**Existing Zoning:** M, Manufacturing District.  
**Request:** AR-3, Apartment Residential District (H-60).  
**Proposed Use:** Multi-unit residential development.  
**Applicant(s):** Goodwill Industries of Central Ohio, Inc.; c/o Dave Perry, Agent; David Perry Company; 411 East Town Street, 1st Floor; Columbus, OH 43215, and Donald Plank, Atty.; Plank Law Firm; 411 East Town Street, 2nd Floor; Columbus, OH 43215.  
**Property Owner(s):** Goodwill Industries of Central Ohio, Inc.; c/o Mark Koenig; 1331 Edgehill Road; Columbus, OH 43212.  
**Planner:** Tim Dietrich; 614-645-6665; [tedietrich@columbus.gov](mailto:tedietrich@columbus.gov)

**BACKGROUND:**

- The site consists of two parcels developed with the Goodwill of Central Ohio's Headquarters in the M, Manufacturing District. The requested AR-3, Apartment Residential District is applicable only to all of parcel 010-062664 and the southern 40± feet of parcel 010-062643. The requested AR-3 district will permit multi-unit residential development in conjunction with a new commercial building at the southwest corner of West Fifth Avenue and Edgehill Road.
- North of the site is a brewery and the future site of a new commercial building in the M, Manufacturing District. South of the site is a multi-unit residential development in the AR-2, Apartment Residential District. East of the site is a grocery store in the M, Manufacturing District. West of the site is a future mixed-used development in the CPD, Commercial Planned Development District.
- Concurrent CV21-154 has been filed demonstrating a multi-unit residential development with up to 250 dwelling-units on this site (63.93 du/acre) and includes variances to building height, maneuvering, lot coverage, building setbacks, and rear yard. That request will be heard by City Council and will not be considered at this Development Commission meeting.
- The site is within the planning boundaries of the *Fifth by Northwest Neighborhood Plan* (2009), which recommends "Mixed-use" and "Industrial (Light)" land uses at this location. The site is also subject to *Columbus Citywide Planning Policies (C2P2) Design Guidelines* (2018).
- The site is located within the boundaries of the Fifth by Northwest Area Commission

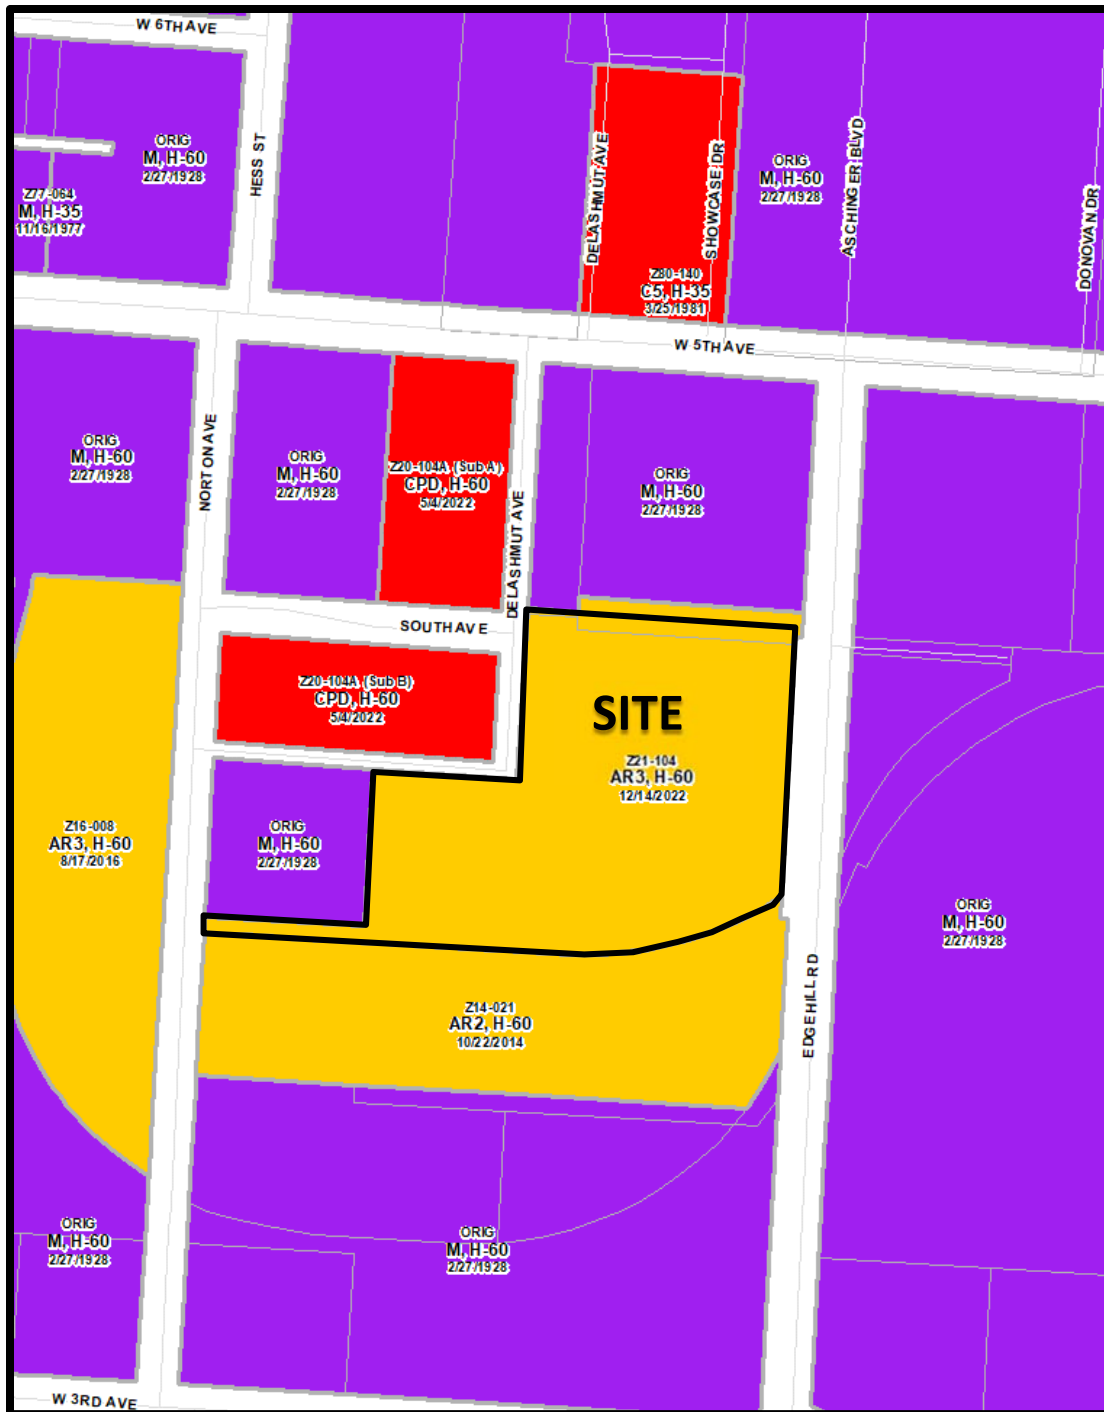

whose recommendation had not been received when this report was written.

- The Division of Traffic Management has stated a traffic impact study is in progress in conjunction with this application. Additional commitments or access revisions may be needed based on the results of the approved traffic impact study.

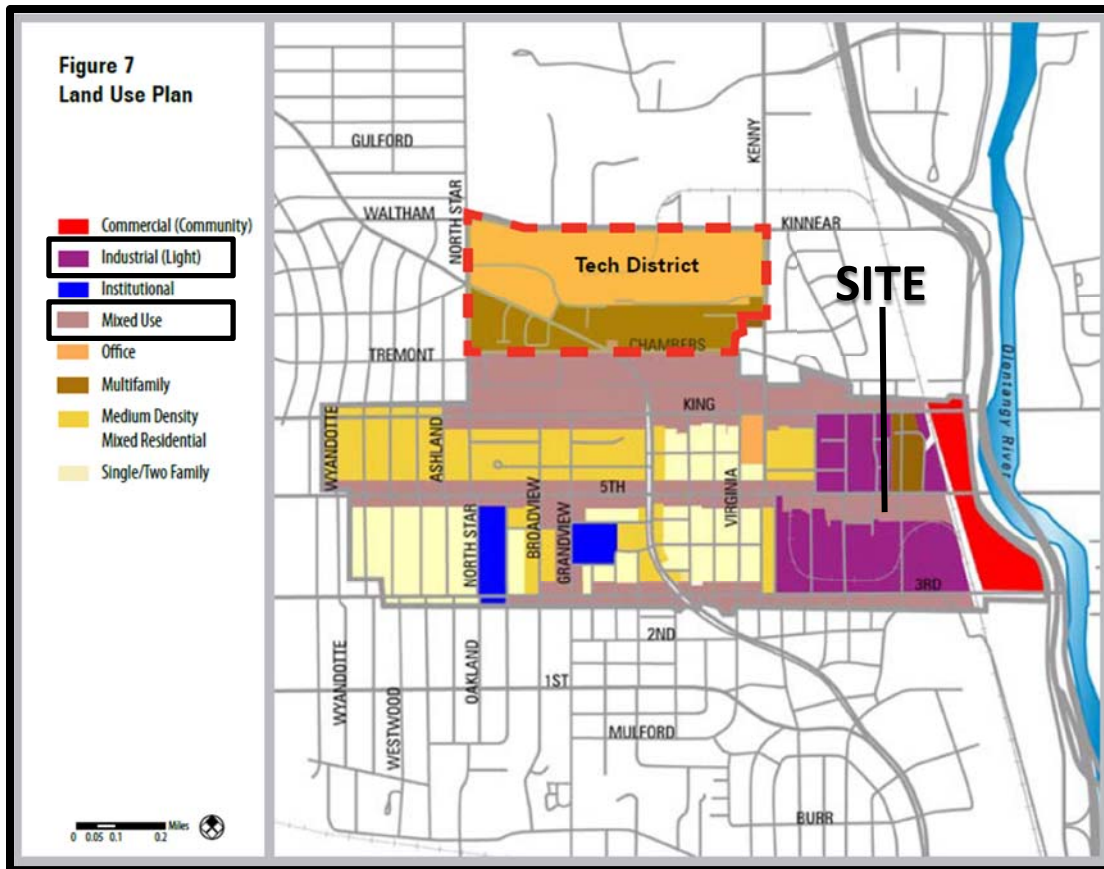

**CITY DEPARTMENTS' RECOMMENDATION:** \*Conditional Approval.

The requested AR-3, Apartment Residential District will permit redevelopment of the site with a multi-unit residential development. While the *Fifth by Northwest Neighborhood Plan* recommends "Industrial (Light)" land uses for the majority of the site, the proposed residential development is in conjunction with a proposed commercial building at the southwest corner of West Fifth Avenue and Edgehill Road. Together these buildings are consistent with the Plan's recommendation for "Mixed-use" land uses. Staff supports the uses and densities proposed as they will help support transit, neighborhood retail, and encourage a more walkable neighborhood. Additionally, the request is compatible to recent high-density residential and mixed-use redevelopments along the West Fifth Avenue and West Third Avenue corridors in this neighborhood. Staff notes that additional commitments or access revisions may be needed based on the results of the approved traffic impact study and that those commitments will need to be addressed to the satisfaction of the Department of Public Service before proceeding to City Council with full Staff Approval.

**\*Traffic Impact Study has been completed to the satisfaction of the Department of Public Service and City Departments are now in full approval.**
