Key Issues

- Planning staff have conducted a preliminary review and are supportive of the proposed use. It is consistent with the plan's recommendation and serves a public purpose.

- The annexation is tentatively scheduled for consideration at a Franklin County Commissioner hearing.
- The Ohio Revised Code stipulates that once an annexation has been approved by the county, it must be accepted by the receiving municipality in order for the annexation process to be completed. The acceptance process involves a second city ordinance that may be acted upon a minimum of 60 days from the date the City Clerk receives record of the commissioner's action and a maximum of 120 days of City Council's first consideration of the second city ordinance.
