
**CITY OF COLUMBUS - BID WAIVER INFORMATION FORM
TO ACCOMPANY LEGISLATION WHICH WAIVES ANY PROVISIONS OF
COLUMBUS CITY CODES CHAPTER 329
(PLEASE LIMIT YOUR RESPONSE TO THIS SHEET)**

1. In accordance with section 329.27 of the Columbus City Code, City Council may determine that the City's best interest is served by waiving the City Code Formal Bid procedures for the following reason(s): (Note that these reasons are all based on time. Currently, formal bid average completion time is 160 calendar days.)

- An unanticipated breakdown created an unplanned, emergency need.
- The item to be purchased is of a perishable nature, the price or availability will perish before the formal bid process can be completed.
- Need to extend an existing contract for one year or more where no provision for extension was included in the original bid/contract.
- Need to increase a contract for additional supplies/services, although the original contract obligations have been fulfilled.
- A new law or regulation requires immediate compliance; there is insufficient time to accomplish formal competitive bidding and satisfy the needs in order to comply.
- Other: There is not enough time to obtain formally advertised, competitive sealed bids to satisfy the needs because: The Department of Public Service is seeking Council approval under City Code Section 329 to waive competitive bidding to facilitate the execution of a service contract for proprietary software with Rubicon because there is an immediate need to create route efficiencies for the Division of Refuse Collections service routes, and to assist with identifying street maintenance issues and illegal dumping sites throughout the City of Columbus. No other GPS software includes the proprietary Rubicon camera technology that allows the panaoramic, real time identification of street repairs, illegal dmping, and Refuse Collection route efficiencies.
