5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

This project is for the installation of street lighting in the Dennison Place area of Columbus. There is currently overhead street lighting in the area. At the request of the general public, existing Cobrahead lights will be converted to decorative teardrop style lights on King avenue between Olentangy River road and High street, and on 5th avenue between Neil avenue and High St. Also, an additional conversion of existing overhead street lighting to underground decorative post top street lighting will take place on 6th avenue between Neil avenue and Dennison avenue, and on Dennison Avenue from King avenue to 5th avenue. This conversion will match existing lighting in the adjacent areas

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Contract work is required to be completed in a manner acceptable to the City within 180 days from the date that a Notice To Proceed (NTP) is given by the City. Based on this,

construction is estimated to begin in April 2015, with completion estimated to be October 2015.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The goal of this project is to provide decorative street lighting in the Dennison Place area as a direct response to requests made by the residents regarding the existing lighting. By doing so, an increased perception of safety and security could be felt by the community. Providing decorative street lighting in this area could possibly attract residents to the area.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$ \$197,010.00, including a 10% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$197,010.00
Future Anticipated Needs	\$ 0.00
CONTRACT TOTAL	\$197,010.00
