

BIO OF CLARENCE D LUMPKIN
1330 East 20TH AVE.
Columbus Ohio, 43211
March 12, 2003

I have been a resident of the South Linden community, City of Columbus 41 years I am retired I worked for the Department of Highway Safety, Bureau of Motor Vehicle, as Chief of The Enforcement Division for 22 years.

Some of my major accomplishments were:

- I organized and chaired four (4) community organizations, The South Linden Community Council, The South Linden Leadership Group, The South Linden Area Commission and the Greater Linden Development Corporation.
- Led a successful Campaign to persuade the City not to build I-670 down 17th Ave
- Led a successful Campaign to get the City of Columbus to separate the storm sewers from the sanitation sewers stopping the flooding of resident's basements
- Led the effort to persuade the City of Columbus to provide residential street lighting in South Linden, (first inner-city community to get every residential street and alleys lighted)
- Led the Campaign to stop the Columbus Board Of Education from changing Linmoor Jr High School from full day session to half-day session because of over crowing.
- Led Campaign to rezone the residential section of South Linden from multi family homes to single family home to help control the population density to prevent over crowing of our schools.
- Obtain over five million dollars for low interest loans (3%) and grants for residents to rehab their home and \$650,000 for loans at 3% to businesses in South Linden.
- Led the Campaign to persuade Councilman Michael Coleman (now Mayor Coleman) to support my plans for the development of the Four Corner (11th Ave & Cleveland Ave) as the first step in revitalizing the Linden community
- Led drug marches through out the Linden community and the City to show citizens how to get rid their community of drug dealers and crack houses
- I am a member and Steward of Bethel A M E Church and I have received many awards for community service.
