Dear Brian,

MatrixPointe Software requests that the City of Columbus extend its existing professional services contract with MatrixPointe Software (ordinance# 1028-2015, PO# EL017301) through October 31st, 2017 with all existing terms and conditions remaining the same. Based on updated project requirements and the many new features we are incorporating into our software for the Columbus City Attorney, additional time is needed to complete the project. Consequently, implementation tasks will run through much of 2017.

If you have any additional questions, please do not hesitate to contact **Thomas Coury** at (216) 865-0030 or via email at tc@matrixpointesoftware.com.

Sincerely,

A handwritten signature in blue ink that reads "Thomas J. Coury". The signature is written in a cursive style with a prominent "T" and "C".
