5. A description of work performed to date as part of the contract and a full description of work to be performed during any future phasing of the contract.

HDR Engineering: Work performed under the original contract and Modification #1 included design services for replacement of the 24-inch water main along Olentangy Road from Lane Avenue to Old Ackerman Rd, leak detection studies, backflow prevention research, and the design for the Larger Diameter Valves Replacement Project, Part 2. Work items consisted of all field investigations, surveying, and all other professional design services as necessary for the completion of a design report, plans and specifications, and engineering services during construction as it relates to this project.

ms consultants, inc.: Work performed under the original contract and Modification #1 included metallurgical testing of a 20-inch water main, a 3D scan of the Joyce Tank and murals to support the 2018 tank painting project, a preliminary and detailed design for Morse West Booster Station improvements, and water main design services on S Ave and Town Street. Work items consisted of all field investigations, surveying, and all other professional design services as necessary for the completion of a design report, plans and specifications, and engineering services during construction as it relates to these projects.

The general purpose of this contract Renewal is to provide general engineering services to the Division of Water, Water Distribution Engineering, on an “as-needed” basis. Work items shall consist of field investigations, surveying, and other professional design services as necessary for the completion of a design report, plans and specifications, and engineering services during construction as it relates to various water distribution and facility projects.

The Community Planning Areas are dependent on project assigned.

6. An updated contract timeline to contract completion.

- a. The original agreement allowed for a total term of: original agreement plus two contract modifications.
- b. Which year of the total term is this renewal for? This is the 2nd modification.
- c. The expiration date of this agreement is anticipated to be December 2020.

7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.

These agreements will allow the Division to perform miscellaneous engineering tasks on an as-needed basis. Outreach and environmental impact is unknown since the exact type and location of work is unknown at this time.

ORD #0408-2019

8. **A description of any and all renewals / modifications to date including the amounts of each renewal / modification and the Contract Number associated with any renewal / modification to date. (List each renewal / modification separately.)**

MS Modification #1: PO113381; \$250,000.00; Ord #0384-2018

HDR Modification #1: PO112487; \$250,000.00; Ord# 0384-2018

9. **A full description of the work to be performed as part of the proposed contract renewal. (Indicating the work to be a logical extension of the contract is not sufficient explanation.)**

Same as Item #5 as shown above.

10. **An explanation of why the work to be performed as part of the contract renewal cannot be bid out. (Indicating the work to be a logical extension of the contract is not sufficient explanation.)**

The original professional services agreement was bid out and planned for a total of 3 annual agreements (1 original agreement and two modifications). This is the second Renewal / Modification.

11. **A cost summary to include the original contract amount, the cost of each renewal to date (list each renewal separately), the cost of the renewal / modification being requested in the legislation, the estimated cost of any future known renewals / modifications, and a total estimate of the contract cost.**

Original Contracts (Ord No. 2845-2016):

HDR: \$250,000.00 PO042583 (replaced by PO053669)

ms: \$250,000.00 PO042588 (replaced by PO053656)

Modification No. 1 (Ord. No. 0384-2018):

HDR: \$250,000.00

ms: \$250,000.00

Renewal (2019) (current):

HDR: \$250,000.00

ms: \$250,000.00

GRAND CONTRACT TOTALS:

HDR: \$750,000.00

ms: \$750,000.00

12. **An explanation of how the cost of the renewal was determined.**

The original amount of each General Engineering Services agreement was \$250,000.00. Two annual modifications were budgeted for \$250,000.00 each, for a total annual budget of \$500,000.00. This is the second renewal / modification to the original agreements.
