Monica –

Oracle Elevator is fulfilling your request that Abell Elevator Services, who you are currently contracted with, was purchased by Oracle Elevator and is now operating and performing business under the current tax identification # 82-1431166. This tax identification number represents Oracle Elevator Holdco, Inc. doing business as Oracle Elevator Co, Abell Elevator Services, Georgia Elevator Co, and Southwest Elevator Co.

The old tax identification number (20-1968406) for Abell Elevator Services is no longer valid. The old vendor number with the City of Columbus Abell Elevator Services would have been operating under was 001104.

Attached is our new W-9 form Oracle Elevator Holdco, Inc. We also request that the existing contract be transferred to Oracle Elevator Holdco, Inc. Please confirm once this contract has been transferred.

Thank you in advance for your time and consideration.
