Dear Dr. Roberts:

Project No. 02520011RH1223

The Ohio Department of Health has completed a review of funding for the Reproductive Health and Wellness Program (RHWP). As a result of the review, additional funds will be available for your agency for the remainder of the grant year.

Your agency is eligible to receive **\$16,900** in additional RHWP funds. The additional funds must support services provided under Deliverable 2 through March 31, 2023. Your agency must submit a budget revision based on **\$756,900**. Your budget revision must be submitted no later than Monday, **December 19, 2022** via the (Internet) Grants Management Information System (GMIS) and in accordance with ODH Grants Administration Policies and Procedures (GAPP), or **your agency may lose its opportunity for these additional funds. Please note that failure to meet the budget revision deadline will result in loss of these funds. No appeals will be accepted.**

Your agency will receive a revised Notice of Award after the budget revision is approved by ODH. Since this budget revision is required by ODH to adjust your grant award, it will not count against the number of budget revisions available this fiscal year. These funds must be added to the funding for the Deliverable 2. Dollars designated for a county must be spent for services in that county.

If you have any questions, please call the direct line for your RHWP Consultant or the RHWP Supervisor, Michelle Clark at Michelle.Clark@odh.ohio.gov or 614-728-0774.

Sincerely,

Michelle Clark
