Commissioner Profile

Commissioner Williams has lived in Columbus for the last 22 years and currently works as the Mid-Ohio Regional Planning Commission.

He has served on various boards and committees over the last 22 years in Weinland Park, the University District and Clintonville. He has worked to find common ground and root causes in challenges that have arisen. His philosophy is to define and examine issues and plan for holistic solutions, rather than simply make decisions based on arcane and arbitrary language in some code. His role on boards and committees is not just to represent his constituents but also to strive to envision a better future for the children and grandchildren of those constituents.

**His current affiliations include: The University Area Commission, District 3
Housing Committee, Weinland Park Civic Association
Canal Market District (Newark Ohio), Board Secretary
Ohio Farmland Preservation Advisory Board**
