

Evaluation of Statement of Qualifications

**MBE/FBE Participation**

Describe what role, if any, an MBE/FBE will serve in performing the proposed work.

Offeror: Burgess & Niple

Proposed MBE/FBE: CAD Concepts, Inc. (FBE); Dynotec, Inc. (MBE)

Describe role of MBE/FBE if applicable in the space below:

**CAD Concepts, Inc. (FBE)** is identified as providing 10% of the work for the project and their role would be assisting in the pilot study and report.

**Dynotec, Inc. (MBE)** is identified as providing 5% of the work for the project and their role would be assisting in the pilot study and report .

Offeror: CDM

Proposed MBE/FBE: Donahue IDEAS, LLC (FBE); Dynotec, Inc. (MBE); Belmont Labs (MBE)

Describe role of MBE/FBE if applicable in the space below:

**Donahue IDEAS, LLC (FBE)** and **Dynotec, Inc. (MBE)** are identified as assisting with the condition assessment of selected portions of the HCWP and assisting with the operation of the pilot plants.

**Belmont Labs (MBE)** is identified as supporting the pilot testing phase by performing all analytical testing needed to define pilot plant and full-scale WTP operating characteristics.

Offeror: CH2M HILL/BBS

Proposed MBE/FBE: Resource International, Inc. (FBE); Dynotec, Inc. (MBE)

Describe role of MBE/FBE if applicable in the space below:

**Resource International, Inc. (FBE)** is identified as providing civil engineering and field and site services.

**Dynotec, Inc. (MBE)** is identified as providing field and site services

Offeror: HDR Engineering, Inc.

Proposed MBE/FBE: Ribway Engineering Group, Inc. (MBE)

Describe role of MBE/FBE if applicable in the space below:

**Ribway Engineering Group, Inc. (MBE)** is identified as performing 35% of the work for the total project and their role would be providing engineering, drafting, data collection and other services.

Offeror: Malcolm Pirnie

Proposed MBE/FBE: WHB Environmental (FBE); Ribway Engineering Group (MBE)

Describe role of MBE/FBE if applicable in the space below:

**WHB Environmental (FBE)** is identified as installing and operating the pilot plant. They will also be working with Malcolm Pirnie to summarize the on-site experiences, data gathered and conclusions drawn from the studies for the pilot report.

**Ribway Engineering Group (MBE)** is identified as assisting with the pilot plant studies.

Offeror: URS

Proposed MBE/FBE: none

Describe role of MBE/FBE if applicable in the space below:
