Dear Brandon,

Your rebate(s) earned from purchases made during the upcoming Early order period are based on the number of qualifying purchases you make. We are providing an additional 7% rebate off of our standard program for purchases from October 1 through December 30, 2025. This additional rebate will come to you as a Business Service Agreement between Syngenta and Columbus Municipal Golf. The final purchase amount is submitted by your Distributor to Syngenta on or before June 30, 2026. If you have any questions regarding the amount of your purchases or rebate, please contact me.

Total Cost of Syngenta Spray Program	<b>\$314,106.14</b>
Total Estimated Qualifying Rebates provided in September 2026	\$88,232.50
Harrell's Distributor Credits to be applied towards current order	(\$39,615.00)
Total Remaining due June 19, 2026	\$274,491.14

Please see the supporting documents for a full list of products, rebates, and total amounts due.

Sincerely,
