- 5. A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

Demolition and removal of the two (2) elevated water storage tanks at the 2082 Fairwood Avenue site, as well as the installation of a temporary pole to maintain the existing repeater station for the City's SCADA system, and other such work as may be necessary to complete the contract, in accordance with the plans and specifications set forth in this Invitation For Bid (IFB).

This project will occur on the Division of Water property located at 2082 Fairwood Avenue in the "Near South" community planning area.

- 6. A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Contract work is required to be completed in a manner acceptable to the City within 120 days from the date that a Notice To Proceed (NTP) is given by the City.

- 7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The goal of this project is to remove the existing, unused, elevated water storage tanks located at the 2082 Fairwood Avenue property. If the existing tanks are not removed, the City will be required to perform costly maintenance, including the re-coating of the tanks. Removing the tanks will reduce maintenance responsibilities.

- 8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$286,800.00, including a 20% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$286,800.00
Future Anticipated Needs	\$ 0.00
CONTRACT TOTAL	\$286,800.00
