

# KADIJAH TORIAN

## Profile

A highly motivated professional with extensive leadership and strategic community engagement experience. I have a passion for advocating for the self-empowerment of families through education and resource attainment.

## EXPERIENCE

### SR. MANAGER OF PREGNANCY & PERINATAL SUPPORTS

City of Columbus-CelebrateOne  
2019 - Present

- Responsible for managing and tracking outreach worker performance
- Conducted internal file audits to ensure quality and standardization of data entry
- Strategized and implemented programmatic processes & improvements as needed
- Oversaw relationships with diverse partner agencies
- Managed reporting requirements for several grants
- Developed two community doula programs to increase awareness and access to supportive services
- Expanded prenatal education for CelebrateOne families
- Led internal staff & external community partner meetings

### BIRTH DOULA

Mount Carmel Hospital  
2019-2020

- Provided emotional and physical support to pregnant and parenting women
- Assisted women with developing a birthing plan
- Educated women about the prenatal, birthing, and postpartum process
- Supported women and their support system to advocate for their rights within healthcare spaces
