Antonio –

Good afternoon! Per our discussions last week regarding CFD's purchase of Toughbooks for emergency apparatus, there was one (1) quote previously received from ARC Acquisitions for budgetary purposes. Two (2) additional vendors – also listed on STS033 / Index #534363 (computers, etc.) - were contacted last week to request quotations for this purchase. The two (2) additional vendors solicited were:

Brown Enterprises Solutions (Attn: Geo. Brown)
Diversatec Resources Inc. (Attn: Dan Frost)

Only 1 bid response was received which was from Brown Enterprises; Diversatec did not submit a bid. Of the three (3) bids, ARC Acquisitions is the low bidder. I've attached copies of both quotes for your review.

CFD requests approval to utilize STS033 awarding this purchase to ARC Acquisitions so that legislation may be finalized & submitted to Council for their review prior to the

Dec. recess. As mentioned previously, General Funding was approved by Dir. Lombardi for this purchase and funds need to be utilized prior to year-end. Please advise your thoughts. Thank you!

I spoke with Mary Harper. She is going to request quotes from multiple vendors under the STS. After that, they will begin the process of creating a PR to purchase the requested items through the State contract.

I give tentative permission. I am cc'ing Antonio Beasley, our Technology Senior Procurement Specialist, asking him to weigh in. If he has no objections/questions, it is approved. If he does, we can discuss.
