It is the Developer's responsibility to determine whether wetlands exist on the site. City of Columbus approval of the final plat of Reynolds Crossing Section 2 Part 1 does not imply any approval for the development of the site as it may pertain to wetlands.

Note "C": Agricultural Recoupment: Grantor being the duly authorized representative of the Developer dedicating the property described in this plat, hereby agrees that grantor will indemnify the City of Columbus for and hold it harmless from any agricultural recoupments assessed or levied in the future against the property dedicated herein which result from Grantor's conversion of the property from agricultural use.

This notice shall not be interpreted as creating plat or subdivision restrictions, covenants running with the land or title encumbrances of any nature, and is for informational purposes only.

Note "E" DEPRESSED DRIVEWAYS: The pavement and storm sewer plan together with the master grading plan for Reynolds Crossing Section 2 Part 1 show a design that would prohibit all of the lots in Reynolds Crossing Section 2 Part 1 from having a depressed driveway according to Columbus City Code Section 4123.43 unless otherwise approved by the Columbus Inspector.
