

## ***Blendon District***

This district is almost completely annexed and zoned in the city of Columbus. The district stretches from Hamilton Road to I-270 (east to west), and SR-161 to Morse Road (north to south). The predominant land-uses are the Blendon Woods Metro Park, Hap Cremean Water Plant (Columbus), detached single-family subdivisions, some condominium and apartment units, and burgeoning commercial uses along Hamilton Road. Additional roadways in this district include Sunbury and Broadview roads.

*Blendon District*

It is the recommendation of the Northland Plan – Volume II that:

- Future redevelopment or rezoning of parcels currently zoned in Columbus adhere to the Northland Development Standards.
- Future development of the prime opportunity site at the southeast corner of SR-161 and I-270 take into consideration views from the freeway and buffer the residential areas to the south. Recreation and Parks consideration of this site for future recreation purposes is encouraged, however it is acknowledged that the site currently is zoned CPD, commercial planned development.
- Infill development that is compatible with surrounding land-uses be encouraged.
- Adequate buffering of any development adjacent to the Blendon Woods Metro Park be provided in consultation with Metro Parks.
