

CITY OF COLUMBUS-SOLE SOURCE INFORMATION FORM

To accompany legislation which waives any provisions of
Columbus City Code Chapter 329

1. Verification of Sole Source: (why no other individual or business entity is capable of supplying the needed items /service)

- Sole Source manufacturer/distributor.
- Sole distributor authorized for this territory.
- Patented product purchased for owner/developer.
- Sole company offering this unique service.
- Other: _____

2. Describe any effort to bid for alternate item (service or product) that is not provided by a sole source that would meet this need: The Division of Sewerage and Drainage has attempted in prior years to solicit bids for this service, with only JWC Environmental submitting a proposal. JWC does not have an authorized service company in the area. JWC Environmental has service centers split between Western and Eastern Regions. Furthermore, JWC only charges for freight and parts when the equipment is serviced. The other service they provide is that they can exchange cartridges with an OEM refurbished model if the part is to used up for the repair. These items come with a factory one (1) year warranty.

3. Describe efforts to determine/verify that the company is the sole source: JWC Environmental installed the Sludge Grinders in the wastewater plants and as stated above the authorize no other service provider.

4. Indicate how the price or fee structure was determined: Prices are determined through parts list updated each year by the Regional Representative.
