

Eugene Gunn

Served as Commission since 2002, and make sure that the community of Oriole Heights is informed of what's going on with the Area Commission.

I have been a postman for 48 year, and continue to serve, walking a route in Columbus the entire time. I like people.

Why I want to be a Commissioner:

Seeing the needs of the community, I want to make sure that we operate with "Community Unity". I am concerned about sidewalks, curbs and school safety.
