5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

This project consists of installing ~ 127 overhead and underground LED street lights in the Dublin-Granville Rd. / Deewood Dr. / Maple Canyon Dr. area, and other such work as may be necessary to complete the contract, in accordance with the plans and specifications set forth in the Invitation for Bid (IFB).

The planning area for this project is “Northland” and includes the following boundaries: to the-east: Cleveland Avenue; to the south: E. Dublin-Granville Road; to the west: Maple Canyon Avenue; and to the north: Jewett Drive.

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Contract work is required to be completed in a manner acceptable to the City within 180 days from the date that a Notice To Proceed (NTP) is given by the City. The City anticipates issuing a notice to proceed on or about June 5, 2017. All work shall be completed by December 5, 2017.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

This work is being performed with the City of Columbus's goal to light every street. The addition of street lighting to the project area could provide a sense of security and additional visibility on the roadways. This may potentially draw additional residents to the area, as well as cause them to frequent adjacent businesses in the area.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$577,521.58, including a 10% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:
