5. **A description of work performed to date as part of the contract and a full description of work to be performed during any future phasing of the contract.**

This is a contract for Elevator Maintenance Services for the Department of Public Utilities facilities at Southerly Wastewater Treatment Plant, Jackson Pike Wastewater Treatment Plant, and Sewer Maintenance Operations Center Facility. Other Department facilities may be added in the future. The work to be performed under this contract will be mainly Elevators and their associated equipment and systems that require inspection, testing, troubleshooting, maintenance, and repair or replacement of failed components. The work may also include updating of software for the various units and their associated equipment.

6. **An updated contract timeline to contract completion.**

Year 1 February 22, 2023 to February 21, 2024
Year 2 February 22, 2024 to February 21, 2025
Year 3 February 22, 2025 to February 21, 2026
Year 4 February 22, 2026 to February 21, 2027

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The regular inspection and maintenance of the elevator equipment results in the expected and planned life for this equipment. The elevator equipment provides proper personnel and material conveyance which aids in the operation of many plant processes and equipment. Without proper conveyance, in a timely manner, failure of plant equipment and processes could occur and potential safety of personnel could be compromised. Removal and replacement of the failed equipment would be a major impact to the budget. No community outreach or environmental factors are considered for this project.

8. **A description of any and all modifications to date including the amounts of each modification and the Contract Number associated with any modification to date. (List each modification separately.)**

This is the first renewal.

Renewal #1 – \$160,000.00 (PENDING)

Renewal #2 - \$80,000.00 (FUTURE)

Renewal #3 - \$80,000.00 (FUTURE)

9. **A full description of the work to be performed as part of the proposed contract modification. (Indicating the work to be a logical extension of the contract is not sufficient explanation.)**

The contract will continue to provide Elevator Maintenance and repair Services for various Department of Public Utilities Facilities. Anticipated work to include repair of SMOC garage freight elevator, various elevator 5 year load testing for compliance with Department of Commerce regulations, cleaning-disinfecting and painting of elevator pits at SWWTP WAC and CAC,

10. **If the contract modification was not anticipated and explained in the original contract legislation a full explanation as to the reasons the work could not have been anticipated is required. (Changed or field conditions is not sufficient explanation. Describe in full the changed conditions that require modification of the contract scope and amount.)**

Anticipated renewal. The original contract allows for three (3) extension periods on a year to year basis. This renewal is to provide the funding necessary for the payment of services to be provided through February 21, 2025.

11. **An explanation of why the work to be performed as part of the contract modification cannot be bid out. (Indicating the work to be a logical extension of the contract is not sufficient explanation.)**

The same exact service is required as originally bid. No lower pricing/more attractive terms and conditions are anticipated at this time.

12. A cost summary to include the original contract amount, the cost of each modification to date (list each modification separately), the cost of the modification being requested in the legislation, the estimated cost of any future known modifications and a total estimate of the contract cost.

This contract will be funded incrementally with modifications on approximately an annual basis. Three contract renewals are anticipated at this time for DOSD Facilities. If other DPU Facilities are added, if unforeseen issues or difficulties are encountered that would require additional funding, a modification would be requested. The expected cost for this project is as follows:

Original Contract - \$62,601.52 (PO363039)

Renewal #1 - \$160,000.00 (PENDING)

Renewal #2 - \$80,000.00 (FUTURE)

Renewal #3 - \$80,000.00 (FUTURE)

Total Estimated Cost - \$382,601.52

13. An explanation of how the cost of the modification was determined.

The cost to provide Elevator Maintenance Services for DPU facilities is in accordance with the terms of the original contract.
