

CITY OF COLUMBUS-SOLE SOURCE INFORMATION FORM
To accompany legislation which waives any provisions of
Columbus City Code Chapter 329

1. Verification of Sole Source: (why no other individual or business entity is capable of supplying the needed items /service)

- Sole Source manufacturer/distributor.
- Sole distributor authorized for this territory.
- Patented product purchased for owner/developer.
- Sole company offering this unique service.
- Other: _____

2. Describe any effort to bid for alternate item (service or product) that is not provided by a sole source that would meet this need:

This comprehensive Incinerator Training program will be performed by a firm distinctly specialized in multiple hearth incineration, Incinerator Rx Corporation. The biosolids incineration process is an integral part of the Jackson Pike Wastewater Treatment Plant (JPWWTP) treatment process. The two six-hearth biosolids incineration system was installed in 1954 and rebuilt in 1992. Incinerator Rx has previously been used for services at JPWWTP based on their unique knowledge of the multiple hearth incineration system furnaces, control systems, programming and operations. This vendor is the sole source due to his unique knowledge, experience and familiarity with the JPWWTP incineration and ability to provide the custom-designed training program with both classroom and in-the-field training.

3. Describe efforts to determine/verify that the company is the sole source: As stated above, Incinerator Rx is the sole provider for training based upon its unique knowledge of the multiple hearth incineration system for biosolids incineration and its familiarity with the equipment located at the JPWWTP facility.

4. Indicate how the price or fee structure was determined: Quote submitted to Division of Sewerage and Drainage on April 12, 2009.
