This quote is based upon market rates at the time the quotation is made. Due to the large fluctuation in the market and surcharges that may be issued by the manufacturer, Purchaser agrees that the Seller will pass along any manufacturer price increases and/or surcharges to the Purchaser as if such price increases and surcharges are part of the original Quote and Sales Order. Seller will invoice Purchaser for the quoted price plus any increases and/or surcharges and Purchaser agrees to pay the invoiced amount as the agreed-upon price.
