Infor (US), Inc. f/k/a Lawson Software, Inc. does not have a published price list and considers all information pertaining to, and including maintenance fees, to be confidential and proprietary information. Our fees are determined by our company Product Managers. The primary determining factors are the estimated costs of delivering our various services for the upcoming year.

Infor's pricing proposal to Customer reflects current market prices for similar customers purchasing similar services at similar times. Infor confirms that it is the sole supplier of support services for the warranted versions of the Systems.

Maintenance for the Infor Systems is invoiced in yearly increments only and Customer shall pay one hundred percent (100%) of the Fees above no later than the commencement of the Renewal Period referenced above.

Thank you for your continued interest in Infor software systems and support. If you need further assistance, please call me at Tracy.Sutton@Infor.com or 209-835-9540.

Sincerely,

Tracy L. Sutton
Sr. Maintenance Business Manager
