- 5. A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

This project consists of the inspection, maintenance and necessary repair of various multiple hearth incinerators and associated equipment located at various City of Columbus, Ohio, Division of Sewerage and Drainage Facilities. These facilities consist of the Southerly Wastewater Treatment Plant (SWWTP) and the Jackson Pike Wastewater Treatment Plant (JPWWTP). A comprehensive inspection report will be completed by the Contractor and delivered to the Project Manager annually.

- 6. A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

This contract is expected to go into effect November, 2011. This is bid as a one (1) year contract. An option for three (3) additional years is provided for in the documents with the consensus of the City, the Contractor and approved by City Council. This contract is expected to expire in November, 2015.

- 7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The annual inspection and maintenance of the multiple hearth incineration equipment will prevent a major impact to the budget that would occur if the equipment is operated to failure. Removal and replacement of the failed equipment would be a major impact to the budget. The multiple hearth incinerators at the two wastewater treatment plants are a major process in the treatment of biosolids. No community outreach or environmental factors are considered for this project.

8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

The bid amount is \$476,654.00, including a 10% contingency amount and two allowance items that would be utilized to fund needed and approved changes in the work. If unforeseen issues or difficulties are encountered that would require additional funding, a modification would be requested. This contract will be funded incrementally with modifications on approximately an annual basis. Three contract modifications are anticipated at this time. The expected cost for this project is as follows:

Year 1: 11/2011 to 11/2012	\$476,654.00
Year 2: 11/2012 to 11/2013	\$477,487.00
Year 3: 11/2013 to 11/2014	\$478,319.00
Year 4: 11/2014 to 11/2015	<u>\$479,152.00</u>
Total	\$1,119,612.00
