Missouri Technology Corporation

Executive Director

March 2009 - December 2011 (2 years 10 months)

Jefferson City, Missouri

Appointed by Gov. Jay Nixon in March 2009 (and unanimously confirmed the following month) to lead the Missouri Technology Corporation (MTC) and serve as a senior member of the Governor's economic development team. In this role, I lead the State of Missouri's public-private partnership to grow the economy through entrepreneurship and high-tech innovation. Our work focuses on venture capital formation, tech transfer, entrepreneurship training, build-up of scientific and incubator infrastructure, and related work particularly in bioscience fields.

Bryan Cave Leighton Paisner LLP

Associate

September 2003 - March 2009 (5 years 7 months)

St. Louis, Missouri

Represented clients in complex antitrust litigation in federal and state court and before governmental regulatory agencies in securing clearance of business combinations. Counseled clients on antitrust aspects of pricing strategies, joint ventures, competitor collaborations, business combinations, intellectual property licensing, and boards of directors. Experience includes:

*Representation of DVD Copy Control Association, Inc., a multi-industry association that administers a license-based digital content protection system for DVD video, in antitrust and other matters.

*Representation of Ralcorp Holdings in obtaining clearance of its \$2.6 billion acquisition of the Post cereals business from Kraft Foods.

*Representation of Mercedes-Benz USA, LLC in obtaining dismissal of tying claims involving vehicles and certain replacement equipment in federal court in California.

*Representation of Novus International, Inc. and Monsanto Company in defeating class certification in multi-state indirect purchaser action in Wisconsin state court.

*Representation of Ping, Inc. as amicus curiae in the landmark Leegin Creative Leather Products, Inc. v. PSKS, Inc., 551 U.S. 877 (2007) (amicus brief cited in U.S. Supreme Court decision).

*Representation of GameStop Corp. in obtaining clearance of its \$3 billion acquisition of Electronics Boutique Holding Corp.

Worked closely with former U.S. Senator John C. Danforth on special matters, including his latest book, Faith and Politics, and in connection with his co-chair role of the Pew Global Attitudes Survey with former Secretary of State Madeleine Albright.

Selected by Missouri Lawyers Weekly as "Up and Coming Lawyer" in 2007 at the age of 32 (one of the youngest of the 36 attorneys selected for this honor in the state of Missouri).

Published author and CLE speaker on antitrust matters, including State of Missouri antitrust treatise contained in the ABA Section of Antitrust Law's State Antitrust Practice and Statutes.
