Leeds' LCF-CMOS5 Camera system

Leeds Forensic Systems, Inc. (Leeds) is the sole U.S. distributor of the Leeds' LCF-CMOS5 camera for firearm and toolmark comparison microscopes. The LCF-CMOS5 is a specially packaged camera made exclusive for Leeds by Diagnostic Instruments, Inc. Leeds provides on-site installation and training upon request, and on-going technical support, and warranty service. The Leeds' service department is available for after-sale scheduled maintenance and recertification.

Sincerely,

Leeds Precision Instruments, Inc.
