THROUGH: Gwen Akrobettoe – Fiscal, Assistant Director Department of Technology

From: Ivan King - IT Operations Manager, Department of Technology

Subject: Award of SA005956 –Veeam Network Technology Product

The Department of Technology (DoT) through utilization of an Invitation to Bid process received six (6) bids in response to SA005956; the purchase of ninety-two (92) new licenses for the Veeam technology product. The Department of Technology has reviewed the proposals received and is recommending the award be made to SHI International Corp., the lowest responsive, responsible and best bid submitted.

The Veeam license will allow continued growth in the technology environment and a completion of the 1st Phase of the Police onboarding effort. The purchase will also allow for continued progression of the movement of virtual server backups to a dedicated solution.
