Mr. Dennis Grogan
Phoenix Safety Outfitters
110 W. Leffel Lane
Springfield, Ohio 45506

Dear Dennis:

Due to the nature of the construction of LION PPE, it is important to use an Independent Service Provider (ISP) that is verified by the manufacturer of the PPE to complete repairs and alterations.

In the absence of a LION TotalCare facility in Ohio, LION recognizes Phoenix Safety Outfitters, located at 110 W. Leffel Lane, Springfield, Ohio 45506, as the only in-state Independent Service Provider (ISP) in Ohio. Therefore, LION recognizes Phoenix Safety Outfitters, as per the NFPA 1851 Standard, to conduct factory authorized repairs and alterations on new and existing turnout gear manufactured by LION.

Lion Safety Solutions values our long partnership with Phoenix Safety Outfitters and we are excited to continue supporting our mutual customers with industry leadership in the critical area of firefighter health and safety.

Sincerely,
