Honorable Michael B. Coleman  
Mayor of City of Columbus  
City Hall  
90 West Broad St.  
2<sup>nd</sup> floor  
Columbus, Oh 43215

Mayor Coleman:

Mark Kafantaras suggested that I contact you regarding the open Maintenance Appeals Board position with the City of Columbus. My Real Estate renovation background and professional Real Estate sales experience, makes me an excellent candidate for this position.

As you will see from the enclosed resume, I have more than 10 years of experience in the field of Real property renovation/rehabilitation much of this experience has been with so called inner belt properties which are frequently historic homes, or certainly pre 1950. These older homes require knowledge of construction methods of the time, as well as familiarity with modern building technologies when determining a path of maintenance or repair.

My resume shows that I have been consistently involved in either selling distressed homes to clients and helping them obtain construction loans, or assisting the Sellers do appropriate repairs to their property to prepare the listing for sale, and of course the renovation of my own projects.

If you have questions, or if you want to schedule an interview, please contact me at 614-218-4419.

Sincerely,

Alex J. Macke
