**STAFF REPORT
DEVELOPMENT COMMISSION
ZONING MEETING
CITY OF COLUMBUS, OHIO
JANUARY 13, 2022**

- 5. APPLICATION: Z21-086**
Location: **5971 WINCHESTER PI. (43110)**, being 13.4± acres located on the southwest side of Winchester Pike, 1,730± feet west of Gender Road (010-260326; Greater South East Area Commission).
Existing Zoning: L-AR-12, Limited Apartment Residential District.
Request: L-AR-12, Limited Apartment Residential District (H-35).
Proposed Use: Multi-unit residential development.
Applicant(s): WX2 Ventures, LLC; c/o David Hodge, Atty.; 8000 Walton Parkway, Suite 260; New Albany, OH 4305.
Property Owner(s): The Applicant.
Planner: Shannon Pine; 614-645-2208; spine@columbus.gov

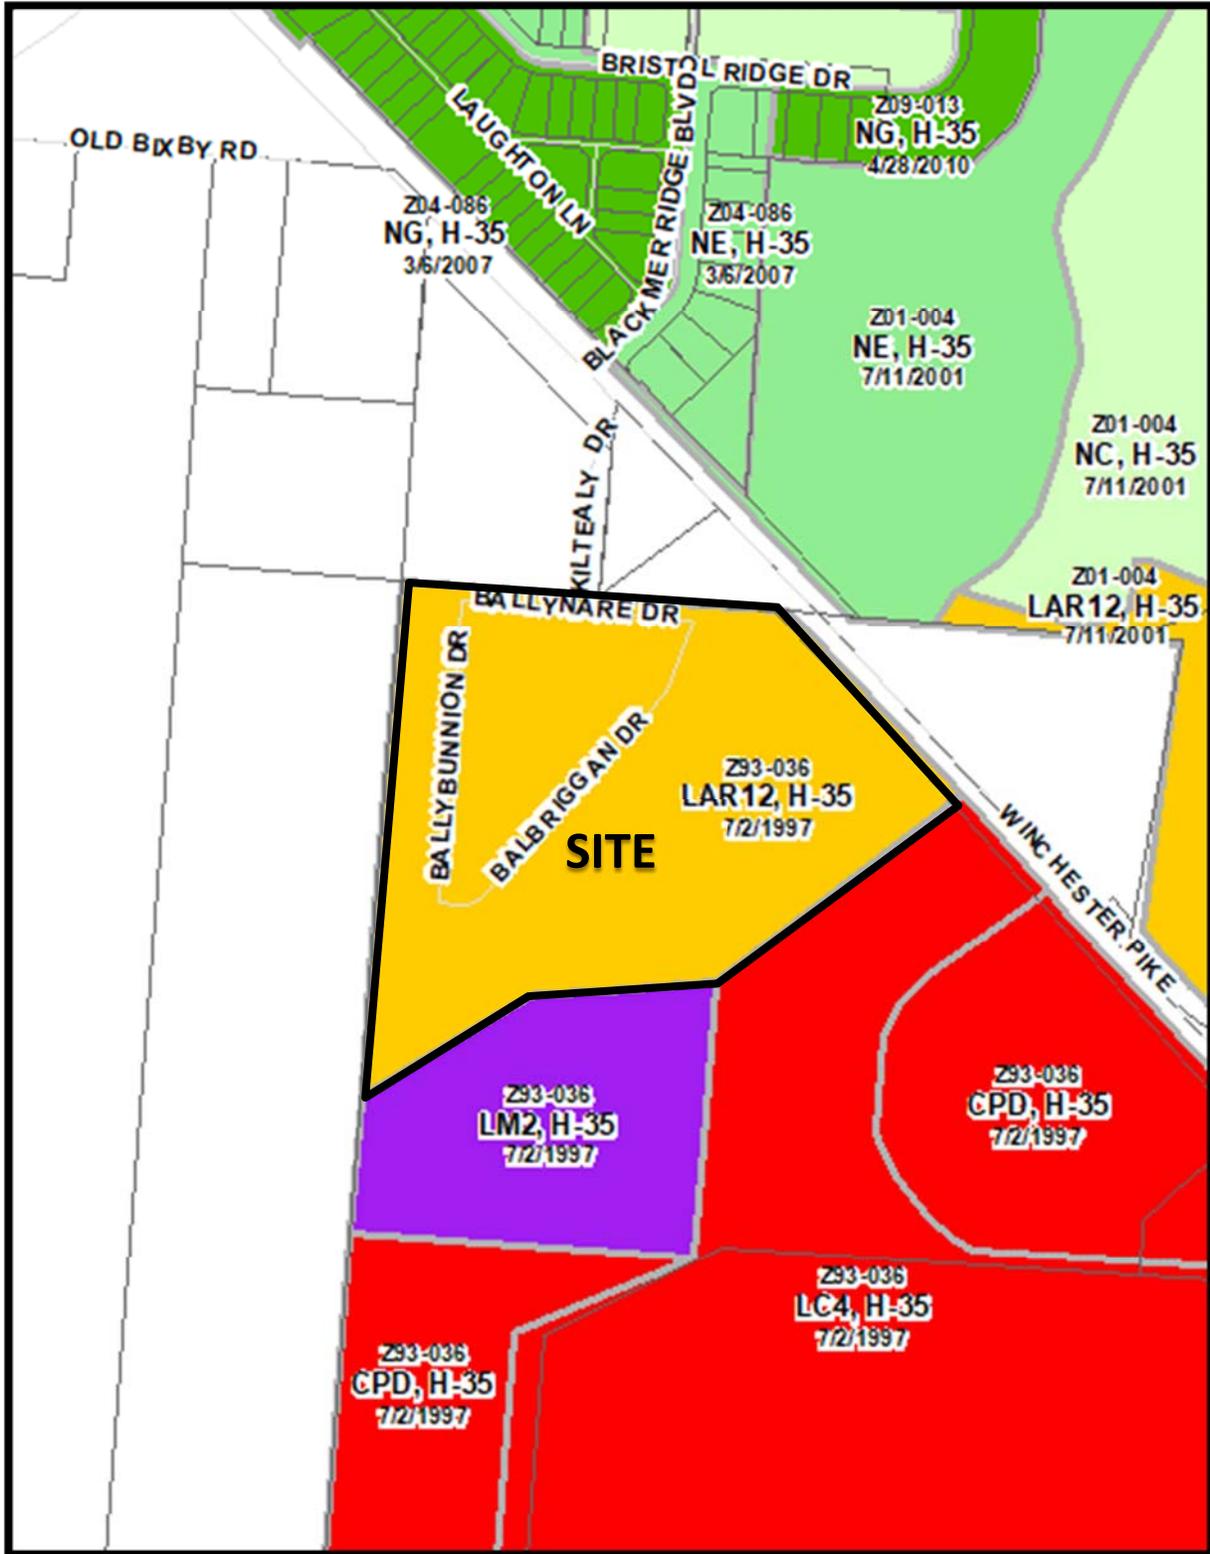

BACKGROUND:

- The site consists of part of one undeveloped parcel zoned in the L-AR-12, Limited Apartment Residential District (Z93-036). The requested L-AR-12, Limited Apartment Residential District eliminates a density restriction of 10 units per acre and increases the allowable building height to greater than 2 ½ stories within the permitted building height range of the 35-foot height district.
- To the north and east are residential structures in Madison Township and in Canal Winchester, and across Winchester Pike are single-unit dwellings as part of a traditional neighborhood development in the NE, Neighborhood Edge, and NG, Neighborhood General districts. To the south is undeveloped land in the L-M-2, Limited Manufacturing and CPD, Commercial Planned Development districts pending zoning to the L-M-2, Limited Manufacturing District (Z21-008). To the west is undeveloped industrial land in Canal Winchester.
- The site is within the boundaries of the *South East Land Use Plan (2018)*, which recommends “Low-Medium Density Residential” (6-10 units per acre) and “Open Space” land uses at this location. *Columbus Citywide Planning Policies (C2P2) Design Guidelines (2018)* are also applicable to the site.
- The site is located within the boundaries of the Greater South East Area Commission whose recommendation is for approval of the requested L-AR-12 district.
- The limitation text includes access provisions, shared and leisure path commitments, building materials commitments, lighting and preservation area controls, and a commitment to the attached site plan which reflects a 144-unit apartment complex. Access to the site is through property in Canal Winchester, and that access is still pending approval.

- The *Columbus Multimodal Thoroughfare Plan* identifies this portion of Winchester Pike as a Suburban Commuter Corridor requiring 120 feet of right-of-way.

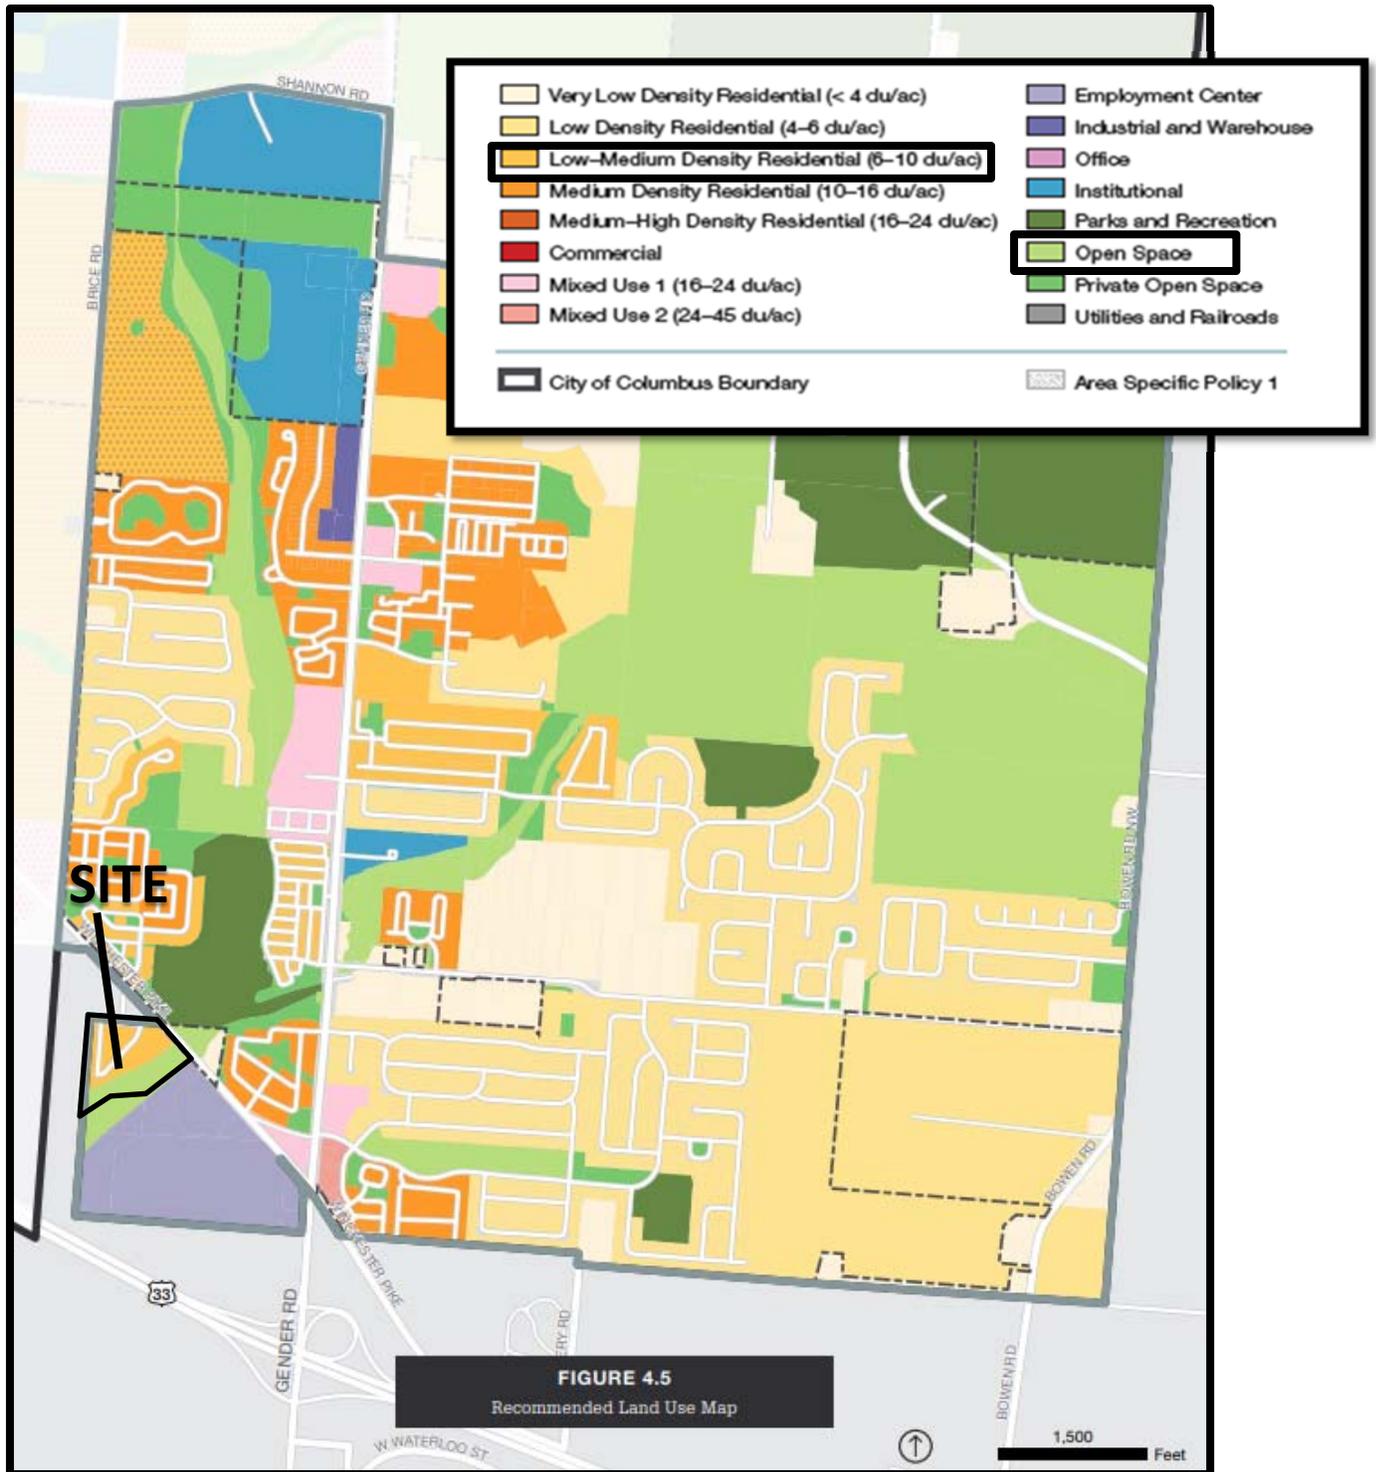

CITY DEPARTMENTS' RECOMMENDATION: Approval.

The requested L-AR-12, Limited Apartment Residential District will permit a 144-unit apartment complex that is compatible with surrounding development, provides shared and leisure paths, and protects natural features. The proposal remains consistent with the land use recommendation of the *South East Land Use Plan*, and the Planning Division has reviewed building elevations for consistency with C2P2 Design Guidelines.

Standardized Recommendation Form

111 N. Front Street, Columbus, Ohio 43215

Phone: 614-645-4522 • www.columbus.gov/bzs • zoninginfo@columbus.gov

FOR USE BY: AREA COMMISSION / COMMUNITY GROUP / HISTORIC ARCHITECTURAL REVIEW
(PLEASE PRINT)

Case Number: Z21-086

Address: 5971 Winchester Pike

Group Name: Greater South East Area Commission

Meeting Date: October 26, 2021

Specify Case Type:

- BZA Variance / Special Permit
- Council Variance
- Rezoning
- Graphics Variance / Plan / Special Permit

Recommendation: Approval
(Check only one and list basis for recommendation below) Disapproval

NOTES:

Applicant and Commission have agreed that if Applicant is not able to obtain access to parcel as shown on application, the Applicant will return to the Area Commission to show new access and layout of the development. There is an issue with the City of Canal Winchester and whether they will allow residential access across a commercially zoned property.

Vote: Approval - 7; Against - 1; Abstain - 1
