Angela Ervin
Biography

Born and raised in Columbus, Ohio, I have 20 years of experience in the field of Education. I received a B.A. in Early Childhood Education from Ohio Dominican University. I earned my M.A. degree in Education Administration from The Ohio State University, and an Ed.D from Miami University, where my research interests focused on the impact of positive school culture on student achievement.

My teaching career began in 2004 as a first-grade teacher for Whitehall City Schools, where I also served as an Assistant Principal from 2008 to 2014. In addition to my work in Whitehall, I was the Principal of Hawthorne Elementary in Westerville City Schools for 5 years. I also worked for Groveport Madison Schools as the Director of Student Services.

Currently, I serve the staff, students, and families as the Principal of Galloway Ridge Intermediate School in the Southwestern City School District, where I have been since 2022. Beyond the work I have done in several central Ohio school districts, I have worked for Western Governors University for the past 3 years as member of the Pro Core Evaluation Team, which is tasked with the evaluation of pre-service educators as they prepare for their teaching certifications.

In addition to my work as a school administrator, I have 19-year-old twins.
