to cover his/her absence;
- (C) The employee leaves the workplace without notifying and/or securing the approval of his/her supervisor, or if unavailable, the next available supervisor within his/her chain of command;
- (D) The employee leaves the workplace without adequate approval, e.g., he/she leaves a written request for leave but leaves without finding out if his/her supervisor, or if unavailable, the next available supervisor within his/her chain of command, has approved the request;
- (E) The employee fails to show or call off for scheduled overtime;
- (F) The employee reports to work but is seven (7) or more minutes late; and/or
- (G) The employee fails to follow the proper call off procedure.

These instances of AWOL are not equivalent for purposes of discipline, and discipline will be commensurate with the offense.

Section 24.2. Unpaid Personal Leave.

The Appointing Authority may at his/her sole discretion grant unpaid leave to employees for good cause. Such leave shall not normally exceed sixty (60) days, except that the Appointing Authority at his/her sole discretion may extend beyond the sixty (60) day period.

Section 24.3. Unpaid Educational Leave.

Employees may be granted a leave of absence without pay by the Appointing Authority, for educational purposes. Such leave shall initially be limited to sixty (60) calendar days with possible extensions up to one (1) year provided such further educational pursuits are related to the operations of the City.

Section 24.4. Unpaid Union Leave.

- (A) Long Term. At the request of the Union, a leave of absence without pay shall be granted to any classified employee who is a member of the Union and who is selected for the Union office or employed by a Union for a fixed term of office, subject to the approval of the Appointing Authority. Such leave shall initially be limited to sixty (60) calendar days with possible extensions up to one (1) year. Such service will not constitute a break in service for seniority rights or promotional examination administered by the Civil Service Commission.

- (B) Short Term. At the request of the Union, a leave of absence without pay shall be granted to any classified employee who is a member of the Union to attend a convention or other similar functions of short duration subject to the approval of the Appointing Authority. Such leave of absence will affect neither his/her sick leave and vacation leave accruals, premium pay computations, and/or anniversary date for increases or seniority; nor will it constitute a break in service for computing service credits for Civil Service examinations.

Section 24.5. Leave of Absence to Accept Provisional Appointment.

An employee with permanent status who accepts a provisional appointment shall be granted a leave of absence for a period of two (2) years from his/her permanent classification position. This section does not prohibit an employee from requesting a leave of absence in excess of two (2) years. Such leave may be granted by the Appointing Authority.

Section 24.6. Military Leave of Absence.

An employee shall be granted a leave of absence to serve in the Armed Forces of the United States of America or any branch thereof. The City shall comply with all applicable Federal laws relating to the granting of military leave and reinstating employees upon the conclusion of said leave. Such leave of absence shall be governed by the following principles:

- (A) No employee shall lose his/her rank, grade or seniority enjoyed at the time of his/her enlistment, induction or call into the active service of the Armed Forces of the United States of America or any branch thereof.
- (B) Any employee, upon his/her discharge from the Armed Forces, other than a dishonorable discharge, shall be returned to the position he/she held immediately prior to his/her enlistment or induction into the Armed Forces or to a position of equal rank and grade. This reinstatement is conditioned on the employee establishing the fact that his/her physical and mental condition has not been impaired to the extent of rendering him/her incompetent to perform the duties of the position he/she previously held. Such employee must request restoration to his/her position within ninety (90) calendar days of receiving a discharge, other than a dishonorable discharge, from the Armed Forces or his/her position will be declared vacant. Nothing contained in this Section 24.6 shall obligate the City to pay an employee who is on military leave of absence except under the conditions set forth in Section 23.1 of this contract.
- (C) An employee selected from an eligible list and having completed the probationary period who is serving in a position vacated temporarily due to the previous incumbent being in the Armed Forces, shall be determined to have been given a permanent appointment if the returning employee does not return to work within the prescribed time.
- (D) The term "Armed Forces of the United States" as used in this Section 24.6 shall be deemed to include such services as designated by the Congress of the United States.
- (E) Any employee who is transferred or advanced to a position by reason of a vacancy caused by an employee serving in the Armed Forces shall be returned

to the position he/she held before said transfer or advancement or to a position of equal rank or grade, upon the return of the employee from the Armed Forces.

- (F) An employee appointed from an eligible list for assignment to a temporary position with the City, becoming available by virtue of an employee enlisting or being inducted or called into the Armed Forces, shall be reinstated to the eligible list upon completion of the temporary employment.
- (G) In any case where two (2) or more employees who are entitled to be restored to a position left the same position in order to enter the Armed Forces, the employee with greatest seniority in that classification shall have the prior restoration right without prejudice to the reemployment rights of the other employee or employees to be restored.
- (H) Where service in the Armed Forces results from induction or call to active duty, leave shall be granted for the duration of such call.

Section 24.7. Family and Medical Leave Act (FMLA) Leave.

- (A) The Family and Medical Leave Act requires employers to provide notice to employees of their rights and responsibilities under the FMLA. The City uses the Department of Labor Wage and Hour Division (WHD) publication 1420 to accomplish this notice and has included WHD publication 1420 in Appendix E. The City will implement the FMLA in accordance with the FMLA and Department of Labor FMLA regulations which may be in effect from time to time. The City specifically reserves all of its rights to rely upon and apply the FMLA and the Department of Labor FMLA regulations in its administration of FMLA leave regardless of the fact that the statute and regulations are not duplicated in this article.
- (B) In addition to the above paragraph, the City also:
 - (1) Calculates FMLA leave using a “rolling” twelve (12) month period measured backward from the date of any FMLA leave usage;
 - (2) Requires the employee to provide medical certification for his/her own serious health condition or the serious health condition of a family member as permitted by the FMLA and the regulations pertaining to the FMLA. An employee’s failure to provide a timely medical certification may result in the delay or denial of leave;
 - (3) Retains the right to require written documentation of the family relationship when applicable;
 - (4) Requires employees to follow all applicable customary notice and procedural requirements for requesting leave;

- (5) Requires employees to substitute accrued paid leave for FMLA leave in the following order: sick leave, disability leave if applicable, and vacation;
 - (6) Requires employees to take FMLA leave after the birth of a healthy child or after the placement of a healthy child for adoption or foster care only as a block of continuous FMLA leave (not intermittent leave) unless the City otherwise agrees. The Appointing Authority may authorize intermittent leave at its discretion;
 - (7) Requires employees who take FMLA leave for their own serious health condition to provide medical certification of their fitness to report back to work. The City may delay an employee's return to work until the certification is provided;
 - (8) Requires an employee on FMLA leave to report periodically on his/her status and intent to return to work. An employee is not permitted to work for another employer or work in self-employment while on FMLA leave from the City;
 - (9) Requires that leaves that are granted under any other provision of this Contract or under State law, whether paid or unpaid, including vacation leave, sick leave, disability leave, injury leave or leave without pay as provided in Articles 19, 20, 21, 22 and 24 respectively, for purposes which are covered under the Family and Medical Leave Act, shall be charged as FMLA leave and shall be subject to the twelve (12) week per rolling twelve (12) month period limitation for the length of an FMLA leave.
- (C) During an unpaid FMLA leave and subject to Section 13.2 (regarding accumulation of seniority), an employee shall not continue to accrue seniority and shall not accrue any employment benefits for the period of the leave, except for continuation of insurance benefits.

ARTICLE 25 - DRUG AND ALCOHOL TESTING

Section 25.1. Prohibited Conduct.

Employees shall be prohibited from:

- (B) Consuming or possessing alcohol at any time while on duty, or anywhere on any City premises or while driving a vehicle on City business; or
- (C) Possessing, using, being under the influence of, selling, purchasing, manufacturing, dispensing or delivering any illegal drug at any time and at any place; or
- (D) Abusing, illegally distributing or selling any prescription drug; or

- (F) Using any adulterants or otherwise tampering with the specimen; or
- (G) Refusing to take a drug and/or alcohol test.

Section 25.2. Testing to be Conducted.

- (A) Reasonable Suspicion. When the City has reason to believe an employee is: 1) under the influence of alcohol, or consuming or possessing alcohol in violation of this Article; or 2) is possessing, using or under the influence of illegal drugs; or 3) is abusing prescription drugs, the City shall require the employee to submit to drug and alcohol testing.

Testing procedures will be comparable to those set forth in Federal regulations governing drug and alcohol testing for CDL holders; except as follows. A CDL holder with an alcohol level of .02 to .0399 shall be relieved of duty but the result will not be considered positive. Alcohol levels of .04 or higher shall be considered positive; the employee will be referred to EAP and will be required to take a return-to-duty test. The parties will work together to improve the process of reasonable suspicion testing.

The City shall hold harmless any employee or supervisor, who, in good faith and with just cause, recommends that an employee be tested for drugs and/or alcohol.

- (B) Random Testing. All employees required to possess a Commercial Drivers License (CDL) shall be subject to random drug and alcohol testing pursuant to federal law and guidelines and the Drug and Alcohol Testing Policy.
- (C) Post-Accident Testing. All employees, while driving a vehicle on City business, who are involved in a vehicular accident where any of the following occur:
 - (1) A fatality; or
 - (2) The employee receives a citation and the City vehicle is disabled and requires a tow; or
 - (3) The employee receives a citation and someone involved in the accident requires off-site medical treatment,

shall be required to submit to drug and alcohol testing under the procedures for reasonable suspicion drug and alcohol testing set forth in Section 25.3 below.

Section 25.3. Procedures.

- (A) Any employee who tests positive for drugs and/or alcohol shall be relieved of duty without pay (unless the employee elects to use his/her available vacation or compensatory time balances) and referred to the City's Employee Assistance Program (EAP). Before returning to work after a positive test result, an employee

must take a return-to-duty test and test negative. An employee shall be subject to follow-up testing for one (1) year.

- (B) Any employee who voluntarily requests drug and/or alcohol education and/or treatment shall not be disciplined in connection with that request, if the request is done prior to selection for random testing.
- (C) Failure to cooperate and a refusal to test shall be construed as a positive test result. Any drug test which reveals the presence of adulterants shall be construed as a positive test.
- (D) Any employee who has completed his/her initial probationary period and tests positive the first time will not be disciplined for the positive result, although he/she may be disciplined for other work rule or policy violations in connection with that positive result. A second positive drug or alcohol test shall result in discipline up to and including termination of employment.
- (E) Any non-CDL holder who tests with an alcohol level of .04 to .599 shall be relieved of duty for the remainder of his/her scheduled work day, but may elect to use vacation leave or compensatory time to cover this absence. Any non-CDL holder who tests .06 or higher shall be considered positive; the employee will be referred to EAP and will be required to take a return-to-duty test.
- (F) The City shall maintain a policy and procedure for drug and alcohol testing consistent with the terms and provisions of this Contract.
- (G) The City will continue to conduct training on the reasonable suspicion and the random drug and alcohol testing process. This training will be provided to all affected employees, supervisors and Union representatives.
- (H) The City and the Union will make reasonable efforts to encourage self-referral to the EAP for education and treatment programs, upon request.

(B) The pay plan shall be applied in the following manner:

- (1) All employees will be paid at Step A during their first year of continuous service. Any employee initially hired on or after June 8, 2014 shall be paid in accordance with Section 26.1(A).
 - (2) Upon completion of each year of continuous service all employees will advance one step in their respective pay range until they reach Step 5.
 - (3) At no time will an employee be paid higher than the maximum hourly rate of any step.
- (C) Each year of continuous service shall be based upon an employee's continuous service as defined in Article 2. Solely for purposes of Section 26.1(A) and 26.1(B) of this Contract, a part-time employee will be deemed to have completed one (1) year of continuous service when he/she has accumulated more than 2,080 hours in paid status with no separation from City employment.
- (D) Employees shall qualify for the step increases provided for under this Section 26.1 on the first day of the pay period following completion of each required period of continuous service.

Section 26.2. Contributions to the Public Employees Retirement System of Ohio.

- (A) The term "earned compensation" shall mean any and all monies earned by an employee from the City of Columbus, for which there is a pension contribution.
- (B) Salary Reduction Employer Pick-up means the employee pays the retirement contributions and the employee's contributions are tax deferred. Fringe Benefit Employer Pickup means the employer pays the retirement contributions. Both types of pick-up are used in this Section 26.2(B).

For all full-time employees hired prior to May 15, 2011:

<u>Effective Date</u>	<u>Fringe Benefit</u>	<u>Salary Reduction</u>
August 1, 2014	6%	4%
April 1, 2015	5%	5%
April 1, 2016	4%	6%

For all full-time employees hired on or after May 15, 2011:

<u>Effective Date</u>	<u>Fringe Benefit</u>	<u>Salary Reduction</u>
May 15, 2011	0%	10%

For all part-time employees:

<u>Effective Date</u>	<u>Fringe Benefit</u>	<u>Paid by Employee</u>
Continuing in effect	6%	4%
April 1, 2015	5%	5%
April 1, 2016	4%	6%

Any remaining portion of the full-time employee contribution shall be paid by the employee.

This contribution is a salary reduction employer pick-up and is tax deferred.

The provisions of Section 26.2 shall not apply to any employee hired (first day of employment) by the City on or after May 15, 2011, or as soon as practicable thereafter, into a classification in the bargaining unit; and such employee will be responsible for paying the full employee contribution to the Ohio Public Employees Retirement System. Transfers within the City and employment status changes (without a break in service) are exceptions to this provision. This contribution is a salary reduction employer pick-up and is tax deferred.

- (C) The City shall, in reporting and making remittances to the Ohio Public Employee Retirement System, report that each employee's contribution has been made as provided by statute and separate ordinances as required and as passed by City Council.
- (D) If, at any time, the Ohio Public Employee Retirement System reduces the employee contribution to an amount less than ten percent (10%), the City's obligation shall be reduced accordingly with no further requirement to adjust employees' compensation.

Section 26.3. Administration of Pay Plan.

- (A) Pay Rates. All employees in the bargaining unit shall be granted a three percent (3%) pay increase effective at the beginning of the pay period which includes April 1, 2014; a three percent (3%) increase effective at the beginning of the pay period which includes April 1, 2015; and a three percent (3%) increase effective at the beginning of the pay period which includes April 1, 2016. The hourly rate of pay of each employee of the City shall be at the sole pay rate for employees whose classes are assigned to Pay Range 29 or below. Employees whose classes are assigned to Pay Range 30 or above shall be paid as provided herein, or at an hourly rate authorized for that pay range as provided in Subsection (B), (C), and (D) below. Changes in pay made to any rate in Pay Range 30 and above shall be effective at the beginning of the next pay period following written notice by the Appointing Authority to the Civil Service Commission. Except as set forth in this Article, the City will not unilaterally change an employee's Pay Range.
- (B) New Hiring Rate. The hiring rate for a class shall be at lowest pay rate in the range except as otherwise provided herein. Wherein a multiple pay range is

established for a classification, the Appointing Authority will designate the range at which the employee shall be paid in Step A. Any employee initially hired on or after June 8, 2014 shall be paid in accordance with Section 26.1(A).

- (C) Demotion. Whenever an employee is reduced from his/her class to a class which is assigned more than one pay range or more than one pay rate, the Appointing Authority shall have the sole discretion as to which range or rate the employee is entitled to be paid within the new class.
- (D) Local 1632 Merit Increases. The City shall continue a merit pay review system for bargaining unit employees assigned to classifications with variable pay ranges and/or pay ranges 30 and above. Each employee shall be evaluated once every two (2) years (provided the conditions set forth below are met) based on the employee's classification seniority date. If an employee meets or exceeds the requirements of the merit pay review system, the Appointing Authority or designee may approve a merit pay increase for him/her. If an employee has reached the highest step of the highest pay range(s) assigned to his/her classification, and otherwise qualifies for a merit increase, the Appointing Authority or designee may give that employee a merit bonus of two hundred (\$200), less taxes and appropriate deductions. If an employee is denied a merit pay increase, the employee shall be provided the reason(s) for such denial in writing. A merit increase will not be denied solely on the basis of a lack of funding. For employees whose classification seniority anniversary date occurs on or after April 1, 2003, employees who have reached the highest step in a single pay range, and otherwise qualifies for a merit increase, may receive a merit bonus of two hundred dollars (\$200), less taxes and appropriate deductions.

For those employees whose classification seniority date falls on or after July 1, 2008, any applicable merit increase must be given no later than the first day of the first pay period following the ninetieth (90th) day after the employee's classification seniority date. Any merit increase processed after that date will be retroactive to said date.

No Appointing Authority shall appoint any person or submit any personnel action form contrary to said constitution, charter, rules and regulations, and the provisions of this Contract.
- (F) Payroll Deductions. Payroll deductions shall be governed first by the ability of the City Auditor's payroll system to handle them, and secondly, upon a determination

by the City of the type of payroll deductions which are to be offered to employees and also based upon which ones will benefit the largest number of employees. Deductions or withholdings, except where demanded or required by law, must be agreed to in writing by the employee with the specific reason stated in writing and filed with the Appointing Authority.

In any situation where notification of the overtime is given prior to the end of a scheduled shift, call-back pay shall not apply. When any full-time employee is required by the Appointing Authority or his/her designee to report to work after he/she has been relieved of duty upon the completion of the employee's regular schedule and he/she does so report, he/she shall be paid for a minimum of four (4) hours at time and one-half his regular hourly rate, except that if the call-back occurs on the second regular day off and the employee is eligible for double time, he/she shall be paid at the double time rate for a minimum of four (4) hours. If the call-back occurs within two (2) hours of the start of the employee's regular shift, he/she shall be paid a minimum of two (2) hours at time and one-half his/her regular hourly rate. - (E) In those departments, divisions, sections, offices, and programs where only one (1) shift prevails, no differential shall be paid regardless of the hours of the day that are worked.
- (F) Shift differential pay shall be added to the base hourly rate prior to computing the overtime rate.
- (G) Any employee who participates in a flextime program shall not qualify for shift differential pay.

Section 26.7. Working Out of Classification Pay.

Employees in full-time non-seasonal job classifications who are temporarily assigned to a classification with a higher wage rate, will be paid four percent (4%) above the employee's current rate for each hour worked in the higher class upon completing four (4) consecutive hours in the higher class in a workday. Working out of class assignments are not to be used in lieu of seeking approval for filling a vacant position, nor for the sole purpose of paying an employee at a higher class in circumvention of the requirements set forth by the Civil Service Commission.

Section 26.8. Service Credit.

A service credit payment shall be paid during December of each year to those full-time employees of the City, who are in active service, paid status or authorized leave without pay as of November 30 of each calendar year. For the sole purpose of determining service credit in this Section 26.9, the years of continuous service in the schedule below shall include military leave without pay, leave without pay due to a City injury when the employee is receiving payments in lieu of wages from the Ohio Bureau of Workers' Compensation, and other administrative leave without pay as authorized by the Appointing Authority for activities connected with City employee relations. The determination of eligibility for a patient's medical case management will be primarily based upon medical necessity and appropriate medical care. The annual pre-tax limit, determined by each participant, shall not conflict with IRS limits identified in the Internal Revenue Code.
- (C) Amendments to the annual pre-tax maximum can only occur during Open Enrollment Month, on the annual plan renewal date or when a change in status occurs.
- (D) Participants will submit allowable claims to the City's plan administrator. Remittance from the participant's Dependent Care account will be sent directly to each plan participant. Amounts for which a participant does not have an eligible claim will be forfeited at the end of each plan year. These pre-tax plans will remain in effect so long as they continue to be authorized by the Internal Revenue Code.

Section 27.7. Appeal Process.

The extent of coverage under the insurance policies (including self-insured plans) shall be governed by the terms and conditions set forth in said policies or plans. Any questions or disputes concerning an employee's claim for benefits under said insurance policies or plans shall be resolved in accordance with the terms and conditions set forth in said policies or plans, including the claims appeal process available through the insurance company or third party plan administrator, and shall not be subject to the grievance procedure of this Contract. In the event the employee benefit booklet and negotiated contract are not specific, the plan administrator's administrative guidelines will prevail; provided, however, that this shall not prejudice the right of

the employee to appeal a claims dispute to the plan administrator and to the Ohio Department of Insurance.

ARTICLE 28 - CONTINUING EDUCATION/TRAINING

Section 28.1. Tuition Reimbursement.

All full-time employees with one (1) or more years of continuous active service shall be eligible for a reimbursement of instructional fees and laboratory fees of up to one thousand six hundred dollars (\$1,600) per calendar year for undergraduate studies or up to two thousand dollars (\$2,000) per calendar year for graduate studies voluntarily undertaken by him/her. Effective January 1, 2009, all full-time employees with one (1) or more years of continuous active service shall be eligible for a reimbursement of instructional fees and laboratory fees of up to three thousand dollars (\$3,000) per calendar year for undergraduate studies or up to three thousand six hundred dollars (\$3,600) per calendar year for graduate studies voluntarily undertaken by him/her. The tuition reimbursement program shall be subject to the following conditions:

- (A) No employee on an unpaid leave of absence, unauthorized leave of absence, disability leave or injury leave may apply for tuition reimbursement.
- (B) All courses must be taken during other than scheduled working hours. All scheduled hours for courses of instruction must be filed with the Appointing Authority or his/her designee and with the Department of Human Resources. All courses are subject to approval by the Department of Human Resources. There must be a correlation between the employee's duties and responsibilities or courses that may lead to career advancement within the City and the courses taken or the degree program pursued. All scheduled times of courses must be approved by the Appointing Authority or his/her designee. Any situation which, in the discretion of the Appointing Authority or his/her designee, would require an employee's presence on the job shall take complete and final precedence over any time scheduled for courses.
- (C) Institutions must be located or courses of instruction given within Franklin County or adjoining counties. If a specific course(s) is not offered at an approved institution within Franklin County or adjoining counties, an approved institution elsewhere in Ohio may be utilized. Courses must be taken at accredited colleges, universities, technical and business institutes or at their established extension centers. Courses required for a degree must be taken from an institution accredited by an accreditation agency recognized by the U.S. Department of Education. Internet courses will be approved on a case-by-case basis. Correspondence courses, seminars, conferences and workshops are not included.
- (D) The Department of Human Resources shall determine the approved institutions for which reimbursement for instructional fees and laboratory fees may be made under this Section 28.1. Only those institutions approved by the Department of Human Resources shall establish eligibility of the employee to receive

reimbursement for instructional fees and laboratory fees. Additional institutions may be added by forwarding an application for reimbursement to the Department of Human Resources. Application for approval of institutions and courses must be made to the Department of Human Resources not more than sixty (60) days or less than ten (10) days prior to the first day of the scheduled course(s).

- (E) Any financial assistance from any governmental or private agency available to an employee, whether or not applied for and regardless of when such assistance may have been received, shall be deducted in the entire amount from the full tuition reimbursement the employee is eligible for under this Section 28.1. If an employee's tuition is fully covered by another governmental or private agency, then the employee is not entitled to payment from the City.
- (F) Reimbursement for instructional fees and laboratory fees will be made when the employee satisfactorily completes a course and presents an official certificate or its equivalent and the original of the unpaid invoice from the institution confirming completion of the approved course.
- (G) No reimbursement will be granted for books, paper, supplies of whatever nature, transportation, meals or any other expense connected with any course except the cost of instructional fees and laboratory fees as outlined in Paragraph (F).
- (H) Any employee participating in the tuition reimbursement program who resigns or retires or is discharged for cause must repay the tuition reimbursement paid by the City for courses taken less than two (2) years prior to the date of termination or discharge. If necessary, this amount will be deducted from the employee's terminal leave pay or his/her final paycheck.
- (I) The administration of the tuition reimbursement program will require the Department of Human Resources to be responsible for establishing rules, devising forms and keeping records for the program.

Section 28.2. General Educational Development (GED) Program.

Each full-time employee with one (1) or more years of continuous City service who successfully completes GED certification shall be eligible for a reimbursement of the examination fee of up to twenty dollars (\$20.00) (or any future increase in examination fee that may be approved by the Office of Adult Basic Education, Ohio Department of Education) subject to the following conditions:

- (A) Any financial assistance from any governmental or private agency available to an employee in pursuit of his/her GED shall be deducted in the entire amount from the examination fee. If an employee's examination fee is fully covered by another governmental or private agency, then the employee is not entitled to payment from the City.
- (B) Reimbursement of the examination fee will be made when the employee satisfactorily completes the GED examination and presents an official certificate or its equivalent and a receipt of payment confirming completion of the examination.

- (C) No reimbursement will be granted for books, paper, supplies of whatever nature, transportation, child care, meals or any other expense connected with the GED preparation or examination, except the cost of the examination fee as outlined in (B) above.
- (D) Time off with pay may be granted, with the approval of the Appointing Authority, for purposes of preparing for the GED examination and for purposes of taking the examination. All scheduled hours for preparatory courses and examination must be filed with the Appointing Authority and with the Department of Human Resources within a reasonable time period. All scheduled times of courses must be approved by the Appointing Authority or designee. Any situation which, at the discretion of the Appointing Authority or designee, would require an employee's presence on the job shall take complete and final precedence over any time scheduled for courses.
- (E) The administration of the General Educational Development Program will require the Director of the Department of Human Resources or his/her designee to be responsible for establishing rules, devising forms, and keeping records.

Section 28.3. Employer-Provided Training Opportunities.

Any employee who receives training for a job assignment for which the City incurs costs of more than fifteen hundred dollars (\$1,500.00) in any twelve (12)-month period shall remain in that job assignment for a minimum of two (2) years after the completion of such training. The fifteen hundred dollars (\$1,500.00) shall include tuition, course fees, travel expenses, per diem, the value of compensated time away from work as well as any overtime paid to the employee while attending such training, and the cost of any specialized equipment which may need to be custom fitted or ordered for the employee to perform such job assignment. If the employee fails to remain in the job assignment for the two (2) year minimum for any reason, except for a promotion within the employee's Department, he/she will be required to repay such training costs. Any amounts due to the City under this pay back requirement shall be deducted from the employee's periodic paychecks (in amounts not to exceed five percent (5%) of gross wages per paycheck). Any amounts still owing in the event of termination of employment shall be deducted from the employee's final pay check or from the employee's terminal leave pay. The employee shall make arrangements for payment of any additional balance due with his/her Appointing Authority before his/her last day of employment.

ARTICLE 29 - EQUIPMENT AND CLOTHING

Section 29.1. Uniforms.

The uniform policy as detailed below is applicable to the following City departments:

- Department of Public Safety
- Department of Public Service
- Department of Public Utilities
- Department of Recreation and Parks

Department of Technology
Department of Development
City Treasurer's Office
Department of Finance and Management
Department of Health
Department of Building and Zoning Services

- (A) The Appointing Authority or designee, in consultation with the Union President, shall establish policies regarding the necessity and types of work uniforms to be made available to employees. The City shall enter into appropriate contracts with vendors to provide items of clothing required under the Appointing Authority's policies. If uniforms are required, employees shall be furnished with a voucher to obtain the appropriate types and quantities.
- (B) The purchase, fitting, and cleaning of uniforms shall be done outside of work time.

Section 29.2. Protective Clothing, Rain Gear, Gloves, and Safety-Type Shoes.

- (A) The City shall provide an initial issue of rain jacket and rain pants to all City refuse collectors. One pair each of rubber, canvas, and brown jersey gloves will be provided to refuse collectors once every six (6) months.
- (B) For Divisions other than Refuse Collection, the Appointing Authority or designee, in consultation with the Union President, shall provide to employees, when necessary to perform assigned work duties one or more of the following items: protective clothing, rain gear, gloves and safety-type shoes.
- (C) When any items issued pursuant to this Section 29.2 are damaged in the course of employment, the damaged gear must first be returned prior to issuing a replacement. If the items issued pursuant to this Section 29.2 are lost or stolen, such items shall not be replaced by the City. Upon termination, all items provided pursuant to this Section 29.2 must be returned to the Appointing Authority or designee.
- (D) The City shall enter into appropriate contracts with vendors to provide items outlined herein pursuant to voucher arrangements.
- (E) The purchase, fitting, and cleaning of protective clothing shall be done outside of work time.
- (F) The City shall provide employees working under hazardous weather conditions as specified in Section 30.12 with the protective, foul weather gear and clothing specified by the Appointing Authority or designee in consultation with the Union as provided herein. The City shall be responsible for continuing to clean such items and shall furnish such items for use by employees under hazardous weather conditions. The employees shall return such items at the end of each day of use during hazardous weather conditions, unless otherwise directed by the Appointing Authority or designee.

Section 29.3. Tools and Equipment.

The City agrees to furnish all employees, except those specified in Section 29.4 of this Article, with tools and equipment necessary to perform their jobs. Such tools and equipment, as well as the employees who receive the same, shall be determined by the City. The City shall retain ownership of such tools and equipment and the same shall be returned by employees upon their separation from City service. The City agrees to replace any damaged or worn out tools and equipment. However, employees shall be responsible for replacing those items which are lost or stolen through fault of the employee.

The parties agree to the following regarding the security of personal tools of employees:

- (A) Employees will use the “buddy system” (i.e., looking after each other's property while one is away from the work area) during working hours as a safeguard against tool theft.
- (B) During working hours when the building is not secured and the employee is not on duty, forcible entry into the locked tool box will suffice as evidence of theft.
- (C) Employees will be responsible for securing personal tools during non-working hours. The City will assume liability for tools stolen during an employee's non-working hours provided forcible entry to either the building or the employee's locked tool box can be shown. A police report must be filed by the employee.
- (D) Employees will be responsible for maintaining a tool inventory form which will be supplied by the City and updating the inventory as purchases are made. The City will only reimburse for those tools listed on the inventory. Reimbursement for stolen tools will be limited to replacement of the tools stolen with tools of the same brand and value, unless the employee agrees to another brand.

Section 29.4. Tool Allowance.

The City will credit every employee in the classifications of Auto Mechanic (Light), Auto Mechanic (Heavy), Auto Mechanic Supervisor I, Automotive Body Mechanic, Auto Body Repairer Supervisor, and Automotive Mechanic Helper on the first day of the calendar month with forty-five (\$45) per month applicable towards the purchase of tools as determined necessary by the employee and the Appointing Authority or designee. This credit will be cumulative and the balance will be forwarded to subsequent calendar years. A universal contract will be entered into by the City providing eligible employees the opportunity to purchase tools under the program.

ARTICLE 30 - MISCELLANEOUS

Section 30.1. Gender.

Every effort has been made to make the context gender neutral, however unless the context in which they are used clearly requires otherwise, words used in this Contract denoting gender shall be deemed to refer to both the masculine and feminine.

Section 30.2. Pay Stub Information.

Employees shall be provided with a record of accumulated earned vacation, sick leave and compensatory time on a bi-weekly basis.

Section 30.3. Fund Receipts and Disbursements.

The City agrees to diligently pursue an administrative policy of eliminating, insofar as possible, the necessity for City employees to handle cash monies. Concentration of the money deposits or payments for all purposes within the Treasurer's Office is strongly recommended. Individual cash drawers and receipt boxes shall be established wherever possible to facilitate establishment of individual responsibility for the handling of funds.

Section 30.4. Mileage Allowance.

- (A) When a City employee uses his/her private car for transportation on any City business, in or out of the City of Columbus, he/she shall be reimbursed for mileage actually traveled on City business. The mileage reimbursement rate shall be equal to the Internal Revenue Service allowable rate for business mileage in effect on each January 1 for the succeeding twelve (12) months for the duration of the Contract.
- (B) Employees who are regularly required to report directly to job sites away from their City reporting locations are entitled to mileage allowance to the extent such mileage exceeds that from their home to their reporting location. No allowance is payable from the employee's home to or from his/her City reporting location.
- (C) In order for an employee to be reimbursed for such expenses incurred while on City business, said employee must obtain authorization for such reimbursement from the proper department or division head prior to the use of a privately-owned vehicle for City business. In order to receive timely reimbursement, a form, approved by the Auditor's Office, must be submitted by the employee by the fifth (5th) day of the month, for the preceding month's mileage, to the Department Head.

Section 30.5. Comprehensive Physicals and Respiratory Protection.

- (A) Examinations/Identification Potential Hazardous Working Conditions. The City has the responsibility to provide a safe working environment for all employees. In recognition of this responsibility and in order to provide a means to carry out the same, the City shall continue a program to conduct mandatory comprehensive physical examinations and/or testing in accordance with federal, state, and local laws, including but not limited to Ohio's Public Employment Risk Reduction Program (O.R.C. Chapter 4167) to determine and identify potential hazardous working conditions and locations. Further, these physical examinations and/or testing will be for the purpose of enabling the City to comply with legal obligations

imposed upon it as an employer under applicable federal, state and local laws together with administrative rules and regulations promulgated pursuant thereto, such as, but not limited to, the Public Employment Risk Reduction Program (O.R.C. Chapter 4167).

Other than for the purposes specified herein, the data collected during the physical examinations and/or testing shall remain confidential, unless the employee waives such confidentiality in writing.

The City shall also continue to offer voluntary physical examinations and testing to all bargaining unit members who have been afforded such examinations/tests in the past. Employees voluntarily participating in physical examinations and testing will be required to sign a form indicating that the examinations/testing is voluntary.

Refusal to submit to a mandatory physical examination and/or testing as required by federal, state and local laws, including but not limited to, Ohio's Public Employment Risk Reduction Program (O.R.C. Chapter 4167) may be grounds for discipline, up to and including termination.

The physical examinations and/or testing shall not in any way be used for alcohol, drug, or substance abuse testing, nor shall the results of examinations and/or testing be used to relieve an employee of duty involuntarily without due process.

- (B) Respiratory Protection. It is agreed that the City will take the appropriate steps necessary to comply with applicable federal, state, and local laws, including but not limited to Ohio's Public Employment Risk Reduction Program (O.R.C. Chapter 4167), dealing with respiratory protection. To that end, the City will provide respirators that are applicable and suitable for the purposes intended consistent with applicable provisions of law. Employees shall use the respiratory protection provided in accordance with the manufacturer's instructions, training provided, and all applicable provisions of law. Further, employees will be fit-tested for respirators in order to ensure that a proper facial seal exists as prescribed and mandated by current law. The City will require employees to correct conditions which prevent, impair, or impede a proper facial seal, including but not limited to, a growth of beard, sideburns, any object worn that projects under the facepiece, or temple pieces on glasses. The refusal or failure of any employee, after being advised by management, to take corrective action to remedy those conditions which prevent, impair or impede the proper fit of a respirator may subject such employee to disciplinary action, up to and including termination.

Employees who are assigned a respirator must be medically cleared to determine their fitness to wear the respirator, which may require a physical examination. No employee will be assigned a task requiring the use of a respirator unless found physically able to perform the work while wearing the

respirator. Physical examinations to determine medical fitness to where a respirator shall be conducted by a licensed health care professional.

Certain provisions of applicable occupational health and safety laws require site and/or job specific policies, procedures and protocols. It is further agreed that the City will promulgate and employees will comply with such site and/or job specific policies, procedures and protocols. Failure of an employee to comply with such policies, procedures and protocols may result in disciplinary action, up to and including termination.

Section 30.6. Contract Copies.

The City agrees to equally share the cost of printing the Contract with AFSCME Local 1632.

Section 30.7. Operational Changes.

- (A) Should the City intend to institute any new methods of operation that would result in a material change in the essential functions of a job presently being done by employees covered by this Contract, the City shall meet with the Union at the earliest possible time but not later than thirty (30) days prior to the implementation of such intended changes and/or methods of operations; extreme emergencies excluded.
- (B) Prior to the effective date of implementation, upon written request by the Union, a joint conference shall be scheduled for the purpose of discussion with respect to the following subjects: transfer to comparable work, retraining for transferred employees or the disposition of displaced employees resulting from the institution of such new methods, machinery or equipment.

Section 30.8. Errors and Omissions Policy.

It is the policy of the City to cover employees for errors and omissions by such employees while performing duties within the scope of their employment by the City.

Section 30.9. Application of Contract to Part-Time Employees.

Except as otherwise specifically provided elsewhere in this Contract, part-time employees in the bargaining unit shall not be eligible for any fringe benefits under this Contract (other than specifically noted), including but not limited to sick leave, other leaves of absence, holidays, vacations, service credit, and tuition reimbursement.

Section 30.10. Employee Address.

Employees shall provide their payroll clerk or other individual designated by the Appointing Authority with their correct current name, home address, and contact telephone number (if any), and shall update this information with their payroll clerk to keep it current at all times.

Section 30.11. Employee Assistance Program.

The City and the Union recognize the significance of employees' personal problems and the effect those problems may have on personal well-being and productivity. The City and the Union agree to utilize the City's Employee Assistance Program to refer employees with potential

problems to the appropriate assistance program. Employees referred to the EAP will be granted up to a maximum of three (3) free visits per calendar year to the EAP for assessment, referral and follow-up without being charged with time off.

- (A) Professional assistance should be encouraged and sought by employees with problems related to stress, substance abuse, mental or emotional illness, finances, legal issues or family crisis; however, employee participation shall be strictly voluntary.
- (B) Employees participating in this program should be made aware that treatment records may be maintained and such records shall remain confidential.
- (C) All employees receiving treatment shall remain in paid status, until the employee's accrued vacation and sick leave credits are exhausted. After the exhaustion of these benefits, the City may, at its option, advance sick leave through a pay back arrangement. Should termination occur, sick days borrowed shall be repaid from wages and benefits due at the time of termination.
- (D) The City's designated disciplinary hearing officer may order an employee to EAP as part of a disciplinary order.

Section 30.12. Hazardous Weather Conditions.

In cases of severe wind, rain or electrical storms, severe temperatures/wind chill factors or severe snowstorms and ice blanketing, no employee shall be unnecessarily compelled to work under conditions, which involve a physical risk to his/her health and personal safety. In the event the Union believes employees are being compelled to work under such conditions, the Local Union President or designee has the right to discuss the matter with the Director of the Department of Human Resources or designee. However, such discussion shall not affect the City's rights under this Section 30.12. If, after such discussion, the City maintains that employees should work under such conditions, the City shall provide such employees with the protective, foul weather gear and clothing as provided in Section 29.2(F).

Section 30.13. Effect of Article and Section Headings.

The article and section headings contained in this Contract are included only for convenience of reference and do not define, limit, explain or modify this Contract or its interpretation, construction or implementation.

<p style="text-align: center;">ARTICLE 31 - RELATION TO OTHER LAWS AND SEPARABILITY</p>
--

Section 31.1. Savings Clause.

If any article, section or appendix of this Contract should be held illegal by operation of law or by any tribunal of competent jurisdiction; or if compliance with or enforcement of any article or section should be restrained by such tribunal pending a final determination as to its legality, the remainder of this Contract or the application of such article, section or appendix to persons or circumstances other than those as to which it has been held illegal or as to which compliance with, or enforcement of, has been restrained, shall not be affected. It is understood by the parties that nothing in this Contract shall be deemed to conflict with Federal laws, and the Constitutions of the State of Ohio and the United States of America.

Section 31.2. Negotiations.

- (A) In the event any article, section or appendix is declared illegal, this Contract shall be reopened on such article, section or appendix. The City's Chief Negotiator and the Union shall meet within thirty (30) calendar days for the purpose of negotiating a lawful alternate provision. However, such negotiations shall not affect the enforcement or validity of any other provision of the Contract.

- (B) No ordinance or resolutions dealing with negotiated wages, hours, and terms and conditions of employment shall be submitted to City Council or to the Board of Health until negotiated and approved by the City and the Union with the exception of those classifications in a federally funded program wherein the imposition of federal constraints negate the bargaining process.

Section 31.3. Effect of Subsequently-Enacted Legislation.

It is agreed that, in the event the Ohio General Assembly or the United States Congress passes legislation which becomes law and which affects the City of Columbus and this Contract, the Contract can be reopened only for purposes of amending said Contract to conform to such law or laws. Either party hereto shall have the right to call for a reopening of the Contract under such circumstances by giving notice to the other party in writing; said notice may be given at any time after such legislation is signed into law and prior to the effective date of such law or laws. Such negotiations shall commence within ten (10) days after written notification.

ARTICLE 32 - ENTIRE AGREEMENT/MID-TERM MODIFICATIONS

Section 32.1. Entire Agreement/Precedence of Agreement.

This Contract, upon ratification, supersedes all prior practices and agreements, whether written or oral, unless expressly stated to the contrary herein, and constitutes the complete and entire agreement between the parties, and concludes collective bargaining for its term. Therefore, except as provided in Articles 31 and 32, the parties, for the duration of this Contract, each voluntarily waives the right and obligation to bargain collectively with respect to any subject covered by this Contract. This Contract is not intended, however, to render null and void prior arbitration, judicial and applicable administrative agency decisions involving the parties to the extent that such decisions involve contract language which remains unchanged and to the extent that the governing law involved in such judicial and administrative agency decisions remains unchanged.

Section 32.2. Changes in Conditions of Employment which are not Specifically Established by Contract.

Any term and/or conditions of employment not specifically established by this Contract shall remain within the discretion of the City to modify, establish or eliminate; provided, however, that no such determination shall be implemented prior to consultation with the Union, as provided below in Subsections (A) and (B):

- (A) Changes in Mandatory Subjects Not Specifically Established by Contract. The parties agree the City may implement changes in terms and conditions of employment during the term of the Contract where the subject matter of the change is a mandatory subject of bargaining under Ohio Revised Code (ORC), Chapter 4117, and where the Contract does not expressly address the subject matter of the change after giving the Union notice of the proposed change and a reasonable opportunity to bargain about it. In the event the parties do not reach an agreement about the proposed change, the parties agree that the Union may choose to grieve the matter to arbitration pursuant to the arbitration provisions of Section 11.5(D). The City will not implement its proposed change until the arbitrator issues an award, unless the Union chooses not to grieve in which case the City may implement its final proposal.

- (B) Changes in Permissive Subjects Not Specifically Established by Contract. It is further agreed that this bargaining obligation referenced in Subsection (A) above does not apply to any change which does not constitute a mandatory subject of bargaining under ORC Chapter 4117. The City retains complete discretion to modify, establish or eliminate any term or condition of employment which is not expressly addressed in the parties' Contract. If the City intends to modify, establish or eliminate any term or condition of employment which is not expressly addressed in the parties' Contract, and which is not a mandatory subject of bargaining under ORC Chapter 4117, the City may do so after consultation with the Union. The City also shall comply with the posting and notification requirements set forth in Article 8 of the Contract, when applicable. If the Union disagrees with the change in terms and conditions of employment after the City implements it, the Union may choose to grieve the reasonableness of the implemented term or condition of employment under the grievance procedure of the Contract.

Section 32.3. Changes in Conditions of Employment which are Specifically Established by Contract.

The parties may, by mutual agreement, reopen negotiations to expand, clarify, modify or amend provisions of this Contract. In order to amend the Contract, the party proposing the amendment shall identify to the other party the specific section(s) of the Contract to be reopened. Except as stated in other sections of this Contract, neither party shall be obligated to agree to reopen the Contract.

In addition to reopening this Contract for the purpose of amendment, the parties may enter into written memoranda of understanding that define, clarify, interpret or construe the meaning of specific contract sections. Such memoranda of understanding shall not be valid until signed by the City's Chief Negotiator or designee and appropriate Union officials. Such memoranda of understanding cease to exist at the date stated therein or the expiration of the current contract (whichever is less) unless the parties specifically incorporate them by reference into the

successor contract. Any action taken by the Civil Service Commission which would change Appendix A of this Contract shall be accomplished by a memorandum of understanding.

Neither party hereto shall attempt to achieve the alteration of this Contract by recommending changes in, additions to or deletions from ordinances or resolutions of the Columbus City Council.

ARTICLE 33 – TIME DONATION PROGRAM

Section 33.1. Purpose.

Effective ninety (90) days after the effective date of this Contract, a time donation program will be established to assist full-time employees, eligible to earn accruals, who have exhausted all accumulated paid leave and all disability leave benefits available as a result of a catastrophic illness or injury that is not job related. This program neither supersedes nor replaces other disability programs covered by this Contract.

Section 33.2. Conditions.

An employee may utilize the time donation program only if all of the following conditions are met:

- (A) Prior to requesting approval for donation of vacation leave, the employee must have exhausted all paid leave and disability leave benefits available to him/her; and
- (B) The employee shall submit an application requesting donation of vacation leave from other bargaining unit employees in the same division to the Director of the Department of Human Resources or designee. The application shall include acceptable medical documentation of a catastrophic illness or injury that is not job related, including diagnosis and prognosis. The injury or long-term illness must require the employee to be away from work for at least one (1) full pay period. This application shall be on a form mutually agreed to by the City and the Union; and
- (C) The Director of the Department of Human Resources or designee shall determine that the injury or long-term illness is catastrophic in nature and that the employee is eligible to receive vacation leave donations from other bargaining unit employees in the same division. If an employee works in a division with fewer than forty (40) employees in the bargaining unit, the City would consider donations from employees from outside the division, but inside the department; and
- (D) The approved application shall be forwarded to Local 1632. The Local shall post a notice on the Union bulletin boards to other bargaining unit employees in the same division that the eligible employee may receive donations of vacation leave; and

- (E) If the eligible employee is in a probationary period, the probation will be extended by the number of days the employee is off duty receiving leave donations. The Civil Service Commission must be notified of an extension of any probationary period; and
- (F) Donated leave shall be considered sick leave but shall never be converted into a cash benefit.

Section 33.3. Employees Donating Vacation Time.

- (A) An employee desiring to donate vacation leave shall submit a completed time donation form to the Division payroll office.
- (B) It is understood that all vacation leave donations are voluntary and once vacation leave is donated, it will not be returned to the donating employee.
- (C) All donated vacation leave shall be paid at the regular hourly rate of the employee receiving and using the donated leave, not at the regular hourly rate of the employee donating the leave.
- (D) Vacation leave may be donated in increments of at least four (4) hours.

This is a completely voluntary program. A decision made by the City regarding implementation, acceptance or rejection of an application for donations shall be final and the same shall not be subject to the grievance and arbitration procedure.

ARTICLE 34 - DURATION OF CONTRACT

This Contract signed on May 28, 2014, shall be effective as of April 1, 2014, and shall remain in full force and effect through March 31, 2017 unless either party gives written notice to the other of its intent to terminate or modify at least one hundred twenty (120) days prior to its expiration date.

BETWEEN AFSCME, OHIO COUNCIL 8, LOCAL 1632
AND THE CITY OF COLUMBUS
DEPARTMENT OF PUBLIC UTILITIES**

Regarding OPERATORS IN TRAINING AND CERTIFICATION INCENTIVE

Pursuant to Sections 26.10 and 32.3 of the Collective Bargaining Contract between the City of Columbus and the American Federation of State, County, and Municipal Employees, Ohio Council 8, Local 1632, the parties hereby agree to amend Appendix A of the Collective Bargaining Contract dated April 1, 2008 - March 31, 2011, as follows:

<u>Class Code</u>	<u>Classification</u>	<u>Pay Range</u>
3872	Operator In Training	18

Further, the parties agree to modify the contract for employees in the classification of Operator In Training, Wastewater Plant Operator, Water Plant Operator I, and Wastewater Plant Supervisor I as follows:

TRAINING FOR THE CERTIFICATION

An Operator In Training (OIT) will be provided with Operator Training Committee of Ohio (OTCO) Water I or Wastewater I course in a correspondence format and will be provided the materials at no cost to the employee.

Study time will be incorporated into the eight (8) hour day for employees in the OIT classification.

ON THE JOB TRAINING

Rotation of OITs within each of the plant sections during the probationary period will be done so that knowledge and competence is developed and maintained by the employee. All plant staff are required to demonstrate equipment and explain procedures to any and all employees as directed by management.

OPERATOR CERTIFICATION EXAMINATION

An OIT is required to do the following:

- (A) An OIT will successfully complete the OTCO correspondence course within one (1) year of appointment and receive a score of 70% or greater;
- (B) An OIT will take the Wastewater Works Operator Class I or Public Water System Operator I certification exam, at least once, during the probationary period;
- (C) An OIT must take all Wastewater Works Operator Class I or Public Water System Operator I certification exams administered after the one (1) year anniversary date until passing.

Memorandum of Understanding #2007-01 (revised March 2014)

City/AFSCME 1632

Page 2 of 4

- (D) Failure to meet one or more of the above standards may result in termination of the employee.

An OIT must obtain and maintain his/her Class 1 certification within twenty-four (24) months of date of hire or a disciplinary hearing will be held that will result in termination.

OVERTIME

Overtime will be set up on a hierarchy in wastewater treatment plants, consistent with Section 16.4 of the contract, with OITs not being eligible for overtime until they have successfully completed the on-the-job training curriculum. After completion of the on-the-job training program, OITs will be eligible for authorized overtime within the Wastewater Plant Operator classification that is called in the following order:

- (A) Wastewater Plant Operators will be offered first.
- (B) OITs will be offered second.
- (C) Wastewater Plant Supervisor Is will be offered third.

OITs, once trained in specific process areas, will be used to fill in for operator vacancies prior to authorizing overtime. An OIT filling in for a Wastewater Plant Operator shall not constitute a working out of classification assignment.

Overtime will be set up on a hierarchy in water treatment plants for overtime within the Water Plant Operator I classification in the following order:

- (A) Water Plant Operator Is will be offered first.
- (B) OITs will be offered second.

OITs working in a water treatment plant must have the appropriate laboratory certification (full or operational) required by the City of Columbus before being eligible for overtime as a Water Plant Operator I. An OIT filling in for a Water Plant Operator I shall not constitute a working out of classification assignment.

PROMOTION

An OIT may be promoted to the Wastewater Plant Operator or Water Plant Operator I classification(s) after the following four (4) conditions are met:

- (A) An OIT has obtained the Class I certification; AND
- (B) An OIT has worked at the plant for one (1) year; AND

Memorandum of Understanding #2007-01 (revised March 2014)

City/AFSCME 1632

Page 3 of 4

- (C) An OIT in Water must have the appropriate laboratory certification (full or operational) as required by the OEPA; AND

- (D) Satisfaction of all Civil Service and Department of Public Utilities' rules, policies and procedures.

A leave of absence from the OIT to accept an appointment to another classification will not be granted.

SHIFT SELECTION

At the time of initial appointment, the OIT will be assigned to a shift by management.

Once an OIT has completed all of the requirements to be an operator as stated in the "PROMOTION" section above, the OIT's shift will be bid per Section 13.3 of the collective bargaining agreement.

If, during the course of the shift bidding process a more senior Water Plant Operator I or Wastewater Plant Operator requests the OIT's shift through the seniority transfer process, the OIT will then be required to accept the shift remaining after the bid process is complete. This may result in the OIT being transferred to another shift and/or another plant.

CERTIFICATION INCENTIVE

Incentive pay for certifications beyond what is required by the classification specification will be provided for each hour worked. Effective with the first payperiod following passage of the 2008-2011 Collective Bargaining Agreement by City Council, employees will receive the incentive based on hours in paid status as follows:

<u>Classification</u>	<u>Certification Required</u>	<u>Incentive Provided</u>
Wastewater Plant Operator	Wastewater Works Operator Class I/Class II	\$0.25
Wastewater Plant Operator	Wastewater Works Operator Class I/Class III	\$0.50
Wastewater Plant Supervisor I	Wastewater Works Operator Class II/Class III	\$0.25
Water Plant Operator I	Public Water System Operator I/Class II	\$0.25
Water Plant Operator I	Public Water System Operator I/Class III	\$0.50

Incentive pay will be effective the first payperiod following notice of certification.

Employees who are receiving an incentive and fail to maintain a valid certification shall notify plant management within one (1) working day of loss of such certification.

Certifications will be verified at least once per year by the Human Resources Section of the Department of Public Utilities working in conjunction with Plant Management.

For purposes of this paragraph, "grandparented" applies only to Wastewater Plant Operators who were hired prior to the Civil Service requirement of possessing an EPA certification (June 27, 2005). Employees who were not grandparented into the classification and fail to maintain the required certification for their class will have a disciplinary hearing scheduled that will result in termination. Employees who are grandparented into the classification, obtain the certification and then subsequently fail to maintain certification will only lose the incentive pay (i.e., the incentive for each hour worked will discontinue being paid).

DURATION

This MOU may be terminated by either party giving to the other party thirty (30) days prior written notice, but shall not extend beyond March 31, 2017.

1. The group life insurance, provided by Western Southern Financial Group, will be the complete and sole responsibility of Local 1632 to process, administer and monitor.

2. The City will provide Local 1632 access to a payroll deduction slot and will facilitate enrollment by eligible bargaining unit members of Local 1632 and in individual City departments by agreeing to have payroll clerks process the payroll deduction authorization for the Local 1632 sponsored group life insurance.

3. All monies deducted monthly for participation in the group life insurance program will be forwarded to the Treasurer of Local 1632 in the aggregate amount by a warrant separate and apart from the warrant provided to the Comptroller of AFSCME, Ohio Council 8 as provided in Article 5 of the Collective Bargaining Contract currently in effect between the City and AFSCME, Ohio Council 8, Local 1632. All funds transmitted to Local 1632 pursuant to the payroll deduction authorization for the group life insurance program shall be the sole responsibility of Local 1632 to administer and disperse.

In the event a deduction is not made for any participating member during any particular month, the City, upon verification in writing from the President of Local 1632, will make the appropriate deduction in the following month.

5. The deductions made under the terms of this MOU, accompanied by an alphabetical list of all participating bargaining unit members shall be transmitted to the Treasurer of Local 1632, no later than ten (10) days following the end of the pay period in which the deduction is made, if so approved by the City Auditor.

DIVISION OF INFORMATION SERVICES

Pursuant to Section 32.3 of the Collective Bargaining Contract between the City of Columbus and the American Federation of State, County, and Municipal Employees, Ohio Council 8, Local 1632, the parties hereby agree to the following provisions being enacted for employees of the Division of Information Services, Operations Section in the job classifications known as Computer Operator I and Computer Operator II. Unless specifically amended by this Memorandum of Understanding (hereinafter referred to as MOU), all wages, hours, and other terms and conditions of employment shall be administered in accordance with the Collective Bargaining Contract (hereinafter referred to as Contract).

For several years Information Services has scheduled its shift workers on an eight (8) week rotation changing their days off. This schedule allows more frequent days off of Saturday and Sunday as opposed to the three (3) month rotation outlined in the Contract. The number of positions allocated to a shift will determine the frequency of Saturday and Sunday days off.

The shift rotations are started at midnight Saturday night. The shift rotations may result in an employee having less than forty (40) straight time rate hours in paid status between the regular days off under the old schedule and the regular days off under the new schedule. This MOU is being executed to clarify the treatment of overtime worked on the first or second regular day off of the new schedule for the first seven calendar days of the new schedule as follows:

1. With respect to Section 16.3(E) of the collective bargaining contract, for purposes of this MOU, the reference to the three (3) month schedule change will apply to this eight (8) week schedule change.
2. If an employee works his/her first regular day off during the first week of the new schedule and in the previous five calendar days does not have any AWOL, sick, injury or disability time off, the employee will be paid at time and one-half (1.5) for any time worked on the first regular day off of the new schedule. If an employee works his second regular day off during the first week of the new schedule and in the previous six calendar days does not have any AWOL, sick, injury or disability-time off, the employee will be paid at double time (2.0) for any time worked on the second regular day off. Regarding Communication Technicians/Small Craft Activities

It is essential that Communication Technicians be immediately available to answer telephone calls from the public as well as other police personnel. To that end, Communication Technicians are assigned to consoles to answer such incoming calls. Although Communication Technicians are available, there are times when incoming telephone calls are not constant. It is not practical to permit Communication Technicians to leave their respective consoles when they are awaiting incoming telephone calls.

In order to promote the alertness of Communication Technicians awaiting incoming telephone calls, it is agreed that they be permitted to work on small craft activities at non-emergency telephone consoles in the Police Communications Center. Small craft activities include such things as knitting, cross-stitching and needlework. It is essential that the individual be able to immediately stop the craft activity in order to answer incoming calls. Small craft activities shall not be permitted at consoles receiving incoming 9-1-1 calls.

No activity shall involve the use of any liquids, scraps, or other fragments which may deter the Communications Bureau's equipment or operations.

Permission to engage in small craft activities shall be subject to guidelines formulated by management. The privilege to engage in such activities may be temporarily or permanently revised, rescinded or otherwise modified by management at any time. Any Division of Police supervisor may order an individual to cease small craft activity at any time.

This Memorandum of Understanding applies only to Police Communication Technicians working in the Police Communications Center.

DURATION

REGARDING PAYROLL DEDUCTION SLOT FOR
AFSCME, LOCAL 1632 SPONSORED GROUP LEGAL SERVICES PLAN

AFSCME Local 1632 is desirous of providing a group legal services plan to eligible bargaining unit members (as defined in paragraph number eight (8) below) and, to that end, has requested that the City grant it a payroll deduction slot for the voluntary deduction of monthly premiums from eligible bargaining members' wages. The City has agreed to provide AFSCME Local 1632 with a payroll deduction slot to be used for such purpose, consistent with the terms and conditions of this Memorandum of Understanding (hereinafter referred to as MOU). 2. The City will provide AFSCME Local 1632 access to a payroll deduction slot and will facilitate enrollment by eligible bargaining unit members of AFSCME Local 1632 and in individual City departments by agreeing to have payroll clerks process the payroll deduction authorization for the AFSCME Local 1632 sponsored group legal services plan.
3. All monies deducted monthly for participation in the group legal services plan will be forwarded to the Treasurer of AFSCME Local 1632 in the aggregate amount by a warrant separate and apart from the warrant provided to the Comptroller of AFSCME, Ohio Council 8 as provided in Article 5 of the Collective Bargaining Contract currently in effect between the City and AFSCME, Ohio Council 8, Local 1632. For sick leave of less than one (1) full work day, an employee shall be charged in increments of not less than one-tenth (1/10) hour for all time on sick leave during any ten (10) hour shift.

Non-Participation

Employees, who are covered by this MOU, may elect to work an alternate five (5) eight (8) hour day schedule. The schedule will be a five (5) consecutive eight (8) hour day from 7:00 a.m. to 3:30 p.m. with two days off to be determined by management. The employee will not be considered to be part of Workgroup A, may be scheduled to work on Saturday, and will have work assigned daily as directed by management. After the initial bid, an employee may request non-participation due to an emergency or personal hardship. Management and the Union will attempt to resolve the conflict through good faith discussions.

Holiday and Pay Schedule

The provisions contained in Article 17 of the Contract shall govern the eligibility and usage of holiday pay for those covered herein, unless specifically changed hereunder.

Any employee who does not work on a day on which a holiday is celebrated shall be paid ten (10) hours of straight-time hourly pay for said holiday.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintroduction briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

***The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

***Special hours of service eligibility requirements apply to airline flight crew employees.**

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and

a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.
