RE: BID RECOMMENDATION-CAB & CHASSIS W/UTILITY SERVICE BODY  
AND 20 FOOT CRANE - SA003334

The Purchasing Office opened formal bids on August 20, 2009 for the purchase of a Cab and Chassis with Utility Service Body and 20 Foot Telescopic Crane for the Division of Power and Water. Five (5) bids were received.

Byers Ford was the apparent low bid of \$78,152.00 (Primary). They, however, did not meet specification 3.3.19.1 requesting crane rotation be 360 degree continuous and unrestricted.

The second lowest bid was submitted by Curry Supply Co. in the amount of \$81,250.00. They, however, did not meet specification 3.3.19.1 requesting crane rotation be 360 degree continuous and unrestricted.

The third lowest bid was submitted by Utility Truck Equipment, Inc. and they meet our specifications.

Therefore, I am recommending award go to Utility Truck Equipment, Inc., 23893 U.S. 23 South P.O. Box 130, Circleville, Ohio, 43113. They were the lowest responsive responsible bidder to meet our specifications. The award is for a Cab and Chassis with Utility Service Body and 20 Foot Telescopic Crane. The total award will be for \$83,980.00.

We do not wish to purchase item number two (2), an extended warranty, at this time.
