RE: Information about Transfer of Siemens Mobility Contracts from Siemens Mobility, Inc. to Yunex LLC

Dear Mrs. Bishop,

On November 12, 2020, Siemens AG (“Siemens”) announced that in the course of Siemens Mobility’s continued development, the unit Intelligent Traffic Systems (“ITS Business”) will be carved out worldwide by the end of fiscal 2021 into separately managed entities under the new brand name Yunex Traffic. Transferred into separate companies, the ITS Business will be able to further pursue its growth strategy, shape the digital transformation of its industry and actively drive market consolidation. In this connection, the unit will leverage its market-leading position in installed systems and drive advances in digitalization.

Offering innovative, smart, and comprehensive mobility solutions for roads and cities, the ITS Business is the world’s only supplier of solutions serving all the main regional standards worldwide. Most recently, the unit generated revenue of about €600 million. Since 2013, the compound annual growth rate for orders has totaled eight percent.

In the context of this global carve-out, Siemens Mobility, Inc. (hereinafter “Siemens Mobility”) will transfer its ITS Business in the United States to Yunex LLC on July 1, 2021.
