Subject: Sole Source Justification Letter for AeroComputers Moving Map System Hardware & Software Maintenance, Support, and Training.

Dear Sir:

AeroComputers, Inc., based in Oxnard, California, is pleased to provide the following sole source justification letter for our Moving Map System Hardware and Software Maintenance, Support, and Training.

AeroComputers is the sole manufacture of the AK-4 Series Keyboards, LE-5000, UC-5100, UC-5300, UC-6000 Moving Map Systems, and Installation Kits as well as the exclusive provider of UltiChart™ tactical mapping software, AeroMaps™, and AeroParcel™ address parcel points. These products are unique to AeroComputers and, as such, it is the only company who sells, distributes and repairs these systems. AeroComputers is also the only company able to provide hardware & software maintenance, support, and training.

AeroComputers has been designing, building, marketing computer and moving map systems that manage tactical operations for airborne applications since 1993. Currently employed by over 180 law enforcement, fire, military and other public safety agencies worldwide, AeroComputers is the industry leader in providing mission management systems that integrate GPS-based moving maps, image collection and transmission, illumination and data storage.

If you have any questions, or would like any additional information, please feel free to contact me.

Respectfully,

A handwritten signature in black ink, appearing to read 'David I. Cady', written in a cursive style.

David I. Cady | Director Global Sales
