DEVELOPMENT COMMISSION:

Application # Z02-017

On November 14, 2002 you heard the applicant present his case for rezoning property located at 3715 West Dublin-Granville Rd. He had agreed to meet our conditions for our approval of this rezoning. Since that time Mr. Tansky has on numerous occasions ask us to permit him to keep the billboard that he had agreed to have removed.

We gave our approval to the Development Commission with the understanding and commitment by Mr. Tansky that he would remove the billboard and do the landscaping on his properties. Since he has failed to meet these commitments we are withdrawing our approval. The Northwest Civic Association expects any commitments made to us and placed in the limitation text to be honored

We are asking you to support our Disapproval of this rezoning.

Thank you.

Sincerely,

Rosemarie Lisko
President, Northwest Civic Association
