Mike,

Thanks for working with Power to help "right-size" Fleet: Your order is approved as indicated in the attached spread-sheet. Please turn in the under-utilized units in the next 30 days as we would like to dispose and/or reallocate the 2 units you have targeted.

Thank you

Attached is a spreadsheet requesting approval to purchase 19 fuel size flex fuel pickups for Sewerage & Drainage Division. In addition to disposing of a vehicle for each purchase we will dispose of an additional 2 pool vehicles from 1250 Fairwood Ave. per Administrator Blake.
