Subject: Purchase of Industrial Sweeper Scrubber (SA004096)

Good afternoon Jim:

As we discussed, I negotiated with Jordan Power Equipment on the sale of the sweeper-scrubber due to the series of events involving this bid. I have attached a copy of the letter from Jordan Power Equipment Company and Nilfisk-Advance agreeing to provide the sweeper-scrubber to the City at a lower cost. Also attached is the bid waiver language which needs to be included in the legislation. You do not need to submit another award recommendation. Please let me know if you have any questions. Thanks.
