- 1) What item(s) or type of items or services will you be purchasing using this Purchase Order?

This organization will provide canvassing and focus group services. They will provide qualitative research through deep-dive interviews and targeted focus groups as needed and work on development of more sustained groups of everyday experts to guide innovation as needed.

- 2) Why are these items manifestly impractical to bid?

The vendor was selected and detailed in the grant proposal. ODH (Grant provider) has approved the use of the specific vendor.

- 3) Why was the Vendor listed chosen to receive this Purchase Order?

The vendor has the necessary experience and expertise to provide said services. CPH has worked with this vendor previously for the same set of services and provided valuable assistance.
