Dear Ramona Patts,

As the most current chair for Columbus and the Board President of OH&LA, I would like to recommend Stephen Stewart, General Manager of the Hyatt Regency Columbus, to fill the opening on the Vehicles for Hire for Columbus Board to represent the Columbus Hospitality Community. I feel that Stephen will do an exceptional job representing the hospitality industry and is an excellent choice to fill this opening. Stephen is a strong communicator, problem solver, and will provide value to your team.

Warm Regards,

Geri Lombard
