Re: Letter of support for Property Variance/Conversion

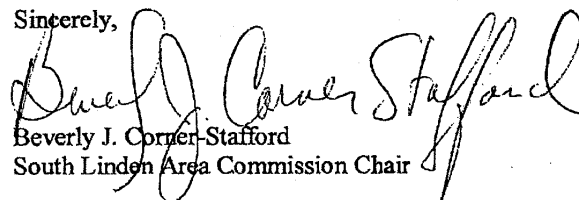

To whom it may concern:

Per your request of the South Linden Area Commission, we are providing you a letter of support for the variance/conversion of the vacant lot located at 1117 Windsor Avenue (Parcel ID # 010-057879) into a parking lot.

We believe that this conversion will allow you to better serve your constituents and allow your organizations to continue to nurture families, develop children and foster the sense of community this area needs. We commend your organization, and if there is anything else that you need, please do not hesitate to contact us.

Good luck with your application for the variance/conversion of the lot at 1117 Windsor Avenue.

Sincerely,

Beverly J. Corner-Stafford
South Linden Area Commission Chair
