Hi Lori,

I have the Ord language drafted and had it reviewed by Lela. She suggested I reach out to see how you need the company name clarified since the vendor account has 3 W9 forms. Additionally, purchasing has taken care of the PEDAKN form, correct?

I am having trouble getting the websites to work for the Excluded Party List System (Federal) and the Findings for Recovery list (State).

I drafted the legislation # but haven't entered it into Legistar until I finished these revisions.

Thank you,

Emily – attached please find the tabulation as well as attachments from both bidders. Both appear responsive, and KE Rose is the apparent low. Please advise.
