Re: CV03-047 4940 N. Hamilton Rd.	CC: Chris Presutti 645-2463 Kate McSweeney 645-6164

Mr. Brown,

Our committee voted to support this application with the following conditions.

1. We would like the building either turned around 180 degrees or the traffic pattern changed so the cars exit to the West. We have concerns with noise from the blowers/dryers of the semi-automatic wash bays for the residential developments to the East.
2. ALL vacuums to be located on the West edge of this property.
3. Exterior construction to be all brick with a gable roof.

If there are any questions, you can contact me at 614-882-8558.

Sincerely,

Jeff Murray
Chairman, Development Committee
Northland Community Council
