

2024 Crisis Grief Counseling and Education RFP

10/25/23

1.1 Scope

The City of Columbus, Columbus Public Health's (CPH) Neighborhood Social Services (NSS) division is seeking proposals to establish a contract to develop culturally sensitive and trauma-responsive crisis grief counseling for families after a violent loss. Additionally, the contract seeks to provide two monthly groups for anyone with grief in the community: one for adults and one for young people. The contract will also provide one traumatic grief training to share best practices towards the conclusion of the contract.

Clients referred must be contacted within 48 hours of the referral, with at least 2 contact attempts. Crisis services and appointments should be provided within 1 week of referral.

1.2 Classification

The contract resulting from this bid proposal will provide up to 12 free grief counseling services for families referred from the NSS team and community sources. All clients must have had a violent loss to be eligible for services.

Columbus Public Health will provide referrals and oversee other referral sources for approval.

1.3 Applicant Eligibility Requirements

Have a City of Columbus Contract Compliance Number; register with Vendor Services to obtain a number (the agency must be "Contract Compliance in Status Active");

Not be debarred or suspended from working on federally assisted projects or projects in Ohio or with the City of Columbus;

Be registered with the Ohio Secretary of State to conduct business in the state of Ohio

Have the capacity to commence services by January 1, 2024.

Have the proven capacity to implement professional services to provide culturally sensitive and trauma-responsive mental health services. Have the capacity to offer therapy in different languages and have a diversely represented staff that can be verified in proposal.

2.1 Proposal Info

\$75,000 has been allocated for 40 families and individuals to receive grief counseling services, provide both youth and adult grief groups each month, and a learning opportunity for professionals in the field. Contract has the opportunity to be extended to no later than 2028 at the discretion of available funding. Vendor should utilize a documented evidenced based modality for all services including groups and therapy. CPH is requesting proposals from qualified vendors to provide mental health services according to the specification requirements

herein and will provide all referrals. Vendor is responsible for scheduling monthly groups and finding space to hold the groups. Vendor is responsible for the planning, objectives, and scheduling of the learning opportunity. Vendor responsible for contingency planning for continuity of care for clients should funding not be re-awarded.

2.2 Background

The City of Columbus continues to face spikes in homicides. Each year too many lives are lost to violence the trauma, pain, and grief experienced in Columbus. The aftermath is many families are left to grieve and find support, healing, and meaning in the loss of their loved one. Current barriers to care included long waitlists and lack of culturally sensitive practitioners which can make families less willing to engage in needed services.

2.3 Project Description and Service Requirements

2.3.1 Crisis and Ongoing Grief Therapy: Vendor to provide 12 sessions for individuals and/ or families. Vendor must have experience and extensive expertise working with families after violent, traumatic grief and loss. Vendor should also have demonstrated expertise with working across the lifespan and provide demonstrated ability to provide culturally sensitive services. Vendor must be able to provide therapy services in Spanish and other languages as needed. Vendor should also be prepared to utilize up to 10% of the funding to assist with social needs such as transportation to support therapy. Vendor will also be responsible for continuity planning after the contract ends for clients with the Vendor's therapeutic care.

Vendor to provide 2 monthly grief therapy groups for youth and adults. Vendor will be responsible for finding space for the groups. Vendor is also responsible for all advertising of services and groups. Vendor is responsible to submit a plan for missed groups within 5 business days of a missed group to CPH contract holder.

Vendor to create a client complaint process related to the contract for any clients who are unsatisfied with services.

2.3.2 Promotional Material: Vendor to provide one page overview of offered services and what to expect for new referrals by January 1, 2024. Also to include options for clients in crisis and where to get emergent assistance.

2.3.3 Traumatic Grief Educational Offering: Vendor to oversee one-3 hour educational offering at the conclusion of contract by December 2024 to share important considerations with working with families' post- violent loss with other clinical professionals.

2.3.6 Translation: All resources must be available in English, Spanish and Somali.

2.3.7 Outcome Measures: The contract will include monthly reporting by the 5th of each month on agreed upon outcome measures that demonstrate number of therapy sessions provided, number of groups provided, and number of participants. Reporting format will be provided by Columbus Public Health through the RedCAP software. Vendor will need to implement anonymous customer satisfaction surveys at regular intervals of services with clients which will be entered into RedCAP as well. Vendor will also oversee evaluation scales to clients to monitor their progress in treatment. Vendor will submit RedCAP forms when opening and closing a case to record results of evaluation scales and other information regarding referral timeliness and case progress. Reimbursement method will be determined by funding source.

3.1 Submission Information and Instructions

3.1.1 All bids must be submitted electronically: paper and /or email bids will not be accepted.
