Commissioner Profile

In my near six years on the University Area Commission (UAC) I have served to make the UAC an important, accessible and recognized element of our neighborhood. In my first year on the Commission I directed and implemented the UAC website so that area residents could voice concerns and provide input on our community. Shortly thereafter I served as Chair of the Community Relations Committee and effectively advocated for the Columbus Police Department to provide monthly reports to the UAC to better inform Commissioners and area residents around issues of safety. I have also served as Corresponding Secretary, chair of the Elections Committee, and currently serve as President of the UAC.

Under my leadership the UAC has:

- advocated for a city-wide recycling program
- created the city's first neighborhood sustainability guide "The University District Neighborhood Green Guide"
- worked with area carry-outs to enter into "Good Neighbor Agreements" resulting in graffiti free buildings with video cameras to assist the CPD
- voiced public concern around area liquor establishments
- advocated for LEED certified energy efficient buildings
- supported the City Department of Refuse through promotion of the 311 Call Center through a University District dumpster stenciling project
- engaged University District Civic Associations and local businesses to tackle the ongoing graffiti issues in our community

Over the next three years I plan to lead the UAC in an effort to provide unique neighborhoods within the district individual identities to promote the areas for higher concentrated homeownership and economic development.

UAC Committees/Positions –

- * UAC President (2006 - current)
- * UAC Corresponding Secretary
